HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Get a head start on your construction career while still at school

If you know your future lies in the construction industry and you just can’t wait to get started on your career, this school-based Certificate is the perfect study option for you. On this pathway program, you’ll learn how to use basic tools and equipment and get hands-on training in essential construction techniques. Designed as a pre-apprenticeship study option, this course will get you ‘job-ready’ for a career in construction.
