JOB-FOCUSED TRAINING
TAFE Queensland is the largest, most experienced vocational education and training (VET) provider in the state, with a history of serving Queensland’s communities for more than 135 years. We offer more than 500 practical, industry-relevant courses from entry-level certificates to bachelor degrees, and our training is delivered to over 120,000 students each year across more than 50 locations in Queensland.

Our TAFE at School courses are specifically designed to help you get more out of high school. The great thing about TAFE at School is that it fits around your studies and lets you kick start your career sooner. Completing a TAFE at School qualification also gives you direct entry into any related TAFE Queensland course, a variety of pathways to university degrees, and ways to get started on your trade qualifications.

From 2020 the Australian Tertiary Admission Rank (ATAR) will replace the Overall Position (OP) system in Queensland. VET course results like a TAFE at School qualification completed at TAFE Queensland will now contribute to your ATAR, but only at a certificate III level or above. So completing a VET Course is not only a great way to get a head start on your career, but it can also help you get into your dream university course.

This guide features a range of information about the TAFE at School program from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at tafeqld.edu.au, call 1300 308 233, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your friends, family, teachers, VET coordinator or guidance counsellor about your future. There’s an option and a pathway that’s right for you, and TAFE Queensland is here to help you make great happen.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

GET MORE OUT OF HIGH SCHOOL WITH TAFE AT SCHOOL

If you’re a Year 10*, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you’re still at school.

Choose from a variety of certificate I to certificate IV courses from a range of study areas from hospitality to horticulture, early childhood education and care to engineering, and everything in between.

HOW TO APPLY

To submit an application for a TAFE at School course, visit tafeapply.com.

You’ll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don’t have a USI yet, head to usi.gov.au to get one.

* Subject to support from your school.
STUDY AREAS

Studying at TAFE Queensland gives you access to multiple pathways to kick start your career, even while you’re still at school. Whether you dream of a career in fashion or fitness, automotive or hospitality, early childhood or engineering, we have a course that’s right for you.

AGRICULTURE AND HORTICULTURE 16
Learn while enjoying the outdoors and watch your work come to life. Turn your passion for conservation into a career, or get ready for a life on the land.

ANIMAL CARE 17
Turn your love for animals into a career. Develop the skills to care for a variety of animals, as well as an understanding of the administration and business side of the industry.

AUTOMOTIVE 18
If you have a passion for cars, trucks, boats, or bikes, then rev up your career with an automotive course. Develop your skills and choose to specialise in a range of areas.

BEAUTY AND HAIRDRESSING 22
Style your career with courses in beauty or hairdressing. Learn how to use your imagination to help others look and feel beautiful.

BUILDING AND CONSTRUCTION 28
Get hands on and lay a solid foundation for your career. Develop practical skills to work in carpentry, furniture making, wet trades and plumbing with a range of trade courses.

BUSINESS, JUSTICE AND MANAGEMENT 32
From finance to management, and justice to marketing, career opportunities in business are endless. Get down to business, crunch some numbers, or lead the way. The choice is yours.

CHILD CARE 36
Develop hands-on skills for a rewarding career in early childhood education and care or education support. You’ll give children a fun, safe and supportive environment to learn and grow.

COMMUNITY SERVICES 37
Make a difference with a career in community services. You’ll work to promote the safety and well-being of children, families, and at-risk members of the community.

CREATIVE 40
Turn your creative talents into a rewarding career. Develop the skills to work in fashion, music, photography, graphic design, screen and media, or visual arts.
The opportunities in hospitality are endless. You will gain in-demand skills to travel the world. Work behind-the-scenes in the kitchen, or front of house at a restaurant, café, hotel or resort.

Technology puts the world at your fingertips. Develop your technical expertise and work in ICT, web and software development or telecommunications.

Help people in their time of need with a career in nursing and healthcare. Work in nursing, aged care, primary health care, allied health, dental, pathology, or laboratory science.

Spark some life into your career. Develop practical skills to work across a range of specialisations including electrotechnology, air conditioning and refrigeration, safety, or water operations.

Engineer your future for a hands-on career. From boiler making to welding, and fabrication to machining, choose to specialise your engineering skills across a range of areas.

Set yourself up for a career in the rail industry. Learn the skills to operate tools and minor railway mechanical equipment and work safely in a rail environment.

Strengthen your potential with a career in sports and fitness. Work as a personal trainer, group exercise instructor, coach, or outdoor adventure guide.

Deliver unforgettable experiences every day. Help people plan their dream holiday or bring to life music festivals, weddings, or major sporting events.

Get your career moving. Enjoy life on the road as a freight or bus driver, rail worker, learn how to process stock and manage supply chains, or take to the skies as a pilot.

ABOUT TAFE AT SCHOOL

BENEFITS OF TAFE AT SCHOOL
- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)*
- Direct entry to any related TAFE Queensland course
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS
TAFE Queensland offers flexible study options so you can gain a VET qualification while you’re still at school in a way that best suits you.

ON CAMPUS
TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you’ll get a taste of what it’s like to study in a higher education setting. You’ll also learn from our highly-qualified teachers and benefit from their vast experience.

AT SCHOOL
Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

TRADE TASTER
Year 10 students have access to a Trade Taster program which is funded by the Queensland Government. This very popular program is unique to TAFE Queensland and is offered at no cost. This program allows students to experience a minimum of three different trades by studying one or two units of competency from different trade areas.

INDUSTRY EXPERIENCE
Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP
TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you’re still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us. School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit training.qld.gov.au/apprenticeshipsinfo.

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

*Eligibility conditions apply.

| YEAR 11 | Friday 27 November |
| YEAR 10 | Friday 27 November |

Most TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12 so you can nail your final assignments and exams. Bonus: you’re ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick start your career.

STUDENT SUPPORT

Everyone’s journey is different and sometimes you need some extra support to achieve your study goals. We’re here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

COSTS AND PAYMENT OPTIONS

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to the VETiS section of training.qld.gov.au. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you’re under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website.
YOUR PATHWAY TO HIGHER EDUCATION

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There’s more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.
POST-SCHOOL OPTIONS

BECOME AN APPRENTICE OR TRAINEE

Learn hands-on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you’re actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit tafeqld.edu.au/apprentices.

GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit tafeqld.edu.au/atp.

GO TO UNIVERSITY

Successfully completing a diploma at TAFE Queensland can help secure you a place in one of our own applied degrees in creative industries, engineering and dental prosthetics or in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia’s top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

MORE WAYS TO GRADUATE

AT TAFE QUEENSLAND, WE UNDERSTAND THAT THERE IS NO ‘ONE-SIZE FITS ALL’ SOLUTION WHEN IT COMES TO EDUCATION. SO, WE OFFER MULTIPLE OPTIONS TO COMPLEMENT MAINSTREAM SENIOR HIGH SCHOOLING TO ENSURE EACH STUDENT HAS THE OPPORTUNITY TO CHASE THEIR CAREER GOALS.

DOING YEAR 11 AND 12 DIFFERENTLY: SENIOR COLLEGE

TAFE Queensland has a proud 35-year history of providing Year 11 and 12 students with a quality high school alternative at our Alexandra Hills campus.

Our teachers provide students with the opportunity to develop as individuals in a friendly and supportive atmosphere. The adult learning environment is well suited to students who may be seeking a more flexible style of learning.

Senior College students have the option of working towards their ATAR, or following a vocational pathway and achieving a second qualification simultaneously through the TAFE at School program.

UNILEARN

Unilearn is the perfect solution for students wanting to access additional subjects to their senior options, get around timetabling clashes, or for students looking to fulfil prerequisites for their university course.

With the ability to study OP-recognised courses online and after hours, students can easily add a Unilearn subject or two to their Year 11 and 12 high school years. Unilearn ensures that students obtain the prerequisites they need for university without adding the inconvenience of unnecessary travel time.

COURSE UNITS

Unilearn’s bridging units are registered units through QCE and count towards your 20 credits. Plus, the units are also equivalent to Year 11-12 curriculum.

INFORMATION FOR PARENTS

It’s tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure’s on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education is for everyone. Most careers need some form of education and training. But they don’t all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

BUSTING VET MYTHS

The 2017 Perceptions are Not Reality report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it’s 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child’s needs and help them kick start their career.

PARENTS’ GUIDE

FOR SURVIVING SENIOR SCHOOLING AND BEYOND

Subscribe today to get your free copy.

go.tafeqld.edu.au/parents-guide
Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they’re tactile learners, VET may be where they will really shine.

**HOW TAFE QUEENSLAND CAN HELP**

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit tafeqld.edu.au/advisors.

**PARTNERSHIP WITH SCHOOLS PROGRAM**

TAFE Queensland’s Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

**TRAINING FOR SCHOOL TEACHERS**

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

**IVET ONLINE PORTAL**

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.
