Craft a career in cabinet making

If you’re the kind of person who gets real satisfaction crafting something of value with your own two hands, a career as a cabinet maker will tick all the boxes for you. As a Cabinet Maker you will make and assemble furniture from solid timber, flat-panel or timber-based products. With our Certificate III you can specialise in particular areas such as reproduction of antique furniture, kitchen fittings, bedroom suites, office furniture, dining suites, shop fittings and occasional furniture.

Please note there are two streams within this qualification, a Furniture...
