HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Now a component of almost every career!

Project Management is a crucial capability in a changing world. Learn scope, time management, project costing, quality, risk management, human resources and communication management.

This qualification reflects the role of individuals working in a variety of roles within management who have a sound theoretical knowledge base in management and demonstrate a range of managerial skills to ensure that management functions are effectively conducted in an organisation or business area.

This course is an excellent complement to almost any other qualification.
