| Achievements                                                     | In 2018-19, the Board held 10 ordinary meetings, 5 special meetings and 7 committee meetings. The Board travelled to the Acacia Ridge, Cairns, Mt Gravatt and Southbank campuses and the Aviation Australia Eagle Farm campus. While travelling, the Board hold a regular meeting and meet with industrial representatives, employers, staff, students and the wider community.  In 2018-19, the Board were delighted to appoint Ms Mary Campbell as the Chief Executive Officer of the Community of the Chief Executive Officer of the Chief E |                                           |                                |                                         |                                                  |                       |  |  |  |
|                                                                  | TAFE Queensland from 1 July 2018. The Board has worked with the CEO over the last year to maintai oversight of key projects including the implementation of the Student Management System and the Australian Skills Quality Authority (ASQA) re-registration process.  The Board worked with the Department of Employment, Small Business and Training (DESBT) to confirm the appointments of Mr Peter Dowling, Ms Karen White and Ms Deborah Wilson to the Aviation Australia Board. Over the past year, the TAFE Queensland Board has worked with the Aviation Australia Board to further streamline governance processes and will continue to work together to leverag commercial opportunities.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                           |                                |                                         |                                                  |                       |  |  |  |
|                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                           |                                |                                         |                                                  |                       |  |  |  |
| Financial reporting                                              | TAFE Queensland is not exempted from audit by the Auditor-General. Transactions of the entity are accounted for in the financial statements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                           |                                |                                         |                                                  |                       |  |  |  |
