

HED001 Associate Degree in Civil Engineering – Credit Precedent Fact Sheet

This information is for **all applicants** applying for entry into the TAFE Queensland Associate Degree in Civil Engineering course. The following qualifications / units have been granted advanced standing as follows:

Qualification/Unit	Details	Name of Provider	Amount of credit to be granted	Exempted Units
HED006	Graduate Certificate In Civil Engineering Fundamentals	TAFE Queensland	4 Units (40CP)	CEA1111, CEA1112, CEA1113, and either CEA1114 or CEA1216

^ Prior versions of the above qualifications / units may be considered on a case by case basis.

Documentation

Applicants who acquired qualifications from a provider, other than TAFE Queensland, must include certified copies of academic transcripts and award certificates to help demonstrate their eligibility for advanced standing (credit).

Applicants with a relevant TAFE Queensland qualification will automatically have their advanced standing applied as per the above table.
