

Advanced Standing – Credit Precedent

HED001 – Associate Degree in Civil Engineering

Credit Precedent – This information is for all applicants applying for entry into the TAFE Queensland Associate Degree in Civil Engineering course. The following qualifications/Units of Study have been granted advanced standing as follows:

Qualification / Unit of Study	Provider Name	Volume of Credit	Exempted Unit/s
HED006 – Undergraduate Certificate in Civil Engineering Fundamentals	TAFE Queensland	4 specified units (40CP)	CEA1111, CEA1112, CEA1113, CEA1114,

Documentation

Applicants who acquired qualifications from a provider, other than TAFE Queensland, must include certified copies of academic transcripts and award certificates to help demonstrate their eligibility for advanced standing via credit transfer. Applicants with the relevant vocational qualification will automatically have their advanced standing applied as per the above table.
