STUDY AREAS

WHETHER YOU DREAM OF A CAREER IN FITNESS, MUSIC OR AUTOMOTIVE, HEALTH OR HOSPITALITY, EARLY CHILDHOOD OR CONSTRUCTION, TAFE QUEENSLAND HAS THE COURSE OPTIONS TO KICK START YOUR CAREER.

ANIMAL STUDIES
Grow your passion for animals. Learn about animal nutrition, hygiene, care, and the business and administration side of the industry.

BEAUTY AND HAIRDRESSING
Design your own style and launch your career in retail, skin care, photographic make up or hair styling, that could see you working on photo shoots, film sets and catwalk shows.

MUSIC INDUSTRY
Put yourself in the spotlight with a course in music and sound production. Learn performance art, sound mixing, editing, production, and music management.

SCREEN AND MEDIA
Learn the skills to create digital graphics, audio and 2D/3D animation with the latest software used by industry.

COMMUNITY AND HEALTH SERVICES
If you like helping and supporting other people, gain the skills needed to enrich your local community or follow your passion for health, one of Australia’s fastest-growing sectors.

NURSING
Make a head-start and gain clinical experience whilst still at school to help build a rewarding career in the ever-growing health sector.

Programs are subject to change and commencement is subject to sufficient student numbers.
Learn how to use basic tools and equipment and get hands-on training in essential construction techniques to set you up for a career in construction.

Learn the fundamentals of plumbing, mechanical services, sheet metal fabrication practices, water supply and roof cladding and get ‘job-ready’ for a career in plumbing.

Rev up your career with a course in automotive. Learn about cars, engines, and vehicle components, and set yourself on the path to becoming a professional mechanic.

Be at the cutting-edge of technology. This course is suited to mechanically-minded students who enjoy technology and mathematics.

If location is key for you, search for courses offered by campus location.
GET MORE OUT OF HIGH SCHOOL WITH OUR TAFE AT SCHOOL PROGRAM

If you’re a year 10, 11 or 12 student you can complete a TAFE Queensland qualification while you’re still at school.

Choose from a variety of certificate I to certificate III courses with study areas ranging from hospitality to engineering, and everything in between.
HOW TO APPLY
To submit an application for a TAFE at School Program, visit www.tafeapply.com.
You’ll need the application code for the TAFE that you wish to apply for. The code for TAFE Queensland Gold Coast is TQGC1901. To apply, you will also need your Unique Student Identifier (USI) number. If you don’t have one yet, head to www.usi.gov.au to create one.
GET STARTED AT TAFE QUEENSLAND

TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It’s a big statement, but one that’s backed by research and confirms our impressive track record. We’ve been in the business of training for more than 130 years and have trained more than seven million people. At last count, we had more students than all the Queensland universities combined.

TAFE Queensland’s award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We have more than 400 practical, nationally-recognised qualifications for you to choose from, and hundreds of university pathways to take you even further.

GET A HEAD START WITH A TAFE AT SCHOOL COURSE

Most year 11 and 12 students are eligible to participate in a TAFE at School program. You can choose to study from a range of exciting and varied certificate level vocational education and training (VET) courses. Best of all, a TAFE at School certificate can be achieved in conjunction with your senior studies and counts towards your Queensland Certificate of Education (QCE).

TAFE AT SCHOOL IS A GREAT WAY TO:

- Get a qualification while still at school
- Gain direct entry into our diploma courses
- Gain valuable credits towards your QCE
- Gain credits towards an apprenticeship, diploma course or university studies
- Make you work ready
- Build practical skills in an adult learning environment
- Learn from professionals, bursting with current industry knowledge.

Enrolment is subject to eligibility requirements. Please visit our website or contact our TAFE at School team for details.

INDUSTRY EXPERIENCE

Some TAFE at School programs require students to undertake work placements, or in some instances to work in the industry. This gives students the opportunity to build their skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement.

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a vocational qualification while you’re still at school in a way that best suits you.

TRAIN AT TAFE QUEENSLAND

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-relevant workspaces and classrooms. All training is delivered in an adult learning environment so you’ll get a taste of what it’s like to study in a higher education setting. You’ll learn from our highly-qualified teachers and benefit from their vast experience.

TRAIN AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you’re still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

Apprentices are trained in a skilled trade, such as plumbing or electrical, and upon successful completion will become a qualified tradesperson. Trainees are trained in a vocational area, such as early childhood or business, but the training does not deliver a tradesperson qualification.

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us. School-based apprentices and trainees do not pay fees for training at TAFE Queensland; however you may need to pay some costs for tools and compulsory protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit www.training.qld.gov.au/apprenticeshipsinfo.
WHAT DOES IT COST?

Costs vary course to course. Please check our website for the most up-to-date prices. A range of TAFE at School courses are fee-free for eligible students, covered under VET in Schools (VETiS) funding. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past. For further information, please refer to the VETiS section of training.qld.gov.au.

Eligible students are entitled to one VETiS funded program only.

PAYMENT OPTIONS

Payment plans may be available to assist students with payment of their course, however, students under 18 will need a guarantor. Applications will be subject to credit checks. For information about our withdrawal and refund policy, please visit the TAFE Queensland website.

STUDENT SUPPORT

At TAFE Queensland we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school’s student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE environment.

*Note: All information was correct at the time of print, however details are subject to change without notice; Units of study shown are a guide only and may be subject to change without notice. Always check our website for the most up-to-date information available.

TIMETABLED TO YOUR SCHOOL YEAR

KEY FINISHING DATES FOR YEAR 10, 11 AND 12

| YEAR 10 | November 29 2019 |
| YEAR 11 | November 29 2019 |
| YEAR 12 | November 15 2019 |
THERE ARE PLENTY OF WAYS TO LAND YOUR DREAM CAREER, SO WHY NOT GIVE YOURSELF A HEAD-START AND FAST-TRACK YOUR STUDIES IN THE PROCESS?

When you study a TAFE at School course, you are taking the first step on your path to higher education.

Once you complete your TAFE at School certificate, you are guaranteed a place in any of TAFE Queensland’s diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree.

**Year 10, 11 or 12 Qualification**

- Certificate I, II, III or IV
- Diploma
- Advanced Diploma
- Associate Degree
- Graduate Certificate
- Graduate Diploma

**Employment ready**

- Degree at TAFE
- Degree at university or higher education provider
- Masters Degree
THE NEXT STEP

BECOME AN APPRENTICE OR TRAINEE

Our trades courses offer the perfect way for you to get the skills you need to secure an apprenticeship or traineeship in your dream career.

Applying for an apprenticeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees.

Visit an Apprenticeship Network Provider (ANP) to help connect you with an employer.

Studying a TAFE at School pre-apprenticeship can boost your chances of landing your dream job.

Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract direct with TAFE Queensland.

ENROL IN A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

When you complete your TAFE at School qualification, you can continue your study in a TAFE Queensland diploma of your choice.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees.

GO TO UNIVERSITY

When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree. It's a seamless study experience that offers you the chance to do uni differently.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia’s top universities. This means your university gives you credit for your study at TAFE Queensland, shaving time off your degree.
PARTNERSHIP WITH SCHOOLS PROGRAM
TAFE Queensland’s Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.
Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland award on completion of their studies.
To discuss a customised partnership arrangement for your school, please contact the TAFE at School team.

TRAINING FOR SCHOOL TEACHERS
TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.
Teachers can train in certificate I and II programs relevant to the delivery of TAFE at School programs, as well as higher level qualifications for teachers who want to broaden their skills.
Teachers with existing trade-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

CONTACT US
For more information about partnerships, please contact our TAFE at School team.

OVER 300 UNIVERSITY PATHWAYS ON OFFER
PRACTICAL EXPERIENCE

SHB50115 Diploma of Beauty Therapy student Brianna is grateful for making the decision to start her career pathway when she enrolled in the TAFE at School program when she was in Year 10.

“This experience allowed me to learn the basic knowledge and gave me an understanding in the life of a beautician. After I graduated from school I knew what I wanted to do. I was confident and had the assurance of being a step ahead of the other students who hadn’t done a TAFE at School program.”

“I was more prepared, organised and knew what to expect from my teachers and I’d completed a few of the relevant diploma units, giving me a credit in the next phase of my studying goals. It also reassured my parents in what I want to do with my life.”

Brianna Toms

TAFE QUEENSLAND

OUR COMMITMENT TO THE FUTURE

TAFE Queensland is committed to delivering qualifications to students across the academic disciplines of science, technology, engineering and mathematics (STEM).

TAFE Queensland works collaboratively with secondary schools throughout the state and the Department of Education and Training (DET) to continually align TAFE Queensland qualifications to STEM principles in order to provide a vital tool in preparing students to problem solve, be critical and creative thinkers and assist in their readiness for the jobs of the future.

50+ STEM ALIGNED AREAS
TAFE Queensland offer over 70 qualifications to QLD secondary school students of which 50+ qualifications are aligned to STEM areas

IMPROVE COMPETITIVENESS
Aim is to improve competitiveness in science and technology development

OVER 70% of courses offered to school students are STEM related

PREPARING YOUNG QUEENSLANDERS
We prepare every young Queenslander to take advantage of the many opportunities a knowledge-based economy offers and become the entrepreneurs of tomorrow

FIND OUT MORE
If you’d like more information about TAFE Queensland courses related to STEM areas for secondary school students, please email – schools.goldcoast@tafe.qld.edu.au
This course is designed for those who are passionate about animals and want to gain the knowledge and skills required to start their career in animal studies. Learn the foundations of how to care for a range of animals, monitor their health and hygiene, communication, and learn handling and restraint techniques. This course will give you great insight into the animal care and management industry.
# BEAUTY AND HAIRDRESSING

- SHB20116 Certificate II in Retail Cosmetics
- SHB30115 Certificate III in Beauty Services
- SHBS0115 Diploma of Beauty Therapy

### DELIVERY
- Face to face

### CAMPUS
- Southport

### DURATION
- 4 terms

### ATTENDANCE
- 1 day per week

### QCE CREDITS
- 4 credits

In this entry-level course you’ll learn how to design and apply make-up and demonstrate skin care products. You’ll also be schooled in effective customer communication, workplace health and safety, product sales and financial transactions.

This qualification reflects the role of retail sales personnel involved in a defined range of tasks to sell and demonstrate beauty or cosmetic products. They follow known routines and procedures and work under direct supervision. This qualification provides a pathway to work as a retail sales consultant in any business that sells beauty or cosmetic products and services. This can include beauty and hairdressing salons, retail outlets and department stores.
If you’ve been thinking about a career in hairdressing the Certificate II in Salon Assistant is the perfect place to start. This pre-apprenticeship training program will prepare you to work in a salon environment and teach you the skills necessary to work as a salon assistant. You’ll learn how to communicate effectively with clients and take bookings as well as how to braid and dry hair, and perform scalp massages.

**CORE UNITS**
- BSBWHS201 Contribute to health and safety of self and others
- SHBHBAS001 Provide shampoo and basin services
- SHBHDIES001 Dry hair to shape
- SHBHIND001 Maintain and organise tools, equipment and work areas
- SHBHCCS001 Conduct salon financial transactions
- SHBHCCS003 Greet and prepare clients for salon services
- SHBHIND001 Comply with organisational requirements within a personal services environment
- SHBHIND002 Communicate as part of a salon team

**ELECTIVE UNITS**
- SHBHBAS002 Provide head, neck and shoulder massages for relaxation
- SHBHCLS001 Apply hair colour products
- SHBHDES002 Braid hair
- SHBHIND002 Research and use hairdressing industry information

**PATHWAY OPTIONS**
- SHB20216 Certificate II in Salon Assistant
- SHB30416 Certificate III in Hairdressing
- SHB30516 Certificate III in Barbering

**CAREER OUTCOMES**
- Hair salon assistant
- Hairdresser, hair or beauty salon assistant, hair stylist
- Barber

**HAIRDRESSING APPRENTICESHIP**
- SHB40216 Certificate IV in Hairdressing
- SHBS50216 Diploma of Salon Management

**UNIVERSITY PATHWAYS**
- Bachelor of Business and Commerce - University of Southern Queensland

*This course is partly VETfunded for eligible students. Go to tafeqld.edu.au for details.

- AURTTA002 Assist with automotive workplace activities
- AURTTA004 Carry out servicing operations
- AURTTE003 Remove and tag engine system components

PATHWAY OPTIONS

- AUR20716 Certificate II in Automotive Vocational Preparation

CAREER OUTCOMES

- Apprenticeship - automotive mechanic, automotive trade assistant, vehicle service assistant

APPRENTICESHIPS

- AUR31516 Certificate III in Automotive Diesel Engine Technology***
- AUR31616 Certificate III in Automotive Drivetrain Technology
- AUR30316 Certificate III in Automotive Electrical Technology***
- AUR31316 Certificate III in Automotive Engine Reconditioning
- AUM30213 Certificate III in Automotive Manufacturing Technical Operations – Bus, Truck and Trailer
- AUR31816 Certificate III in Heavy Commercial Trailer Technology
- AUR30616 Certificate III in Light Vehicle Mechanical Technology***

- AUR40216 Certificate IV in Automotive Mechanical Diagnosis

- Specialist tradesperson master technician, technical advisor, repair manager, vehicle service manager

This course can help you fast-track a career in the automotive industry by providing technical skills to inspect and service vehicle components including engines, transmissions and braking systems, use automotive tools and equipment, and test, service and charge batteries. This qualification offers a solid base for you to undertake work and further training, in the broader automotive industry.

Work Experience is an integral part of the course, we recommend each student completes work experience as part of their course as an opportunity to develop a relationship within the industry.

Personal Protective Equipment.

Students will need to purchase steel capped boots.

*No cost to student or school. Fully government subsidised for eligible students.

** Not including School Holidays.

***Offered at TAFE Queensland Gold Coast.

CONSTRUCTION

CERTIFICATE I IN CONSTRUCTION
COURSE CODE: CPC10111
✔️ VETIS FUNDED*

CORE UNITS
- CPCWHS1001 Prepare to work safely in the construction industry
- CPCOHS2001A Apply OHS requirements, policies and procedures in the construction industry
- CPCCCM2005B Use construction tools and equipment
- CPCCCM1012A Work effectively and sustainably in the construction industry
- CPCCCM1013A Plan and organise work
- CPCCCM1014A Conduct workplace communication
- CPCCVE1011A Undertake a basic construction project
- CPCCCM2001A Read and interpret plans and specifications

ELECTIVE UNITS
- MSFFM2006 Hand make timber joints
- CPCCCM1015A Carry out measurements and calculations
- CPCCCM2004A Handle construction materials

PATHWAY OPTIONS
- CPC10111 Certificate I in Construction
- CPC40110 Certificate IV in Building and Construction (Building)**
- CPC50210 Diploma of Building and Construction (Building)**
- CSP0212 Advanced Diploma of Building and Construction (Management)**

CAREER OUTCOMES
- Trade assistant/worker in carpentry, joinery, or cabinetmaking
- Carpenter, joiner, shopfitter, bricklayer, painter, solid plasterer, roofing tiler, stonemason, plasterer, flooring technician, tiler

APPRENTICESHIPS
- CPC30211 Certificate III in Carpentry***
- CPC30112 Certificate III in Joinery
- CPC30116 Certificate III in Shopfitter***
- CPC30111 Certificate III in Bricklaying/Blocklaying***
- CPC30611 Certificate III in Painting and Decorating***
- CPC31011 Certificate III in Solid Plastering
- CPC30812 Certificate III in Roof Tiling
- CPC32313 Certificate III in Stonemasonry (Monumental/Installations)
- CPC31211 Certificate III in Wall and Ceiling Lining***
- MSF30613 Certificate III in Flooring Technology
- CPC31311 Certificate III in Wall and Roof Tiling***

- CPC40110 Certificate IV in Building and Construction (Building)***
- CPC40308 Certificate IV in Building and Construction (Estimating)

- CPP50911 Diploma of Building Design***
- CPC50210 Diploma of Building and Construction (Building)***
- CPC50308 Diploma of Building and Construction (Management)***
- CP60212 Advanced Diploma of Building and Construction (Management)***

- Trade contractor, estimator, builder – low rise, site supervisor – low rise
- Building designer, consultant, builder – medium and low rise, site supervisor – medium and low rise, office manager, contract administrator
- Builder – open, site supervisor – open, senior office manager

Develop basic skills in the construction industry. Learn to read and interpret plans and specifications, measure and perform calculations, handle construction materials, use construction tools and equipment and undertake a basic construction project. A General Safety Induction (White Card) is also delivered in this course, which is an industry requirement for you to work on a Queensland construction site.

Work Experience is an integral part of the course, we recommend each student completes work experience as part of their course as an opportunity to develop a relationship within the industry.

Personal Protective Equipment. Students will need to purchase steel capped boots.

*No cost to student or school. Fully government subsidised for eligible students.
** Not including School Holidays.
***Offered at TAFE Queensland Gold Coast.
CERTIFICATE II IN ELECTROTECHNOLOGY
(CAREER START)

COURSE CODE: UEE22011

✓ VETIS FUNDED*

**CORE UNITS**

- UEEENE101A Apply Occupational Health and Safety regulations, codes and practices in the workplace
- UEEENE104A Solve problems in d.c. circuits
- UEEENE141A Use of routine equipment/plant/technologies in an energy sector environment
- UEEENE148A Carry out routine work activities in an energy sector environment
- UEEENE179A Identify and select components, accessories and materials for energy sector work activities
- UEEENEX142A Apply environmentally and sustainable procedures in the energy sector

**ELECTIVE UNITS**

- CPCCWHS1001A Work safely in the construction industry
- UEEENE102A Fabricate, assemble and dismantle utilities industry components
- UEEENE105A Fix and secure electrotechnology equipment
- UEEENE107A Use drawings, diagrams, schedules, standards, codes and specifications
- UEEENE130A Provide solutions and report on routine electrotechnology problems
- HLTAID001 Provide cardiopulmonary resuscitation

**QCE CREDITS**
4 credits

Learn how to safely solve problems in extra-low voltage DC circuits, identify and select materials for work activities, participate in environmentally sustainable work practices, use equipment / plant / technologies, and dismantle, assemble and fabricate electrotechnology components. This course covers a General Safety Induction course (White Card) – an industry requirement to work on Queensland construction sites and CPR certificate.

Work Experience is an integral part of the course, we recommend each student completes work experience as part of their course as an opportunity to develop a relationship within the industry.

Personal Protective Equipment. Students will need to purchase steel capped boots.

*No cost to student or school. Fully government subsidised for eligible students.

** Not including School Holidays.

***Offered at TAFE Queensland Gold Coast.

**PATHWAY OPTIONS**

- UEE22011 Certificate II in Electrotechnology (Career Start)

**APPRENTICESHIPS**

- UEE30811 Certificate III in Electrotechnology (Electrician)***
- UEE31211 Certificate III in Instrumentation and Control
- UEE32211 Certificate III in Air-conditioning and Refrigeration***
- UEE32111 Certificate III in Appliance Service
- UEE30911 Certificate III in Electronics and Communication
- UEE30811 Certificate III in Electrical Fitting***

- UEE40611 Certificate IV in Electrotechnology - Systems Electrician
- UEE42611 Certificate IV in Hazardous Areas - Electrical
- UEE43211 Certificate IV in Industrial Automation and Control
- UEE40411 Certificate IV in Electrical - Instrumentation

- UEE50511 Diploma of Electronics and Communications Engineering
- UEE51011 Diploma of Instrumentation and Control Engineering
- UEE51211 Diploma of Air-conditioning and Refrigeration Engineering

- UEE62111 Advanced Diploma of Engineering Technology - Electrical***
- UEE60211 Advanced Diploma of Electronics and Communications Engineering

**CAREER OUTCOMES**

- General electrician, electronics and communications tradesperson, electrical instrumentation tradesperson, air-conditioning and refrigeration, electrical fitter

- Electrical fitter, electrician – special class, installation technician, industrial automation and control technician, electrical instrumentation tradesperson

- Technical officer specialising in electrical, engineering, instrumentation and control, electronics and communications, or refrigeration and air-conditioning

- Electrical engineer, senior technical officer specialising in electrical technology or electronics engineering

**UNIVERSITY PATHWAYS**
CERTIFICATE II IN MARINE MECHANICAL TECHNOLOGY

COURSE CODE: AUR20616

✓ VETIS FUNDED

CORE UNITS

ALRAEA002  Follow environmental and sustainability best practice in an automotive workplace
ALRAFA001  Use numbers in an automotive workplace
ALRAFA002  Read and respond to automotive workplace information
ALRAFA005  Write routine texts in an automotive workplace
ALRAASA002  Follow safe working practices in an automotive workplace
ALRRTE002  Inspect and service marine outboard engines
ALRRTE003  Inspect and service marine inboard engines
ALRRTQ001  Inspect and service marine inboard propeller drive systems
ALRRTQ002  Inspect and service marine jet drive propulsion systems
ALRRTX001  Inspect and service marine outboard and stern drive transmissions
ALRRTX002  Inspect and service marine inboard transmissions
ALRRTK002  Use and maintain tools and equipment in an automotive workplace

ELECTIVE UNITS

ALRETK001  Identify, select and use low voltage electrical test equipment
ALRETR025  Test, charge and replace batteries and jump-start vehicles
ALRRTE001  Carry out wet run tests on vessel outboard engines
ALRTTA005  Select and use bearings, seals, gaskets, sealants and adhesives
ALRTTC001  Inspect and service cooling systems
ALRTTF001  Inspect and service petrol fuel systems

PATHWAY OPTIONS

AUR20616 Certificate II in Marine Mechanical Technology
AUR30516 Certificate III in Marine Mechanical Technology

CAREER OUTCOMES

Apprenticeship - Marine Mechanic
Marine Serviceperson, Marine Technician, Marine Mechanic

DELIVERY
Face to face

CAMPUS
Coomera Marine

DURATION
3 terms

ATTENDANCE
1 day per week

QCE CREDITS
4 credits

Embark on a career in the marine industry with this entry-level course. This course is an excellent pathway to gaining an apprenticeship or employment as a marine technician.

You will develop the skills to perform a range of basic mechanical service tasks, work on inboard and outboard boat engines and equipment, inspect and service engines. Also learning about marine transmissions, propeller drive and jet drive propulsion systems, electronic and ignition systems and inboard marine hull equipment and instruments.

Work Experience is an integral part of the course, we recommend each student completes work experience as part of their course as an opportunity to develop a relationship within the industry.

Personal Protective Equipment. Students will need to purchase steel capped boots.

* No cost to student or school. Fully government subsidised for eligible students.

** Not including School Holidays.

***Offered at TAFE Queensland Gold Coast.
PLUMBING

CERTIFICATE II IN PLUMBING

COURSE CODE: 52700WA

✔ VETIS FUNDED*

CORE UNITS

- CPCWHS1001 Prepare to work safely in the construction industry
- CPCCOHS2001A Apply OHS requirements, policies and procedures in the construction industry
- CPCCCM1015A Carry out measurements and calculations
- CPCCCM2008B Erect and dismantle restricted height scaffolding
- CPCCCM2010B Work safely at heights
- CPCCPM2041A Work effectively in the plumbing and services sector
- CPCCPM2043A Carry out WHS requirements
- CPCCPM2046A Use plumbing hand and power tools
- CPCCPM2047A Carry out levelling
- CPCCPM2048A Cut and join sheet metal
- CPCPCM2050A Mark out materials
- CPCPCM2052A Weld using oxy-acetylene equipment
- CPCPCM2053A Weld using manual metal arc welding equipment
- CPCPCM2055A Work safely on roofs
- HLTAID002 Provide basic emergency life support

ELECTIVE UNITS

- VPC080 Vocational placement

PATHWAY OPTIONS

- 52700WA Certificate II in Plumbing

APPRENTICESHIPS

- CPC32413 Certificate III in Plumbing***
- CPC32612 Certificate III in Roof Plumbing***
- CPC32713 Certificate III in Gas Fitting***
- CPC32513 Certificate III in Plumbing (Mechanical Services)

- CPC40912 Certificate IV in Plumbing and Services***
  - 39275QLD Certificate IV in Domestic Waste Water and Environmental Plumbing
  - CPC40110 Certificate IV in Building and Construction (Building)***
  - CPC40308 Certificate IV in Building and Construction (Estimating)

- CPC50612 Diploma of Hydraulic Services Design
- CPP50911 Diploma of Building Design
- CPC50210 Diploma of Building and Construction (Building)***
- CPC50308 Diploma of Building and Construction (Management)

- CPC60212 Advanced Diploma of Building and Construction (Management)

CAREER OUTCOMES

- Plumbing trade assistant/worker
- Plumber, roof plumber, gas fitter, plumber (mechanical)
- Plumbing contractor, fire services supervisor, specialist hydraulic designer, site supervisor – low rise, building estimator
- Builder, building designer, site supervisor – medium and low rise, construction manager, project manager, consultant
- Builder, site supervisor, senior office manager

UNIVERSITY PATHWAYS

Increase your prospects for a career in the plumbing industry by developing your skills with this pre-apprenticeship. With a strong focus on safe plumbing practices, you will learn how to operate hand and power tools, read plans and perform basic welding and plumbing installation techniques. A General Safety Induction (White Card) is delivered in this course, which is an industry requirement to work on a Queensland construction site.

Work Experience is an integral part of the course, we recommend each student completes work experience as part of their course as an opportunity to develop a relationship within the industry.

Personal Protective Equipment.
Students will need to purchase steel capped boots.

*No cost to student or school. Fully government subsidised for eligible students.
** Not including School Holidays.
***Offered at TAFE Queensland Gold Coast.

WHY STUDY AT TAFE?

EACH YEAR TAFE QUEENSLAND ENROLLS OVER 120,000 STUDENTS ACROSS A NETWORK OF OVER 50 CAMPUSES IN QUEENSLAND, IN EMPLOYERS’ WORKPLACES, ONLINE AND IN MARKETS OFFSHORE.

- OVER 130 YEARS DELIVERING VOCATIONAL EDUCATION AND TRAINING
- OVER 100+ UNIVERSITY PATHWAYS
- OWNED AND OPERATED BY THE GOVERNMENT
- PRACTICAL, HANDS-ON COURSES THAT ENSURE YOU ARE JOB-READY
- HIGHLY-QUALIFIED TEACHERS HAVE EXPERIENCE IN THE INDUSTRIES THEY TEACH
- ALMOST 90% OF OUR STUDENTS ARE SATISFIED WITH THEIR EXPERIENCE
- PURPOSE BUILT STATE OF THE ART FACILITIES
- REAL-WORLD, SIMULATED WORK ENVIRONMENT
- ALMOST 90% OF GRADUATES GO ON TO WORK OR FURTHER STUDY
- FLEXIBLE AND SUPPORTIVE LEARNING ENVIRONMENT
