

2025

# TAFE at School Course Guide

Far North Queensland  
North Queensland

# Welcome

---

## from the CEO

**For over 140 years TAFE Queensland has proudly served Queensland's communities as the largest, most experienced vocational education and training (VET) provider in the state.** Our training is delivered to over 126,000 students each year at more than 60 locations across Queensland, and we offer more than 400 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 10, 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum, that fits around existing studies. Delivery of the TAFE at School program may be undertaken at a TAFE Queensland location, in selected schools, or in the workplace as a school-based apprentice or trainee.

Completing a qualification through our TAFE at School

program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways by contributing to your ATAR, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at [tafeqld.edu.au/schoolstudents](https://tafeqld.edu.au/schoolstudents), call **1300 308 233**, or visit your local campus customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2025 and beyond.

**John Tucker**

Chief Executive Officer  
TAFE Queensland

The information contained in this guide is correct at time of printing, April 2024. For the most up-to-date information please refer to our website at [tafeqld.edu.au](http://tafeqld.edu.au). In many areas of Australia it is considered offensive to publish photographs of Aboriginal and Torres Strait Islander people who are deceased. Readers are warned that this publication may inadvertently contain such photographs

# Our locations

Step into our purpose-built facilities where you will learn hands-on using the same tools and equipment used in industry. Put your theory into practice straight away in our clinical labs, salons, training restaurants, creative spaces, and trades workshops. Develop your skills, ability, and confidence and gain the practical experience you need to graduate job ready.

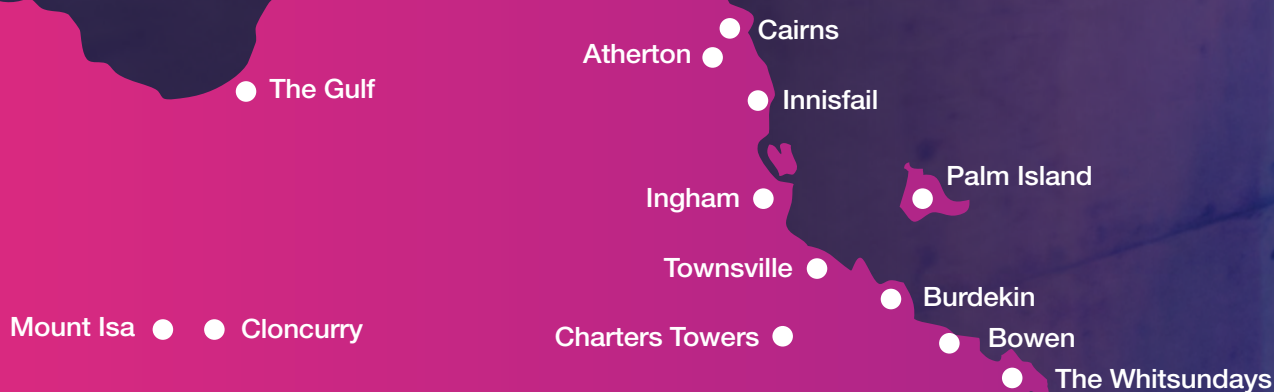

For more information visit [tafeqld.edu.au/facilities](https://tafeqld.edu.au/facilities)

Thursday Island

Northern Peninsula Area

Refer to the back cover of this brochure for campus addresses. For detailed maps of each campus, visit [tafeqld.edu.au/locations](https://tafeqld.edu.au/locations)

## Getting to campus

Our campuses are accessible by both private and public transport, with full details available on individual campus pages on our website at [tafeqld.edu.au/locations](https://tafeqld.edu.au/locations)

If you are a full-time student, you may be eligible for a student discount on public transport. For more information or to plan your travel call **13 12 30** or visit [translink.com.au](https://translink.com.au)

# Studying at TAFE

## Why study at TAFE Queensland?

TAFE Queensland is the largest, most experienced training provider in the state, with a history of serving Queensland's communities for more than 140 years. We offer more than 400 practical, industry-relevant courses from entry-level certificates to bachelor degrees. Our training is delivered to over 126,000 students each year across more than 60 locations in Queensland.

In 2022-23 we trained

**126,000** students

**Over 550**

university pathways are available

**100%**

of our diploma and higher-level courses have diploma-to-degree pathways

We have an

**89.5% student satisfaction rating**

(and we're working very hard on the other 10.5%)

We have a

**92.1% employer satisfaction rating**

**Every \$1 spent**

by TAFE Queensland supports

**\$2.55 of added-value**

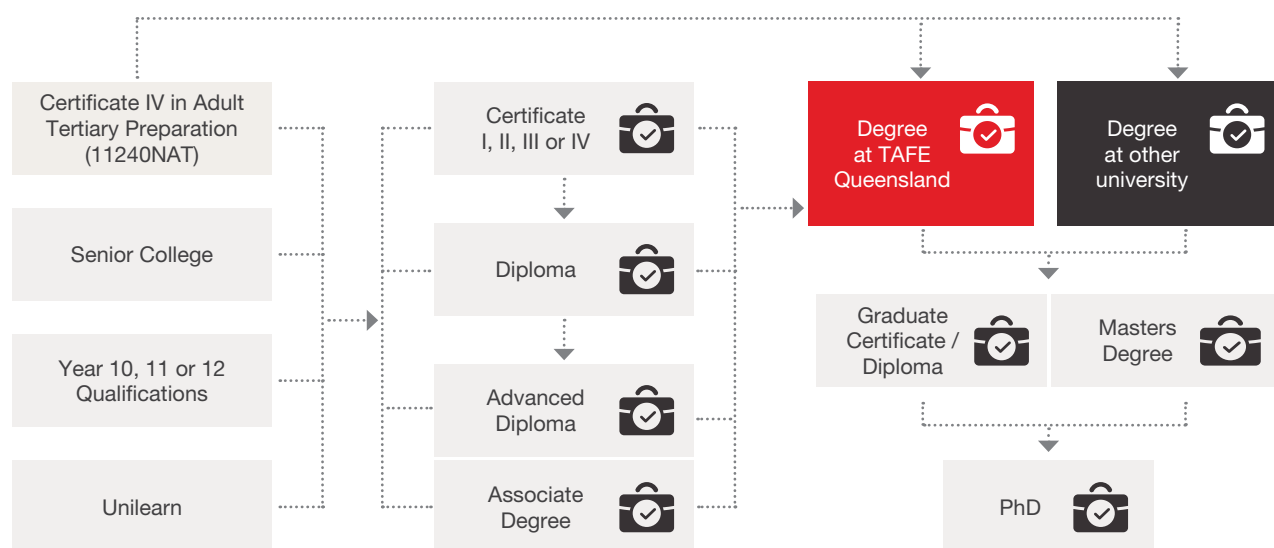

in the Queensland economy

# Pathways to your future

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course. Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

## Our partner universities and higher education providers

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

# Information for parents

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

## About vocational education and training

University is not for everyone. Vocational training is not for everyone. Education is for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

## Why TAFE Queensland

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit [tafeqld.edu.au/parents](http://tafeqld.edu.au/parents).

### Parents' guide

Subscribe today to get your free Parent's guide to surviving senior schooling and beyond. [go.tafeqld.edu.au/parents-guide](http://go.tafeqld.edu.au/parents-guide)

## Busting VET myths

The 2017 Perceptions are Not Reality report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

**MYTH:** Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

**FACT:** VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

**MYTH:** One in five Australians believe that VET graduates earn less than university graduates.

**FACT:** The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

**MYTH:** Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

**FACT:** VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

# Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

## How TAFE Queensland can help

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit [tafeqld.edu.au/advisors](https://tafeqld.edu.au/advisors).

## Partnership with schools program

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

### Training for school teachers

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

## IVET online portal

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

## Teacher Aide training

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit [tafeqld.edu.au/education-support](https://tafeqld.edu.au/education-support) or contact us today.

## Contact us

For more information please contact your local TAFE at School team on [north.schools@tafeqld.edu.au](mailto:north.schools@tafeqld.edu.au)

# Important information

## 2025 Term dates

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

	TAFE QUEENSLAND	QUEENSLAND SCHOOLS
TERM 1	START Monday 3 February	START Tuesday 28 January
	FINISH Friday 4 April	FINISH Friday 4 April
TERM 2	START Tuesday 22 April	START Tuesday 22 April
	FINISH Friday 27 June	FINISH Friday 27 June
TERM 3	START Monday 14 July	START Monday 14 July
	FINISH Friday 19 September	FINISH Friday 19 September
TERM 4	START Tuesday 7 October	START Tuesday 7 October
	FINISH Friday 7 Nov	FINISH Friday 12 December

## Student support

Learn more at [tafeqld.edu.au/studentsupport](https://tafeqld.edu.au/studentsupport).

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

## Cost and payment options

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to [desbt.qld.gov.au/training/providers/funded/vetis](https://desbt.qld.gov.au/training/providers/funded/vetis). Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: [tafeqld.edu.au/policies](https://tafeqld.edu.au/policies).

## How to apply

To submit an application for a TAFE at School course, visit [www.tafeapply.com](https://www.tafeapply.com)

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to [www.usi.gov.au](https://www.usi.gov.au) to get one.

# TAFE at School

## Benefits of TAFE at School

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits
- May contribute to your Australian Tertiary Admissions Rank (ATAR)
- Direct entry to any related TAFE Queensland course
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

## Flexible study options

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

### On campus

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

### At School

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

### Industry experience

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

### Trade taster

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience the trades industry by studying one unit of competency from different trade areas.

### School-based apprenticeship or traineeship

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call **1800 210 210** or visit [desbt.qld.gov.au/training](https://desbt.qld.gov.au/training).

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

# Post-school options

## Become an apprentice or trainee

Learn hands on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit [tafeqld.edu.au/apprentices](https://tafeqld.edu.au/apprentices).

## Apply for a TAFE Queensland certificate or diploma

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at [tafeqld.edu.au/courses](https://tafeqld.edu.au/courses).

## Get ready for university

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit [tafeqld.edu.au/atp](https://tafeqld.edu.au/atp).

## Go to university

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

For more information visit [tafeqld.edu.au/pathways](https://tafeqld.edu.au/pathways).

# Official Vocational Education and Training (VET) Partner of the North Queensland Toyota Cowboys

# Certificate III in Aboriginal and Torres Strait Islander Education

### QCE CREDITS

4 credits

Kick start your career in hairdressing with this entry-level course. Learn basic hairdressing tasks, product knowledge and communication techniques to greet and prepare clients. As part of your practical training, you will perform activities in a live salon environment including colour removal, shampoo and conditioning treatments and client communication. Use this training as a pathway to a hairdressing apprenticeship.

**DELIVERY & LOCATION**  
**Face-to-face, one day a week**  
 Townsville (Pimlico)

**DURATION**  
 4 terms

**\*FEES**  
 There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

**QCE CREDITS**  
 4 credits

Set yourself on the path to a career in the kitchen with this introductory course. Gain skills in food preparation and equipment, preparing dishes using basic methods of cookery as well as an understanding of the procedures in keeping a safe and hygienic work area. Use this training as a pathway to further training in commercial cookery.

# Certificate II in Cookery

COURSE CODE: SIT20421

VETIS FUNDED\*

## Core units

SITHKOP009	Clean kitchen premises and equipment
SITHCCC026	Package prepared foodstuffs
SITXFSA006	Participate in safe food handling practices
SITXWHS005	Participate in safe work practices
SITHCCC025	Prepare and present sandwiches
SITHCCC028	Prepare appetisers and salads
SITHCCC027	Prepare dishes using basic methods of cookery
SITHCCC029	Prepare stocks, sauces and soups

## Elective units

To be confirmed - This qualification may include some units from the Certificate II in Hospitality SIT20322.

Pathway options	Career outcomes
Certificate II in Cookery SIT20421	Kitchenhand, kitchen assistant, catering assistant
Certificate III in Commercial Cookery SIT30821	Cook, commercial cook
Certificate IV in Commercial Cookery SIT40516	Sous chef
Diploma of Hospitality Management SIT50416	Chef de cuisine, executive chef, executive sous chef, hospitality worker, café manager, food and beverage supervisor
Diploma of Business BSB50120	Business manager, team leader
Cookery apprenticeship	
Certificate III in Commercial Cookery SIT30821	Cook, commercial cook

# Certificate II in Hospitality

COURSE CODE: SIT20322

✔ VETIS FUNDED\*

## Core units

BSBTWK201	Work effectively with others
SITHIND006	Source and use information on the hospitality industry
SITHIND007	Use hospitality skills effectively
SITXCCS011	Interact with customers
SITXCOM007	Show social and cultural sensitivity
SITXWHS005	Participate in safe work practices

## Elective units

To be confirmed

## DELIVERY & LOCATION

Face-to-face, one day a week  
Cairns

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

Get a taste for the hospitality industry with this entry-level course. Gain a variety of practical skills including food and beverage service, Responsible Service of Alcohol (RSA), coffee making skills (barista), and how to prepare basic dishes. Learn how to provide excellent customer service and gain industry knowledge in safe work practices, hygiene and food safety. Use this training as a pathway to further training in the hospitality industry.

## Pathway options

Certificate II in Hospitality  
SIT20322

Certificate III in Hospitality  
SIT30622

Diploma of Hospitality Management  
SIT50422

Diploma of Business  
BSB50120

## Career outcomes

Café attendant, catering assistant

Food and beverage attendant,  
barista, bar attendant, waiter

Hotel manager/assistant manager,  
food and beverage supervisor,  
front office supervisor

Business manager, team leader

## University pathways

- Bachelor of International Tourism and Hotel Management
- Bachelor of Business (Marketing and Hospitality)
- Bachelor of Business in International Hospitality Management
- Bachelor of Business in International Tourism Management
- Bachelor of Business in Convention and Event Management
- Bachelor of Business Administration
- Bachelor of Business (Tourism, Leisure and Event Management)
- Bachelor of Business (Hospitality Management)

### DELIVERY & LOCATION

Face-to-face, one day a week  
Mossman

### DURATION

4 terms

### \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

### QCE CREDITS

4 credits

Embark upon a career in the tourism industry with this entry-level course. Learn how to access, interpret and deliver information about events, activities, travel destinations and products. Use this training to undertake further studies in tourism, events or business.

# Certificate II in Tourism

COURSE CODE: SIT20122

☑ VETIS FUNDED\*

## Core units

- SITXCCS011 Interact with customers
- SITXWHS005 Participate in safe work practices
- SITXCCS009 Provide customer information and assistance
- SITXCOM007 Show social and cultural sensitivity
- SITTIND003 Source and use information on the tourism and travel industry

## Elective units

To be confirmed

Pathway options	Career outcomes
Certificate II in Tourism SIT20122	Tour guide, tourism bureau officer, tourism information officer
Certificate III in Tourism SIT30622	Travel agent, consultant
Diploma of Travel and Tourism Management SIT50122	Travel consultant, travel and tour advisor, travel information officer
Diploma of Event Management SIT50322	Functions manager, exhibitions coordinator, venue manager
Diploma of Business BSB50120	Business manager, team leader

# Certificate II in Sport Coaching

COURSE CODE: SIS20321

✔ VETIS FUNDED\*

## Core units

HLTAID003	Provide first aid
SIRXWHS001	Work safely
SISSSCO002	Work in a community coaching role

## Elective units

SISXCAI002	Assist with activity sessions
SISSSCO001	Conduct sport coaching sessions with foundation level participants
SISXCAI001	Provide equipment for activities
SISSPAR009	Participate in conditioning for sport

## Sporting codes

Students can choose from one of the following options:

### Rugby League

Rugby league specific athlete development program including NRL Community Coach accreditation. Delivered in collaboration with local partners and coaches.

**Location:**  
> Innisfail

### Multi-Sports

A holistic athlete education and development program for secondary school athletes from a range of sporting codes.

**Location:**  
> Cairns

## DELIVERY & LOCATION

Face-to-face, one day a week  
Cairns  
Innisfail

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

Get a head start on your sports career with this entry-level qualification and gain the practical skills you need to conduct coaching sessions in community-based sports clubs and organisations.

Gain a range of basic coaching skills required to work under the supervision of a coach to engage participants in sport. Successful completion of this course will qualify you to undertake further studies in the sports and fitness industries.

### DELIVERY & LOCATION

Face-to-face, one day a week  
Bowen

### DURATION

4 terms

### \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

### QCE CREDITS

4 credits

Kick start your career by developing a broad range of skills driven by the introduction of new technologies, programming techniques, autonomous systems documentation, Programmable Logic Controller (PLC), as well as innovative thinking and problem-solving skills.

# Certificate II in Rural Operations

COURSE CODE: AHC21216

✔ VETIS FUNDED\*

### Core units

- AHCWHS201^ Participate in work health and safety processes
- AHCWRK204^ Work effectively in the industry
- AHCWRK209^ Participate in environmentally sustainable work practices

### Elective units

- AHCPCM204 Recognise plants
- AHCCHM201 Apply chemicals under supervision
- AHCMOM203 Operate basic machinery and equipment
- AHCWRK205^ Participate in workplace communications
- AHCECR201 Capture digital media for fieldwork
- AHCLPW201 Operate a handheld GPS device
- AHCSOL203 Assist with soil or growing media sampling and testing
- NAT10935007 Prepare basic programs for programmable logic controllers (PLCs) for autonomous applications
- VU22338 Configure and program a basic robotic system
- ICTPRG302 Apply introductory programming techniques
- NAT10935005 Produce a documentation suite for autonomous systems
- NAT10935006 Configure autonomous embedded systems

### Pathway options

Certificate II in Rural Operations  
AHC21216

Certificate III in Rural Operations  
AHC32816

Diploma of Agriculture  
AHC50122

### Career outcomes

Assistant Farmhand,  
Assistant Stationhand,  
Assistant Station Worker,  
Assistant Station Labourer

Farmhand, Farm Worker,  
Stationhand,  
Station Worker,  
Livestock transport driver

Farm Production Manager,  
Production Unit Manager,  
Agronomist,  
Station or Property Manager

**This course is aimed at giving students traditional rural skills as well as skills in AgTech areas including coding, robotics, autonomous systems and Programmable Logic Controllers (PLC).**

^ Unit currently in transition, unit code subject to change

# Certificate II in Aquaculture

COURSE CODE: SFI20119

☑ VETIS FUNDED\*

## Core units

SFIAQU202	Handle stock
SFIWHS201	Meet workplace health and safety requirements
SFIXSI102	Communicate in the seafood industry
SFIBIO201	Inspect and clean aquatic work equipment
SFIXSI201	Work effectively in the seafood industry

## Elective units

SFIAQU204	Undertake routine maintenance of water supply and disposal systems and structures
SFIAQU207	Monitor stock and environmental conditions
SFIAQU212	Operate and maintain a recirculating aquaculture system
SFIAQU217	Feed stock
SFIAQU218	Prepare and use aquatic technology
SFIBIO301	Identify and report signs of aquatic disease or pests
SFIEMS201	Participate in environmentally sustainable work practices

### Pathway options

Certificate II in Aquaculture  
SFI20119

### Career outcomes

Aquaculture Farmers,  
Aquaculture Attendants

## DELIVERY & LOCATION

Face-to-face, one day a week  
The Whitsundays

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

This is an entry-level course designed to equip students with a range of practical and technological skills required to work in the Aquaculture industry. Students will learn how to interact with aquatic technology, maintain the water environment and participate in environmentally sustainable practices.

### DELIVERY & LOCATION

#### Face-to-face, one day a week

Bowen  
Burdekin  
Cairns  
Charters Towers – DTTC  
Innisfail  
Malanda

Thursday Island

### DURATION

4 terms

### \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

### QCE CREDITS

4 credits

Kick start your career in the automotive industry with this foundation course. Gain basic skills in electrical, marine and mechanical components and systems. Learn how to use appropriate tools and equipment to complete basic removal, inspection and refitting of automotive components. Use this training as a pathway to an apprenticeship.

# Certificate II in Automotive Vocational Preparation

COURSE CODE: AUR20720

✔ VETiS FUNDED\*

### Core units

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAF103	Communicate effectively in an automotive workplace
AURAF104	Resolve routine problems in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETR103	Identify automotive electrical systems and components
AURLTA101	Identify automotive mechanical systems and components
AURTTK102	Use and maintain tools and equipment in an automotive workplace

### Elective units\*\*

AURETK001	Identify, select and use low voltage electrical test equipment
AURETR115	Inspect, test and service batteries
AURTTA003	Use and maintain basic mechanical measuring devices
AURTTE003	Remove and tag engine system components
AURTTE007	Dismantle and assemble single cylinder four-stroke petrol engines

### Pathway options

Certificate II in Automotive Vocational Preparation AUR20720

### Apprenticeship Only

Certificate III in Automotive Electrical Technology AUR30320

Certificate III in Marine Mechanical Technology AUR30520

Certificate III in Light Vehicle Mechanical Technology AUR30620

Certificate III in Heavy Commercial Vehicle Mechanical Technology AUR31120

Certificate III in Mobile Plant Technology AUR31220

Certificate III in Automotive Sales AUR31020

Certificate III in Motorcycle Mechanical Technology AUR30820

Certificate III in Outdoor Power Equipment AUR30720

### Post-trade study

Certificate IV in Automotive Mechanical Diagnosis AUR40216

### Career outcomes

Trades assistant, vehicle service assistant, automotive service assistant, trainee service person, automotive trainee

Automotive electrician,  
automotive air-conditioning fitter,  
automotive electrical fitter,  
automotive manufacturing technician,  
automotive mechanic,  
automotive parts interpreter,  
diesel fitter,  
vehicle body builder

# Certificate II in Automotive Electrical Technology

COURSE CODE: AUR20420

✓ VETIS FUNDED\*

## Core units

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR112	Test and repair basic electrical circuits
AURETR115	Inspect, test and service batteries

## Elective units

AURAF103	Communicate effectively in an automotive workplace
AURATA001	Identify basic automotive faults using troubleshooting processes
AURETK001	Identify, select and use low voltage electrical test equipment
AURETR013	Inspect, test and service charging systems
AURETR014	Inspect, test and service starting systems
AURETR116	Read and apply vehicle wiring schematics and drawings

## Pathway options

Certificate II in Automotive Electrical Technology AUR20420

## Apprenticeship only

Certificate III in Automotive Electrical Technology AUR30320

Certificate III in Marine Mechanical Technology AUR30520

Certificate III in Light Vehicle Mechanical Technology AUR30620

Certificate III in Heavy Commercial Vehicle Mechanical Technology AUR31120

Certificate III in Mobile Plant Technology AUR31220

Certificate III in Automotive Sales AUR31020

Certificate III in Motorcycle Mechanical Technology AUR30820

Certificate III in Outdoor Power Equipment Technology AUR30720

## Career outcomes

Automotive trade assistant, vehicle service assistant

Automotive electrician, automotive air-conditioning fitter, automotive electrical fitter, automotive manufacturing technician, automotive mechanic, automotive parts interpreter, diesel fitter, vehicle body builder

## DELIVERY & LOCATION

Face-to-face, one day a week  
\*\* Year 12 students only

Cairns  
Innisfail  
Townsville Trade Training Centre (Bohle)

\*\*Available only to Year 12 students who have successfully completed Certificate II in Automotive Vocational Preparation AUR20720 or equivalent. Cairns, Innisfail and Townsville Trade Training Centre (Bohle) students only.

Face-to-face, block training  
Year 11 and 12 students

Mount Isa

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

Due to duplication of new learning, some students may not receive the maximum available 4 QCE credits

Gain foundation skills and knowledge to service and repair electrical and mechanical systems in light or heavy vehicles. Learn how to service engines, build and solder electrical circuits, install electrical accessories, and more. Use this training as a pathway to an automotive mechanical or automotive electrical apprenticeship.

# Certificate II in Engineering Pathways

COURSE CODE: MEM20422

✔ VETIS FUNDED\*

## DELIVERY & LOCATION

**Face-to-face, one day a week**

Bowen  
Burdekin  
Cairns  
Charters Towers – DTTC

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

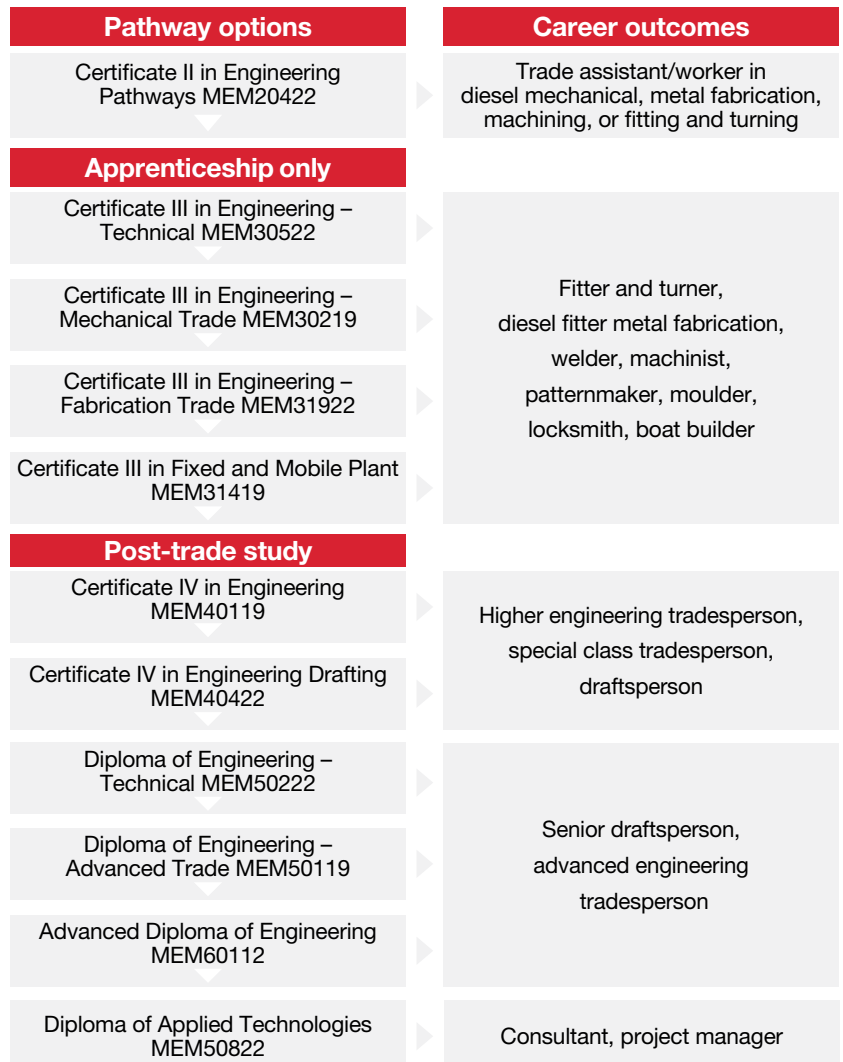

## QCE CREDITS

4 credits

This course will introduce you to the engineering trade and provide you with basic skills to operate tools and equipment to produce and modify objects. Gain basic welding skills, communication skills and use this training as a pathway to an apprenticeship in a variety of engineering fields, such as sheet metal, fabrication and diesel fitting.

Core units	
MEM13015	Work safely and effectively in manufacturing and engineering
MEMPE005	Develop a career plan for the engineering and manufacturing industries
MSMENV272	Participate in environmentally sustainable work practices
MEMPE006	Undertake a basic engineering project

Elective units**	
MEM18001	Use hand tools
MEM18002	Use power tools/hand held operations
MEMPE002	Use electric welding machines
MEMPE004	Use fabrication equipment
MEMPE007	Pull apart and re-assemble engineering mechanisms
MEMPE001	Use engineering workshop machines
MEMPE003	Use oxy-acetylene and soldering equipment
MSMSUP106	Work in a team
MEM16008	Interact with computing technology
MEM16006	Organise and communicate information
MEM11011	Undertake manual handling

# Certificate II in Plumbing Services

COURSE CODE: 11054NAT

☑ VETIS FUNDED\*

Core units	
CPCPCM2043	Carry out WHS requirements
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCCWHS1001	Prepare to work safely in the construction industry
ASBAWA201	Asbestos awareness in the construction industry
CPCPCM2046	Use plumbing hand and power tools
CPCPCM2039	Carry out interactive workplace communication
CPCPCM2045	Handle and store plumbing materials
CPCPCM2041	Work effectively in the plumbing services sector
CPCPCM2048	Cut and join sheet metal
CPCCCM2012	Work safely at heights
CPCCCM2008	Erect and dismantle restricted height scaffolding
CPCPCM2055	Work safely on roofs
CPCPCM2047	Carry out levelling
HLTAID011	Provide first aid
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCOM1015	Carry out measurements and calculations
CPCPCM2054	Carry out concreting and rendering

## Elective units

To be confirmed

Pathway options	Career outcomes
Certificate II in Plumbing Services 11054NAT	Plumbing trade assistant/worker
Apprenticeship only	Career outcomes
Certificate III in Plumbing CPC32420	Plumber, roof plumber, gas fitter, plumber (mechanical)
Certificate III in Roof Plumbing CPC32620	
Certificate III in Gas Fitting CPC32720	
Post-trade study	Career outcomes
Certificate IV in Plumbing and Services CPC40920	Plumbing contractor, fire services supervisor, specialist hydraulic designer, site supervisor – low rise, building estimator
Certificate IV in Building and Construction (Building) CPC40120	

**Students must undertake 80 hours of mandatory vocational placement to gain work experience in a plumbing workplace environment.**

## DELIVERY & LOCATION

### QCE CREDITS

4 credits

Due to duplication of new learning, some students may not receive the maximum available 4 QCE credits.

Kick start your career in sustainable energy technology and renewable energy management with this entry-level course. Successful completion of this course will put you on the path to an electrotechnology or sustainable energy apprenticeship. In this course you will discover how to provide basic sustainable energy solutions for energy reduction in residential premises. Learn how to fabricate, assemble, and dismantle electronic components, apply OH&S codes in the workplace, and promote and apply sustainable energy practices and procedures in the energy sector. Successful completion of this course will give you the basic skills and knowledge required to gain an entry-level position in any electrotechnology or sustainable energy field. This course covers the Construction Industry White Card training – an industry requirement to work on Queensland construction sites, a CPR certificate, and some units needed for Stage 1A of an electrical apprenticeship.

## Certificate II in Sustainable Energy

(CAREER START)

COURSE CODE: UEE22120

✔ VETIS FUNDED\*

Students will be required to meet high language, literacy and numeracy (LLN) standards to gain entry into this program. A LLN assessment will be required at the time of application.

### Core units

UEERE0001	Apply environmentally and sustainable procedures in the energy sector
UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
UEERE0021	Provide basic sustainable energy solutions for energy reduction in residential premises
UEECD0043	Solve problems in direct current circuits
UEERE0020	Promote sustainable energy practices in the community

### Elective units

CPCWHS1001	Prepare to work safely in the construction industry
HLTAID009	Provide cardiopulmonary resuscitation
UEECD0019	Fabricate, assemble and dismantle utilities industry components
UEECD0020	Fix and secure electrotechnology equipment
UEECD0052	Use routine equipment/plant/technologies in an energy sector environment
UEECD0033	Produce products for carrying out energy sector work activities

### Pathway options

Certificate II in Sustainable Energy (Career Start) UEE22120

### Apprenticeship only

Certificate III in Electrotechnology (Electrician) UEE30820

Certificate III in Air-conditioning and Refrigeration UEE32220

### Post-trade study

Certificate IV in Hazardous Areas – Electrical UEE42622

Certificate IV in Industrial Automation and Control UEE43220

Certificate IV in Electrical – Instrumentation UEE40420

Diploma of Electronics and Communications Engineering UEE50520

Diploma of Air-conditioning and Refrigeration Engineering UEE51220

### Career outcomes

Enhanced opportunity to gain apprenticeship

### Career outcomes

General electrician, electronics and communications tradesperson, electrical instrumentation tradesperson, air-conditioning and refrigeration, electrical fitter

### Career outcomes

Electrical fitter, electrician – special class, installation technician, industrial automation and control technician, electrical instrumentation tradesperson

Technical officer specialising in electrical, engineering, instrumentation and control, electronics and communications, or refrigeration and airconditioning

# Certificate II in Electrotechnology

(CAREER START)

COURSE CODE: UEE22020

## ✓ VETIS FUNDED\*

Students will be required to meet high language, literacy and numeracy (LLN) standards to gain entry into this program. A LLN assessment will be required at the time of application.

## QCE CREDITS

4 credits

Explore a range of exciting possibilities with this entry-level qualification and build foundation skills for your future in a variety of fields including electronic design, programming, or industrial design.

# Certificate II in Autonomous Technologies

COURSE CODE: 10935NAT

✔ VETIS FUNDED\*

## Core units

ICTPRG302	Apply introductory programming techniques
MSMSUP390	Use structured problem-solving tools
MSMWHS200	Work safely
NAT10935001	Work effectively in autonomous environments
NAT10935002	Handle technical communication in autonomous environments
NAT10935003	Design basic fluid power logic diagrams for autonomous systems
NAT10935004	Design basic logic ladder diagrams for autonomous electric control circuits
NAT10935005	Produce a documentation suite for autonomous systems
NAT10935006	Configure autonomous embedded systems
NAT10935007	Prepare basic programs for programmable logic controllers (PLCs) for autonomous applications
NAT10935008	Use basic positioning technology
NAT10935009	Conduct a basic autonomous technology project
VU22324	Build a simple network and establish end to end connectivity
VU22338	Configure and program a basic robotic system

## Elective units

ICTNWK308	Determine and action network problems
MSMWHS201	Conduct hazard analysis

## Pathway options

Certificate II in Autonomous Technologies  
10935NAT

Certificate II in Engineering Pathways  
MEM20422

Certificate III in Information Technology  
ICT30120

## Career outcomes

Junior technician  
Junior engineering technician

Engineering apprentice

Help desk officer, network support officer, ICT technician

**\*\*Students will have self-directed learning to complete outside of class times including practical activities, reading, practice and internet research, watching videos and online tutorials.**

**Students will also be required to attend two x five-day intensive training blocks on campus scheduled in the June/July (block 1) and September (block 2) school holidays.**

# Certificate II in Resources and Infrastructure

## QCE CREDITS

4 credits

Kick start a career in mining and civil construction with this entry-level course. This course is a pathway to further study and will equip you with basic skills to work in the industry. Gain hands-on skills in a range of duties including identifying environmental and heritage concerns and conducting local risk controls.

### Core units

RIICOM201E	Communicate in the workplace
RIIENV201E	Identify and assess environmental and heritage concerns
RIIRIS201E	Conduct local risk control
RIIWHS201E	Work safely and follow WHS policies and procedures

### Elective units

To be confirmed

#### Pathway options

Certificate II in Resources and Infrastructure Work Preparation  
RII20120

#### Career outcomes

Civil construction general hand,  
civil construction hand construction  
labourer – civil, general hand

#### Apprenticeship only

Certificate III in Civil Construction  
Plant Operations  
RII30820

Civil construction plant operator,  
earthmoving operator,  
general civil construction worker

Certificate III in Civil Construction  
(Road Construction and Maintenance)  
RII30919

Road construction worker

Certificate IV in Work Health  
and Safety BSB41419

Work health and safety (WHS)  
systems officer,  
WHS coordinator

Certificate IV in  
Civil Construction Supervision  
RII40720

Project leader,  
project team leader,  
project manager

Diploma of Project Management  
BSB50820

Civil construction supervisor,  
building associate

Diploma of Work Health and Safety  
BSB51319

Work health and safety inspector,  
work health and safety manager,  
occupational health and safety advisor

## DELIVERY & LOCATION

Face-to-face, one day a week

Cairns

Townsville Trade Training Centre (Bohle)

Charters Towers - DTTC

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

3 credits

Build a career in carpentry with this pre-apprenticeship course. Gain basic skills and learn to read and interpret plans, measure and calculate. Use construction tools and materials to undertake a basic construction project. Construction Industry White Card training is also delivered in this course, which is an industry requirement for you to work on a Queensland construction site.

# Certificate I in Construction

COURSE CODE: CPC10120

✔ VETIS FUNDED\*

## Core units

CPCCVE1011	Undertake a basic construction project
CPCCCM1011	Undertake basic estimation and costing
CPCCCM2005	Use construction tools and equipment
CPCCOM1013	Plan and organise work
CPCCCM2004	Handle construction materials
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCOM1012	Work effectively and sustainably in the construction industry

## Elective units

To be confirmed

Pathway options	Career outcomes
Certificate I in Construction CPC10120	Enhanced opportunity to gain apprenticeship
Apprenticeship only	
Certificate III in Carpentry CPC30220	Carpenter, joiner, bricklayer, blocklayer, painter and decorator, gasfitter, drainer, plumber
Certificate III in Bricklaying/Blocklaying CPC33020	
Certificate III in Painting and Decorating CPC30620	
Certificate III in Plumbing CPC32420	
Post-trade study	Career outcomes
Certificate IV in Building and Construction (Building) CPC40120	Trade contractor, estimator, builder – low rise, site supervisor – low rise
Certificate IV in Building and Construction (Estimating) CPC40320	
Diploma of Building Design CPC50921	Building designer, consultant, builder – medium and low rise, site supervisor – medium and low rise, office manager, contract administrator
Diploma of Building and Construction (Building) CPC50220	
Diploma of Building and Construction (Management) CPC50320	Builder – open, site supervisor – open, senior office manager

# Certificate II in Furniture Making Pathways

COURSE CODE: MSF20522

✔ VETIS FUNDED\*

## Core units

MSMENV272	Participate in environmentally sustainable work practices
MSMPC1103	Demonstrate care and apply safe practices at work
MSFGN2001	Make measurements and calculations
MSFFP2001	Undertake a basic furniture making project
MSFFP2002	Develop a career plan for the furnishing industry

## Elective units

To be confirmed

Pathway options	Career outcomes
Certificate II in Furniture Making Pathways MSF20522	Furniture making trade assistant/worker
Apprenticeship Only	Career outcomes
Certificate III in Cabinet Making MSF31113	Cabinet maker, furniture finisher, wood machinist
Certificate III in Furniture Finishing MSF30113	
Certificate III in Timber and Composites Machining MSF30313	

## DELIVERY & LOCATION

Face-to-face, one day a week

Burdekin

Townsville Trade Training Centre (Bohle)

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

Kick start your career in the furnishing industry with this entry-level course. Gain a broad range of skills on how to select and use appropriate tools, equipment and materials to produce simple pieces of furniture and prepare for cabinet installation. Use this training as a pathway to an apprenticeship in cabinet making.

### DELIVERY & LOCATION

Face-to-face, one day a week

Innisfail  
Great Barrier Reef International  
Marine College, Cairns

Face-to-face, block training

Thursday Island

### DURATION

4 terms

### \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies.

Refer to page 10 of this guide for more information.

### QCE CREDITS

4 credits

Get a head start on your maritime career with this entry-level course. Gain skills to operate a commercial vessel up to 12m long. Learn how to maintain auxiliary marine engine systems, plan and navigate a passage and operate inboard and outboard motors.

# Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal)

COURSE CODE: MAR20321

☑ VETIS FUNDED\*

### Core units

HLTAID011	Provide first aid
MARB027	Perform basic servicing and maintenance of main propulsion unit and auxiliary systems
MARC037	Operate inboard and outboard motors
MARC038	Operate main propulsion unit and auxiliary systems
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
MARH013	Plan and navigate a passage for a vessel up to 12 metres
MARI003	Comply with regulations to ensure safe operation of a vessel up to 12 metres
MARJ006	Follow environmental work practices
MARK007	Handle a vessel up to 12 metres
MARN008	Apply seamanship skills aboard a vessel up to 12 metres

The Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20321 qualification is issued by TAFE Queensland and will be awarded at the completion of successful study. However in order to actually 'work' on a commercial vessel, students must obtain a Certificate of Competency from the Australian Maritime Safety Authority (AMSA).

Please note this Certificate of Competency is optional and only required if you wish to work in the maritime industry and it is the responsibility of the student as there are a number of components related to the application.

This application must be submitted to AMSA within 12 months of the issue date on your AMSA Mandated Practical Assessment (AMPA) issued by TAFE Queensland at the completion of successful studies. Additional information will be provided on application.

Pathway options	Career outcomes
Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20321	Deckhand/Master of vessels up to 12m
Certificate III in Maritime Operations (Master up to 24m Near Coastal) MAR30921	Master of vessels up to 24m
Certificate IV in Maritime Operations (Master up to 45m Near Coastal) MAR40320	Mate/Master of vessels up to 45m

# Certificate II in Aircraft Line Maintenance

COURSE CODE: MEA20518

✓ VETIS FUNDED\*

## Core units

MEA107	Interpret and use aviation maintenance industry manuals and specifications
MEA117	Apply self in the aviation maintenance environment
MEA119	Perform administrative processes to prepare for certification of civil aircraft A level line maintenance
MEA154	Apply work health and safety practices in aviation maintenance
MEA155	Plan and organise aviation maintenance work activities
MEA156	Apply quality standards during aviation maintenance activities
MEA157	Complete aviation maintenance industry documentation
MEA158	Perform basic hand skills, standard trade practices and fundamentals in aviation maintenance
MEA264	Remove and install aircraft electrical/avionic components during line maintenance
MEA265	Remove and install general aircraft electrical hardware
MEA295	Use electrical test equipment to perform basic electrical tests on aircraft components
MEA344	Remove and install aircraft components
MEA418	Perform basic repair of aircraft internal fittings during line maintenance
MSMENV272	Participate in environmentally sustainable work practices

## Elective units

MEA345	Perform scheduled line maintenance activities on gas turbine engine fixed wing aircraft
--------	---

### Pathway options

Certificate II in Aircraft Line Maintenance MEA20518

Apprenticeship

### Career outcomes

Perform a range of specified maintenance tasks on aircraft

Aircraft Maintenance Engineer (AME), Licenced Aircraft Maintenance Engineer (LAME)

## How to apply

To submit an application for this Aviation course, visit [www.tafeapply.com](http://www.tafeapply.com)

**Applications open 12 AUGUST 2024** and your application code is **AA2501**. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to [www.usi.gov.au](http://www.usi.gov.au) to get one.

**Programs with insufficient student applications will not be delivered.**

## DELIVERY & LOCATION

Face-to-face, one day per week  
Years 10 and 11  
Aviation Australia, Cairns Airport

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

4 credits

## ENTRY REQUIREMENTS

Latest school report card, Queensland residency (at the time of enrolment) and Australian or New Zealand citizenship or permanent residency.

The school to work pathway allows school students to take the first step to a career within the aviation industry. The Certificate II in Aircraft Line Maintenance (MEA20518) provides the basic level knowledge and skills required to perform a range of specified maintenance tasks on aircraft on a flight line or at the departure gate. After you finish the course, you will be well prepared for any further study or vocational training, including aircraft maintenance engineering.

## DELIVERY & LOCATION

Face-to-face, 1.5 days per fortnight

Years 10, 11 and 12

Aviation Australia, Cairns Airport

## DURATION

4 terms

## \*FEES

There is no cost to students or the school for the first qualification.

Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 10 of this guide for more information.

## QCE CREDITS

6 credits

## ENTRY REQUIREMENTS

Year 9 Mathematics and English (with minimum C grade or higher)

This training provides extra flying that places the student in several workplace scenarios that go far beyond normal RePL training. These scenarios allow students to experience real-life job tasks under the guidance of experienced unmanned pilots. The scenarios will take the student from initial flight and risk management planning, through to flying the task, and reviewing the quality of their work after landing. The course introduces aerial photography and mapping techniques, which isn't covered in a normal remote pilot course. There is also a strong focus on developing the student's non-technical skills, such as communication, teamwork, decision making and situational awareness. In addition to the Certificate III in Aviation (Remote Pilot) vocational qualification, course participants will be offered the opportunity to gain Civil Aviation Safety Authority (CASA) licences – the **Remote Pilot Licence (RePL)** and **Aeronautical Radio Operator's Certificate (AROC)\***.

# Certificate III in Aviation (Remote Pilot)

COURSE CODE: AVI30419

☑ VETIS FUNDED\*

## Core units

AVIF0021	Manage human factors in remote pilot aircraft systems operations
AVIH0006	Navigate remote pilot aircraft systems
AVIW0004	Perform operational inspections on remote operated systems
AVIW0028	Operate and manage remote pilot aircraft systems
AVIY0023	Launch, control and recover a remotely piloted aircraft
AVIY0031	Apply the principles of air law to remote pilot aircraft systems operations
AVIY0052	Control remote pilot aircraft systems on the ground
AVIY0053	Manage remote pilot aircraft systems energy source requirements
AVIZ0005	Apply situational awareness in remote pilot aircraft systems operations

## Elective units

AVIE0003	Operate aeronautical radio
AVIG0003	Work effectively in the aviation industry
AVIY0027	Operate multi-rotor remote pilot aircraft systems
AVIW0006	Perform infrastructure inspections using remote operated systems
AVIW0007	Perform aerial mapping and modelling using remote pilot aircraft systems

## Pathway options

Certificate III in Aviation  
(Remote Pilot)  
AVI30419

Remote Pilot Licence (RePL)

Aeronautical Radio  
Operator Certificate (AROC)

## Career outcomes

Inspection, monitoring,  
photography and filming,  
design and engineering,  
aerial mapping,  
agriculture,  
disaster management

A CASA requirement to use  
aviation VHF radios, which  
are needed when flying near  
aerodromes and helipads

Students will need to bring their own laptop and 32GB USB. CASA Aeronautical Radio Operators Certificate (AROC)\* is a CASA requirement to use aviation VHF radios, which are needed when flying near aerodromes and helipads. \*(Will be issued when student is 17, subject to CASA approval).
