

# FM 147 B Higher Education Advanced Standing – Credit Transfer Application

**Note:** This form is to be used by current higher education students when applying for credit transfer from previous studies.

Completion of this form does not guarantee you credit towards your course. If there is insufficient information or if your qualifications are older than 10 years, your application for credit may be refused.

## APPLICATION FOR CREDIT TRANSFER – ABOUT THIS FORM (PLEASE COMPLETE ALL QUESTIONS AND SECTIONS)

This form should be used by TAFE Queensland higher education students seeking credit transfer for units of study in TAFE Queensland higher education courses.

When applying for credit transfer, an original or certified true Copy/Copies of your academic results and unit syllabus (unit synopsis/overview, graded assessment, textbooks used) for the year the unit was studied is required for all Units of Study that have not been completed at TAFE Queensland. Credit for unit(s) of study that have been awarded by another provider cannot be re-used as credit into a TAFE Queensland higher education course i.e. a credit for a unit which was originally credited at the Queensland University of Technology **cannot** form the basis for a credit of a unit at TAFE Queensland. TAFE Queensland would need to see the original evidence for the unit of study that the credit transfer is being sought.

You will receive written notification from your faculty regarding the outcome of your credit application. Applicants should enrol in units of study with the assumption that credit has not been granted until notified otherwise. I.e. a student **will not** be able to enrol in Unit(s) of Study that require completion of the unit that is the subject of a Credit Transfer Application.

### Time Limits

Please note that formal study/qualifications undertaken 10 or more years ago **will not** be considered for credit transfer.

### Credit Transfer Limits

The maximum credit allowed towards an award will be determined by the minimum amount required of a student to complete the award at TAFE Queensland, where the amount is:

- Unique to the award, having not been used towards the completion of another award; and
- Made up of units or components undertaken as part of the student's enrolment at TAFE Queensland.

TAFE QUEENSLAND Award Length	Minimum Requirement	Application
<b>Less than 3 years full time</b>	Student must complete a minimum of the equivalent of 50% of the total credit point load of the Award at TAFE Queensland	<i>Units in an award are 10 credit points each unless otherwise specified.</i>
<b>3 years full time</b>	Student must complete a minimum of the equivalent of 1 full time year of the Award at TAFE Queensland	<i>e.g. Student must complete 80 credit points of the Award at TAFE Queensland</i>
<b>4 years full time</b>	Student must complete a minimum of the equivalent of 1.5 full time years of the Award at TAFE Queensland	<i>e.g. Student must complete 120 credit points of the Award at TAFE Queensland</i>

### Visa Compliance for Onshore International Students

Onshore international students are required to complete their studies within the expected program duration and undertake the required study load each semester (unless you have received an approved reduced study load). If you are granted a credit transfer or RPL for a number of units, this may change your expected course duration and TAFE Queensland is required to advise the Department of Home Affairs – Immigration

# HIGHER EDUCATION CREDIT TRANSFER MAPPING FOR UNIT EQUIVALENCE

**Note to TAFE Queensland Staff:** For credit transfers, there must be at least a 75% equivalency match or multiple units may match to one TAFE Queensland unit. The equivalency mapping is undertaken against the **learning outcomes and volume of learning** for each unit that the applicant is seeking credit for. This mapping must be attached to the application for credit transfer. If there is no demonstrable equivalency of a minimum of 75%, then RPL should be recommended. Qualifications supplied by the applicant must not be greater than 10 years old and must not be a credit of a credit for a unit. Refer to PR 147 Credit Transfer and Articulation.
