STUDY OPTIONS

GET STARTED AT TAFE QUEENSLAND
TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It’s a big statement, but one that’s backed by research and confirms our impressive track record. We’ve been in the business of training for more than 130 years and have trained more than seven million people. At last count, we had more students than all of the Queensland universities combined. TAFE Queensland’s award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We have more than 400 practical, nationally-recognised qualifications for you to choose from, and hundreds of university pathways to take you even further.

GET A HEAD START WITH A TAFE AT SCHOOL COURSE
Most Year 10, 11 and 12 students are eligible to participate in a TAFE at School program. You can choose to study from more than 50 exciting and varied certificate level vocational education and training (VET) courses. Best of all, a TAFE at School certificate can be achieved in conjunction with your senior studies and counts towards your Queensland Certificate of Education (QCE).

TAKE AT SCHOOL IS A GREAT WAY TO:
- Get a qualification while still at school
- Gain access to our diploma courses
- Gain valuable credits towards your QCE
- Gain credits towards an apprenticeship, diploma course or university studies
- Get work ready
- Build practical skills in an adult learning environment
- Learn from professionals, bursting with current industry knowledge.

Enrolment is subject to eligibility requirements. Please visit our website or contact our TAFE at School team for details.

INDUSTRY EXPERIENCE
Some TAFE at School programs require students to undertake work placements, or in some instances to work in the industry. This gives students the opportunity to build their skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement.

FLEXIBLE STUDY OPTIONS
TAFE Queensland offers flexible study options so you can gain a vocational qualification while you’re still at school in a way that best suits you.

TRAIN AT TAFE QUEENSLAND
TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-relevant workspaces and classrooms. All training is delivered in an adult learning environment so you’ll get a taste of what it’s like to study in a higher education setting. You’ll learn from our highly-qualified teachers and benefit from their vast experience.

TRAIN AT SCHOOL
Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP
TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you’re still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us. School-based apprentices and trainees do not pay fees for training at TAFE Queensland; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time Apprentice or Trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit training.qld.gov.au/apprenticeshipsinfo.
"I have always loved being with children and had been considering a career in childcare. Enrolling in the TAFE at School program meant I could dip my toe into the industry, to test it out and see if it was a good fit."

THERE ARE PLENTY OF WAYS TO LAND YOUR DREAM CAREER, SO WHY NOT GIVE YOURSELF A HEAD-START AND FAST-TRACK YOUR STUDIES IN THE PROCESS?

When you study a TAFE at School course, you are taking the first step on your path to higher education.

Once you complete your TAFE at School certificate, you may be eligible for entry into any of TAFE Queensland’s diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree.
THE NEXT STEP

BECOME AN APPRENTICE OR TRAINEE

Our courses offer the perfect way for you to get the skills you need to secure an apprenticeship or traineeship in your dream career.

Applying for an apprenticeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees.

Visit an Apprenticeship Network Provider (ANP) to help connect you with an employer.

Studying a TAFE at School pre-apprenticeship program can boost your chances of landing your dream job.

Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract direct with TAFE Queensland.

ENROL IN A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

When you complete your TAFE at School qualification, you can continue your study in a TAFE Queensland diploma of your choice.

It’s as simple as getting in contact with us and letting us know which course you want to study. Check out our website to see our full range of courses, from certificates through to diplomas and degrees.

GO TO UNIVERSITY

When you complete your diploma, our partnerships with local universities can help secure you a place in a bachelor degree. It’s a seamless study experience that offers you the chance to do uni differently.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia’s top universities. This means your university gives you credit for your study at TAFE Queensland, shaving time off your degree.
