HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Give your career a boost

This program targets workers in the water industry looking to establish career options through building a base of technical and industry skills by working in diverse roles and environments. This nationally recognised program will give you the skills to competently and safely work in the water industry.

Specialisation options exist for operators and associated personnel who typically work under direct supervision at fairly basic water and wastewater operations. TAFE Queensland East Coast offers a General and Treatment specialisation for this course which can be discussed...
