STUDY AREAS

WHETHER YOU DREAM OF A CAREER IN HEALTH OR HOSPITALITY, ENGINEERING OR ELECTROTECHNOLOGY, CONSTRUCTION OR COMMUNITY SERVICES, TAFE QUEENSLAND HAS THE COURSE OPTIONS TO KICK START YOUR CAREER.

AUTOMOTIVE

Rev up your career with a course in automotive. Learn about cars, engines, and vehicle components, and set yourself on the path to becoming a professional mechanic.

BEAUTY AND HAIRDRESSING

The beauty and hairdressing industry can be highly competitive, so our qualifications are designed to meet industry needs with real-world experience and purpose-built facilities. Use these skills to launch your career in retail, skin care, make-up or hair styling.

CONSTRUCTION

Develop basic skills in carpentry such as learning to read and interpret plans and specifications, use construction tools and equipment and achieve the foundation skills for a wide range of occupations.

HOSPITALITY & COOKERY

Feel the rush of working in a fast-paced industry whether it is in the front of a restaurant or behind the scenes in a commercial kitchen. Gain skills to work anywhere in the world.

TOURISM

Calling on all nurturers and carers who have a passion for health. Training in this industry will open doors to a rewarding career in one of Australia’s fastest-growing sectors.

FURNITURE MAKING

Gain practical hands-on skills, learn how to create pieces of wooden furniture and increase your prospects of gaining an apprenticeship in Cabinet Making or Furniture Making.

PLUMBING

With a strong focus on safe plumbing practices, increase your prospects for a career in the plumbing industry by developing skills with this pre-apprenticeship course.

COMMUNITY SERVICES

Make a difference with a career in community services. You will work to promote safety and well-being of children, families and at risk members of the community.

PROGRAMS BY LOCATION

If location is key for you, search for courses offered by campus location.

TAFE AT SCHOOL | 3
GET MORE OUT OF HIGH SCHOOL WITH OUR TAFE AT SCHOOL PROGRAMS

If you’re a year 10*, 11 or 12 student you can complete a TAFE Queensland qualification while you’re still at school. Choose from a variety of certificate I to certificate III courses with study areas ranging from health to hospitality, community services to construction, and everything in between.

*Subject to a letter of support from the school principal.

HOW TO APPLY
To submit an application for a TAFE at School Program, visit www.tafeapply.com. You’ll need this application code (TQN1901) to apply. You will also need your USI number. If you don’t have one yet, head to www.usi.gov.au to create one.

PRACTICAL EXPERIENCE

“It was good to finish high school with hands-on skills and basic industry knowledge, it gave me options.”

“I would recommend TAFE at School for sure, it gives you some knowledge and hands-on skills that not everyone has coming out of high school.”

Harvey Phillips
Certificate II in Engineering Pathways
GET STARTED AT TAFE QUEENSLAND
TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It’s a big statement, but one that’s backed by research and confirms our impressive track record. We’ve been in the business of training for more than 130 years and have trained more than seven million people. At last count, we had more students than all the Queensland universities combined. TAFE Queensland’s award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We have more than 400 practical, nationally-recognised qualifications for you to choose from, and hundreds of university pathways to take you even further.

GET A HEAD START WITH A TAFE AT SCHOOL PROGRAM
Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

TRAIN AT TAFE QUEENSLAND
TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-relevant workspaces and classrooms. At training is delivered in an adult learning environment so you’ll get a taste of what it’s like to study in a higher education setting. You’ll learn from our highly-qualified teachers and benefit from their vast experience.

TRAIN AT SCHOOL
Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP
TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

WHAT DOES IT COST?
Costs vary course to course. Please check our website for more up-to-date prices. A range of TAFE at School courses are fee-free for eligible students, covered under VET in Schools (VETiS) funding. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past. For further information, please refer to the VETiS section of training.qld.gov.au.

Eligible students are entitled to one VETiS funded program only.

PAYMENT OPTIONS
Payment plans may be available to assist students with payment of their course, however, students under 18 will need a guarantor. Applications will be subject to credit checks. For information about our withdrawal and refund policy, please visit the TAFE Queensland website.

STUDENT SUPPORT
At TAFE Queensland we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school’s student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE Queensland environment.

When you study a TAFE at School course, you are taking the first step on your path to higher education. Once you complete your TAFE at School certificate, you are guaranteed a place in any of TAFE Queensland’s diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree. It’s a seamless study experience that offers you the chance to do uni differently.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia’s top universities. This means your university gives you credit for your study at TAFE Queensland, shaving time off your degree.

When you complete your TAFE at School qualification, you can continue your study in a TAFE Queensland diploma of your choice. It’s as simple as getting in contact with us and letting us know which course you want to study. Check out our website to see our full range of courses, from certificates through to diplomas and degrees.

Applying for an apprenticeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees.

Visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Studying a TAFE at School pre-apprenticeship can boost your chances of landing your dream job. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract direct with TAFE Queensland.

BECOME AN APPRENTICE OR TRAINEE

Our trades courses offer the perfect way for you to get the skills you need to secure an apprenticeship or traineeship in your dream career.

When you study a TAFE at School course, you are taking the first step on your path to higher education. Once you complete your TAFE at School certificate, you are guaranteed a place in any of TAFE Queensland’s diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree.
**PARTNERSHIP WITH SCHOOLS PROGRAM**

TAFE Queensland’s Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland award on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact the TAFE at School team.

**TRAINING FOR SCHOOL TEACHERS**

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II programs relevant to the delivery of TAFE at School programs, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing trade-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

**CONTACT US**

For more information about partnerships, please contact our TAFE at School team.

CERTIFICATE II IN AUTOMOTIVE ELECTRICAL TECHNOLOGY COURSE CODE: AUR20416

CORE UNITS

AURAEAD02 Follow environmental and sustainability best practice in an automotive workplace
AURASA02 Follow safe working practices in an automotive workplace
AURITR026 Solder electrical wiring and circuits
AURITR027 Apply knowledge of automotive electrical circuits and wiring systems
AURITR028 Remove and replace electrical units and assemblies
AURITR029 Install vehicle lighting and wiring systems
AURITR11 Install basic auxiliary electrical systems and components
AURITR12 Test and repair basic electrical circuits
AURITR15 Inspect, test and service batteries

*Elective units to be confirmed

PATHWAY OPTIONS

Certificate II in Automotive Electrical Technology (May be completed as a TAFE Queensland program or traineeship)

CAREER OUTCOMES

Automotive trade assistant, vehicle service assistant

APPRENTICESHIP ONLY

Certificate III in Automotive Drive Train Technology

CAREER OUTCOMES

Automotive electrician, automotive air-conditioning fitter, automotive electrical fitter, automotive manufacturing technician, automotive mechanic, automotive parts interpreter, diesel fitter, vehicle body builder

Certificate III in Automotive Manufacturing Technical Operations Bus, Truck and Train

Certificate III in Heavy Commercial Trade Technology

Certificate III in Light Vehicle Mechanical Technology

Certificate IV in Automotive Mechanical Diagnosis

Certificate V in Automotive Mechanical Diagnosis

QCE CREDITS

4 credits

DELIVERY AND CAMPUS

Face to face, one day per week
Cairns, Townsville Trade Training Centre, Bohle

Face to face, block training
Mount Isa

DURATION

4 terms

FEES

No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

TAKE GREAT HAPPEN MAKE

For more information and eligibility requirements, please visit tafeqld.edu.au or call us on 1300 308 233.

LEARN AUTOMOTIVE

Learn the skills to perform a range of tasks related to the service and repair of electrical and mechanical systems in light or heavy vehicles. Gain hands-on experience in the servicing of engines, building and soldering electric circuits, balancing wheels and tyres, installing electrical accessories and performing other electrical and mechanical tasks. This course will equip you with skills to enter an apprenticeship in either automotive mechanical or automotive electrical.

- Certificate II in Electrotechnology (Career Start)
- Certificate III in Appliance Service
- Certificate III in Electrotechnology – Systems Electrician
- Certificate IV in Hazardous Areas – Electrical
- Certificate IV in Industrial Automation and Control
- Diploma of Electronics and Communications Engineering
- Diploma of Instrumentation and Control Engineering
- Diploma of Air-conditioning and Refrigeration Engineering
- Advanced Diploma of Electrical – Engineering
- Advanced Diploma of Electronics and Communications Engineering

**PATHWAY OPTIONS**

- Certificate II in Engineering Pathways
- Certificate II in Engineering (Traineeship)

**APPRENTICESHIP ONLY**

**CAREER OUTCOMES**

General electrician, electronics and communications tradeperson, electrical instrumentation and refrigeration, electrical fitter

**PATHWAY OPTIONS**

- Certificate II in Engineering – Fabrication Trade
- Certificate II in Engineering – Mechanical Trade
- Certificate II in Engineering – Production Systems
- Certificate III in Locksmithing
- Certificate II in Marine Craft Construction
- Certificate IV in Engineering Drafting
- Diploma of Engineering – Technical
- Diploma of Engineering – Advanced Trade
- Advanced Diploma of Engineering

**APPRENTICESHIP ONLY**

**CAREER OUTCOMES**

- Entry level draftsman
- Higher engineering tradesperson, special class tradesperson draftsman
- Senior draftsman, advanced engineering tradesperson
- Consultant, project manager

**ENGINEERING**

**APPRENTICESHIP ONLY**

**CAREER OUTCOMES**

- Entry level draftsman
- Higher engineering tradesperson, special class tradesperson draftsman
- Senior draftsman, advanced engineering tradesperson
- Consultant, project manager

**UNIVERSITY PATHWAYS**

Increase your employability in the engineering industry. This course will introduce you to the engineering trade and provide you with basic skills to operate tools and equipment to produce and modify objects. This is a great starting point for anyone who wants to pursue a career in any engineering field.
DELIVERY AND CAMPUS
Face to face, one day a week
Atherton,
Burdekin,
Cairns,
Charters Towers,
Townsville, Pimlico,
Face to face, block training
Mount Isa,
Thursday Island

DURATION
4 terms

FEES
No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

QCE CREDITS
4 credits

VOCATIONAL PLACEMENT
This is a requirement of this qualification.

Healthy career aspirations?
Careers in health care can be a rewarding experience, with multiple pathways and exciting opportunities. This qualification may be used as a pathway for workforce entry as a health care professional, who provides support services in the health care industry.

HEALTH
CERTIFICATE II IN HEALTH SUPPORT SERVICES
COURSE CODE: HLT23215

CORE UNITS
- CHCCOM005 Communicate and work in health or community services
- CHCIV001 Work with diverse people
- HLLTINF001 Comply with infection prevention and control policies and procedures
- HLTWHS001 Participate in workplace health and safety

*Elective units to be confirmed

PATHWAY OPTIONS
- Certificate II in Health Support Services
- Certificate II in Individual Support (Ageing)
- Certificate II in Health Services Assistance

CAREER OUTCOMES
- Trainee
- Aged care assistant
- Ward support, assistant in nursing (AIN), patient service attendant, operating theatre technician, nursing support worker, nursing assistant, orderly, wardsperson, patient care assistant, patient support assistant
- Personal Care worker or assistant
- Enrolled nurse

UNIVERSITY PATHWAYS
- Bachelor of Nursing

HEALTH
CERTIFICATE III IN HEALTH ADMINISTRATION
(STUDENTS MUST HOLD A CERTIFICATE II IN HEALTH SUPPORT SERVICES, YEAR 12 STUDENTS ONLY)
COURSE CODE: HLT37315

CORE UNITS
- BSBMED301 Apply medical terminology
- BSBITU306 Design/produce business docs
- BSBMED303 Maintain patient records
- BSBMED305 Principles of confidentiality
- BSBLMA003 Contribute to workplace relations
- BSBWOR301 Organise personal work

*Elective units to be confirmed

PATHWAY OPTIONS
- Certificate III in Individual Support (Ageing)
- Certificate III in Health Services Assistance

CAREER OUTCOMES
- Aged Care Assistant
- Ward support, assistant in nursing (AIN), patient service attendant, operating theatre technician, nursing support worker, nursing assistant, orderly, wardsperson, patient care assistant, patient support assistant
- Personal care worker or care attendant
- Enrolled nurse
- Diploma of Nursing
- Bachelor of Nursing

UNIVERSITY PATHWAYS
- Bachelor of Nursing

DELIVERY - ONLINE ONLY
Weekly Online Room – theory class
Every Monday
6.30pm – 8.30pm
Weekly Open Room Tutorial
Every Thursday
10.30am – 2.30pm
(Study is self-directed – students may join for entire time or part-time)

DURATION
4 terms

**QCE CREDITS**
- 4 credits
**LOGISTICS**

**CERTIFICATE II IN LOGISTICS**

**COURSE CODE: TLI21815**

**CORE UNITS**

- BSBCUS201 Deliver a service to customers
- TLIIF0001 Apply chain of responsibility legislation, regulations and workplace procedures
- TLIF1001 Follow work health and safety procedures
- TLI2007 Work in a socially diverse environment

*Elective units to be confirmed*

**CAREER OUTCOMES**

- Logistics support officer
- Logistics clerk
- Warehouse storeperson

**PATHWAY OPTIONS**

- Certificate II in Logistics
- Certificate II in Warehousing Operations

**MARITIME**

**CERTIFICATE II IN MARITIME OPERATIONS**

**(COXSWAIN GRADE 1 NEAR COASTAL) COURSE CODE: MAR20313**

**CORE UNITS**

- MARF002 Perform basic servicing and maintenance of main propulsion unit and auxiliary systems
- MARC005 Operate inboard and outboard motors
- MARC006 Operate main propulsion unit and auxiliary systems
- MARF001 Apply basic survival skills in the event of vessel abandonment
- MARF002 Follow procedures to minimise and fight fires on board a vessel
- MARF004 Meet work health and safety requirements
- MARF005 Survive at sea using survival craft
- MARH001 Plan and navigate a passage for a vessel up to 12 metres
- MARC001 Comply with regulations to ensure safe operation of a vessel up to 12 metres
- MARJ001 Follow environmental work practices
- MARK001 Handle a vessel up to 12 metres
- MARK002 Apply seamanship skills aboard a vessel up to 12 metres

*Elective units to be confirmed*

**CAREER OUTCOMES**

- Deckhand/Master of vessels up to 12m
- Master of vessels up to 24m
- Master of vessels up to 35m

**PATHWAY OPTIONS**

- Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal)
- Certificate II in Maritime Operations (Master up to 24m Near Coastal)
- Certificate II in Maritime Operations (Master up to 35m Near Coastal)

**DEVELOPMENT AND CAMPUS**

- **Face to face, block training**
  - Cairns, Innisfail, Tully

**DURATION**

- 4 terms

**FEES**

- No cost to students or school for first qualification. Eligibility criteria applies. Fully government subsidised.

**QCE CREDITS**

- 4 credits

**Start your maritime career and learn skills that will help you become a Coxswain of commercial vessels up to 12m long. This course will teach students how to operate and maintain auxiliary marine engine systems, how to plan and navigate a passage and how to operate inboard and outboard motors.**
