

HIGHER LEVEL SKILLS PROGRAM

The Construction Skills Queensland (CSQ) Higher Level Skills program helps career seekers and existing workers in the building and construction industry to gain new skills and knowledge to progress their career. Certificate IV and higher level vocational training qualifications are available under this program.

HOW DOES IT WORK

CSQ funding is paid directly to TAFE Queensland. You may be required to contribute towards the remaining course fees.

If you are interested in a course, contact us to find out more.

ELIGIBILITY

To be eligible for funding, participants must be eligible existing workers (including relevant clerical, administration and professional staff) or unemployed eligible workers (i.e. unemployed for 6 months or less) in the building and construction industry and one of the following:

- Australian or New Zealand citizen
- a permanent resident of Australia
- hold a refugee or humanitarian visa

3rd and 4th year building and construction apprentices are eligible to receive funding for general construction qualifications under this program. Additional eligibility requirements may apply. Please speak with your TAFE Queensland representative.

TAFE Queensland is proud to support CSQ and their ongoing financial and professional contribution to the Queensland building and construction industry.

The Higher Level Skills program is an initiative of Construction Skills Queensland.
