For over 32 years, our ‘Do Year 11 and 12 Differently’ program at Senior College has met the unique learning needs and future goals of students by providing a practical and independent study alternative. Whatever your life situation, you will be able to benefit from completing Year 11 and 12 in the flexible, personal, and mature learning environment we provide.

Delivered exclusively at our Alexandra Hills campus, once in the program you can select either an academic Australian Tertiary Admission Rank (ATAR) pathway or a vocational Queensland Certificate of Education (QCE) pathway that also gives you access to the TAFE at School program.

Best of all, choosing to do ‘Year 11 and 12 Differently’ with us gives you direct entry into the TAFE Queensland course of your choice after you graduate. TAFE Queensland offers qualifications from certificate level right through to degrees, putting you on the fast-track to new learning and employment opportunities.

Our blend of industry connections, practical training and academic thinking provide you with the skills and qualifications you need to adapt to an ever-changing professional environment. Whatever your goal may be, we can help you make great happen for your future.
AFTER LOSING MY SPORTS SCHOLARSHIP DUE TO SEVERE ILLNESS, I WAS UNCERTAIN IF MY DREAM OF GOING TO UNIVERSITY TO STUDY SCIENCE WOULD ACTUALLY HAPPEN. DURING ONE OF MY MANY HOSPITAL VISITS, A NURSE TOLD ME ABOUT TAFE’S SENIOR COLLEGE PROGRAM AND HOW IT’S SUITABLE FOR SOMEONE LIKE ME WHO NEEDS FLEXIBLE STUDY TIME TO FIT IN WITH ALL THE HOSPITAL VISITS.

I LOVED TAFE FROM THE GET GO. IT WAS GREAT TO BE SURROUNDED BY LIKE-MINDED PEERS. I AM DOING REALLY WELL WITH MY STUDY AND AM ON TRACK TO STUDY AT UNIVERSITY NEXT YEAR!

SERVISHA SAIANOA, School Captain 2019

A PROGRAM DESIGNED WITH YOU IN MIND

Our ‘Do Year 11 and 12 Differently’ program has been designed for you to complete your senior high school studies in a relaxed and supported environment, giving you the opportunity to obtain either a Queensland Certificate Of Education (QCE) or an Australian Tertiary Admission Rank (ATAR) score. With either of these qualifications in hand, you can transition through to further study or employment in your chosen field with increased ease and greater confidence.

In addition, the learning environment at TAFE Queensland, Alexandra Hills campus enables Year 11 and 12 students to develop as individuals in a friendly and supportive atmosphere, providing access to:

- industry-standard vocational training facilities
- fully equipped resource centre
- theatre and auditorium
- computer labs
- canteen
- multi-purpose activity centre.

WHY STUDY YEAR 11 AND 12 AT TAFE?

A SUPPORTIVE PROGRAM

Other excellent student support services are offered at TAFE Queensland, including:

- qualified counsellors
- career guidance via counsellors
- tutorial support
- mentor program
- career hub
- disability support officer.

MENTOR PROGRAM

All ‘Do Year 11 and 12 Differently’ students are enrolled in the Mentor Program which is designed to prepare you, regardless of academic ability, for the challenges of studying.

The program is comprised of formal scheduled class time involving a variety of activities, discussions and guest speakers, as well as informal time where students can raise issues of importance.

Our Mentor Program supports our students throughout their time with us, enabling you to set and achieve clear and realistic goals for your future.

CAREER HUB

Year 12 students will also join the Career Hub in semester two of their Mentoring Program. This prepares students for the completion of Year 12, and equips them with key skills required to be job-ready. Students will focus on their individual career pathways, and learn skills to meet these goals, including an exciting schedule of industry guest speakers to discuss various career choices.

DISABILITY SUPPORT

TAFE Queensland has Disability Services Officers who:

- offer confidential, friendly advice and support for any life situation
- assist students to achieve their educational and career goals
- encourage students to be independent and take responsibility for their course of study
- liaise with relevant external agencies, organisations or government departments to gain assistance
- undertake vocational training connected to that particular work area.

A PROGRAM DESIGNED WITH YOU IN MIND

DO YEAR 11 AND 12 DIFFERENTLY 2020 COURSE GUIDE | 5
A PROGRAM OPEN TO EVERYONE

Through this program, Year 12 students are prepared for their QCE/ATAR pathway. Our Mentor Program supports our students throughout their time at TAFE Queensland, enabling them to set and achieve clear and realistic goals for their future.

CAN ANYONE APPLY?
Students entering the ‘Do Year 11 and 12 Differently’ program should have completed year 10 or the equivalent. Each application is examined on merit. All applicants must be between 15 and 17 years of age at application and have achieved five year 10 subjects including English and Mathematics.

HOW DO I APPLY?
Enrolment information and application forms are available via:
- Web chat on our website
- Filling out an enquiry form on our website
- Calling 1300 308 233

Once we receive your application, we will contact you to discuss the next step.

ENROLMENT PROCESS
1. Information night
2. Complete online enquiry
3. Interview
4. Enrol
5. Commence study
6. Orientation

NEED TO KNOW

QCAA
The Queensland Curriculum and Assessment Authority (QCAA) is a statutory body of the Queensland Government which provides Kindergarten to Year 12 syllabuses, guidelines, assessment, reporting, testing and certification services for Queensland schools.

All subjects taught in our ‘Do Year 11 and 12 Differently’ are QCAA accredited to the same standards as other Queensland high schools.

AUSTRALIAN TERTIARY ADMISSION RANK (ATAR)
Beginning in 2020, eligible students graduating Year 12 will receive an ATAR. This score, between 0 and 99.95, will decide tertiary entrance into courses offered by TAFE Queensland or any major university.

To be eligible for an ATAR*, successful completion of 5 subjects (C or better) is required to qualify for an ATAR, a minimum of 4 being General Subjects.

A student’s ATAR will be calculated from their best 5 subject results, one of which may be:
- a VET Certificate III or above, or
- an applied subject result

* Successful completion of an English subject (C or better) is necessary to be eligible for an ATAR however this grade will only be used in the calculation if it is one of the student’s best 5 subject results.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP
A school-based Apprenticeship or Traineeship (SAT) is a government-funded system where students are able to commence a nationally-recognised training program as an employee while completing their QCE. A training agreement is individually designed in consultation with the student, the employer, the Vocational Trainer, an Australian Apprenticeship Centre and the school.

TAFE Queensland Senior College students are able to pursue a SAT program of their choice whilst completing their studies at TAFE Queensland.

A student taking on a SAT program will:
- study 3 - 5 QCAA subjects and undertake the Mentor Program
- work part-time
- undertake vocational training connected to that particular work area.

QUEENSLAND CERTIFICATE OF EDUCATION (QCE)
The QCE is Queensland’s senior school qualification which is awarded to eligible students usually at the end of Year 12.

The QCE is a broad-based, internationally recognised qualification awarded to young people who have achieved a significant amount of learning, to a set standard and in a set pattern, while meeting literacy and numeracy requirements.

The QCE is a student’s passport to move confidently from school to work, training and further education. It is awarded to students who achieve 20 credits across a wide range of learning options including General and Applied subjects, vocational education and training, workplace and community learning.

GENERAL SUBJECTS / APPLIED SUBJECTS
2020 will see Year 11 students commence study under the new QCE Senior Schooling system.

General subjects are based on syllabuses that have been approved and issued by the QCAA. Results in general subjects can count in the calculation of an ATAR, the most common selection device used by the tertiary sector.

In general subjects, senior students’ learning will be assessed using four assessment tasks. Three assessment tasks will be conducted by the classroom teacher with the final task being a subject-specific state-wide external task or exam.

Applied subjects are developed from Subject Area Syllabuses (SAS) and when successfully completed contribute 4 credits toward a QCE. They do not directly contribute towards the calculation of an ATAR for tertiary entrance.

For more information on QCAA standards, points and subjects, please visit: qcaa.qld.edu.au/senior/new-snr-assessment-te
UNDERSTANDING YOUR OPTIONS

**ATAR PATHWAY**

**MENTOR PROGRAM**

5 GENERAL SUBJECTS (English Compulsory)

OR

4 GENERAL SUBJECTS + AN APPLIED SUBJECT OR COMPLETED CERTIFICATE III OR HIGHER.

**WHAT'S INVOLVED:**
- Minimum of 4 general subjects
- Optional Vocational Certificate or
- Optional applied subject

**LEADS TO:**
- Queensland Certificate of Education
- ATAR Score
- Employment
- Entrance to a TAFE diploma/degree or University

**OUTCOMES:**
- ATAR Score
- Queensland Certificate of Education
- Vocational Qualification (if undertaken)

**NOTE:**
If you are considering further study you need to check with the provider to ensure you are studying the prerequisites for their course. A QTAC guide will be available at our interview to check current Queensland prerequisites.

**QCE AND/OR VOCATIONAL PATHWAY**

**MENTOR PROGRAM**

4 QCAA SUBJECTS + 1 VOCATIONAL CERTIFICATE OR 5 QCAA SUBJECTS

**WHAT'S INVOLVED:**
- We recommend 4 QCAA-registered subjects and 1 vocational certificate or 5 QCAA-registered subjects
- Other options also available. Please contact us for more details
- To complete, students need to have accumulated 20 points, at least 12 credits must be core

**LEADS TO:**
- Queensland Certificate of Education
- Vocational Certificate(s)
- Employment
- TAFE Queensland diploma courses and ongoing study options

**OUTCOMES:**
- Queensland Certificate of Education
- Vocational Qualification (if undertaken)

**VOCATIONAL CERTIFICATES**

‘Do Year 11 and 12 Differently’ program has a range of vocational certificates available to you. You are entitled to one government subsidised qualification while at school but you may also choose from a range of full fee programs.

TAFE at School programs for TAFE Queensland are provided at the back of this guide.
IT IS MY GOAL TO ONE DAY WORK FOR THE AUSTRALIAN DEFENCE FORCE. I AM NOW STUDYING SENIOR COLLEGE WITH TAFE QUEENSLAND, ATTENDING CLASSES THREE DAYS A WEEK. NOT HAVING TO GO TO SCHOOL FIVE DAYS A WEEK MEANS I CAN FOCUS ON MY VOLUNTEERING COMMITMENTS. THIS WILL HELP ME GET INTO THE NAVY WHEN I COMPLETE MY STUDY.

Do Year 11 and 12 Differently 2020 Course Guide
**ENGLISH**

**DESCRIPTION**
English is a two-year program that is highly recommended for students who want to gain an ATAR score. Most university courses require applicants to have successfully completed four semesters of Senior English. It is also a subject that employers recognise and value. Assessment is predominantly written with some compulsory spoken tasks. Students will have opportunities to engage with diverse texts for a variety of audiences and purposes.

**TOPICS COVERED**
- Language use
- Critical awareness
- Literary appreciation
- Writing skills
- Spoken communication

**STUDENTS WILL GAIN**
- Writing for academic purposes
- How to deliver a formal presentation
- Textual analysis
- How culture can change how we read.

**ESSENTIAL ENGLISH**

**DESCRIPTION**
Essential English focuses on content and skills which will prepare you for employment. In this course, you will be expected to read, view and discuss a wide range of texts and media, including; novels, films, documentaries and songs.

**TOPICS COVERED**
- Youth issues
- This sporting life
- Small business
- Anthology

**STUDENTS WILL GAIN**
- Narrative structure of contemporary media
- How to craft creative fiction and non-fiction textual analysis
- The core elements of everyday communication
- Writing for an audience.

**BUSINESS**

**DESCRIPTION**
Business provides opportunities for students to develop business knowledge and skills to contribute to society, the workforce and the marketplace. You will investigate the business life cycle, develop skills in examining data and learn business concepts, theories, processes and strategies relevant to leadership, management and entrepreneurship.

**TOPICS COVERED**
- Business fundamentals
- Establishing and growing a business
- Competitive markets
- Strategic marketing
- Business evolution and transformation

**STUDENTS WILL GAIN**
- Business environments and situations
- Concepts and strategies
- Utilising data for business
- Decision making and proposal strategies
- Responding to markets and customers.

**MATHEMATICS**

**DESCRIPTION**
Mathematics is a QCAA subject that can contribute to gaining of an ATAR used for university entrance as well as real world usage. As such, Mathematics will equip you with the skills to manage the mathematics you will encounter in everyday life as well as non-science university courses.

**TOPICS COVERED**
- Financial mathematics
- Applied geometry
- Data exploration and analysis
- Investing and networking

**STUDENTS WILL GAIN**
- The knowledge and skills of computation, estimation and measurement
- How to interpret and analyse information presented in a variety of forms
- The ability to make judgments based upon evidence and reasoning
- How to justify and communicate results in a variety of forms.

**ESSENTIAL MATHEMATICS**

**DESCRIPTION**
Essential Mathematics provides a broad base of practical mathematics if you are planning a vocational outcome.

The course is organised under various themes with a focus on numeracy and basic mathematical skills that are encountered in day-to-day living with practical applications relating to vocational areas.

**TOPICS COVERED**
- Reading maps, tables and graphs
- Earning, spending, borrowing and investing money
- Taxation and GST
- Renting, buying and renovating property
- Business planning

**STUDENTS WILL GAIN**
- Calculations used for basic financial management
- Skills needed to interpret data displayed graphically
- Knowledge required to plan for and establish a small business enterprise.

**BIOLOGY**

**DESCRIPTION**
By studying Biology you will gain an understanding of the complex and diverse world of organisms and the natural systems that affect them. You will get the chance to undertake experiments that investigate problems pertaining to the living worlds including plant and animal physiology, genetics and ecology.

**TOPICS COVERED**
- Cellular biology
- Animal and plant physiology
- Genetics and diversity
- Ecological studies
- Contemporary global issues in science

**STUDENTS WILL GAIN**
- Developments in biology and their impact on modern society
- The link between biology, technology and economic development
- Basic anatomy and physiology of plants, animals and microbes.
SCIENCE IN PRACTICE

**DESCRIPTION**
The program of study is based on a thematic, life-related approach to the study of science and draws from the disciplines of biology, chemistry, earth sciences and physics. Science in Practice uses a contextualised approach, where units deliver the core through electives. To enhance scientific understanding of the physical world.

**TOPICS COVERED**
- Science for the workplace
- Resources, energy and sustainability
- Health and lifestyle
- Environments
- Discovery and change

**STUDENTS WILL GAIN AN UNDERSTANDING OF:**
- Scientific literacy and working scientifically
- Workplace health and safety
- Effective communication and self-management skills.

LEGAL STUDIES

**DESCRIPTION**
Legal Studies is a two-year program that is highly recommended if you want to gain an ATAR score. If you like the idea of learning about your legal rights and responsibilities, the dynamic and evolving nature of law and appreciating how the legal system is relevant to your community. You will examine tensions between changing social values, justice and equitable outcomes.

**TOPICS COVERED**
- Foundations of law, criminal investigation process, criminal trial process, punishment and sentencing
- Civil law foundations, contractual obligations, negligence and the duty of care
- Governance in Australia and law reform within a dynamic society
- Human rights, the effectiveness of international law and Human rights in Australian contexts

**STUDENTS WILL GAIN AN UNDERSTANDING OF:**
- Comprehending legal concepts, principles and processes
- Analysing legal issues and evaluating legal situations
- Examining and justifying diverse viewpoints

BUSINESS STUDIES

**DESCRIPTION**
Once enrolled in Business Studies, you will be involved in a range of contemporary real world activities. Business learning involves a range of experiences that provide knowledge, processes and skills that can be applied to business in the real-world. You will gain an understanding of business environments and have the opportunity to engage in practical business projects.

**TOPICS COVERED**
- Events and sports management
- Marketing
- Retail and real estate
- Financial services

**STUDENTS WILL GAIN AN UNDERSTANDING OF:**
- The technologies utilised in day to day business operations
- How teamwork facilitates innovation and success in business
- Communication strategies that can be used to sell ideas and build partnerships.

INFORMATION AND COMMUNICATION TECHNOLOGY

**DESCRIPTION**
Information and Communication Technology (ICT) is a practical course designed to train you to produce solutions to simulated problems. Through practice in problem solving in a variety of contexts, both individually and collaboratively, it creates adaptable, competent and self-motivated users and consumers of ICT who can work with clients and colleagues to identify issues and solve problems.

**TOPICS COVERED**
- Digital imaging and modeling
- Document production
- Online communication and application development
- Technology
- Webpage production
- Technology and society

**STUDENTS WILL GAIN AN UNDERSTANDING OF:**
- Current and emerging hardware and software combinations
- Social, environmental and legal impacts of your actions
- Skills needed to solve technical and creative problems
- Rapidly changing ICT practices and protocols.

SOCIAL AND COMMUNITY STUDIES

**DESCRIPTION**
Social and Community Studies aims to foster an appreciation of, and respect for, cultural diversity and encourages responsible attitudes and behaviours essential for the effective participation in the community.

The course fosters critical, creative and constructive thinking, and predominantly focuses on personal development and social skills, with emphasis placed on developing communication, personal, interpersonal and citizenship skills, problem solving and decision making, resilience, self-esteem and self-confidence. Essential workplace, learning, and study skills are also incorporated.

**TOPICS COVERED**
- Growing and developing as an individual
- Living with and relating to others
- Receiving from and contributing to community
- Health
- Money management

**STUDENTS WILL GAIN AN UNDERSTANDING OF:**
- The development of personal, interpersonal and citizenship skills
- Social contexts and issues
- Language conventions and features to communicate ideas and information
- Communicating the outcomes of social investigations
- Appraise inquiry processes and the outcomes of social investigations.
VISUAL ARTS IN PRACTICE

DESCRIPTION
Visual Arts in Practice encompasses art forms that communicate and express meaning through visual perception. This program gives you the opportunity to apply your knowledge and understanding of visual arts practices, visual mediums, art-making technologies and techniques to communicate meaning through visual forms.

TOPICS COVERED
- 2D media processes – drawing, painting and print making
- Digital media processes – ceramics and sculpture
- Visual literacy
- Artwork realisation

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- How to seek creative solutions to design problems
- How to apply critical thinking to meet deadlines
- How to demonstrate creative and technical skills
- Relevant workplace health and safety practices.

MUSIC IN PRACTICE

DESCRIPTION
In this subject you will develop skills in all areas of music including: performance, management, technology and creation. This is a hands-on practical course where you have the opportunity to regularly rehearse, set-up, perform and market.

TOPICS COVERED
- Arts management
- Performance principles
- Career pathways
- Acting (stage and screen)
- Stage and lighting

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- How to confidently perform on stage for an audience
- The business, marketing and administration that goes into funding and planning performances
- The intricacies of establishing a career in the performing arts.

AQUATIC PRACTICES

DESCRIPTION
Aquatic Practices is a practical course designed to develop knowledge, skills and attitudes associated with the safe and responsible use of the marine environment. When you complete this course you will be equipped to participate more safely in a variety of marine pastimes. The delivery methods used in the Aquatic Practices program involves practical application of knowledge and skills using Moreton Bay and its facilities as the focus of learning and practice.

TOPICS COVERED
- Recreational shipmasters licence
- Weather, tides and currents
- Personal water safety and safe working practices
- Recreational fishing and snorkelling
- Boat handling and navigations

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- Essential skills for safety on the water across a variety of vessels
- Professional practice in commercial maritime setting
- Local maritime laws and regulations.

HEALTH EDUCATION

DESCRIPTION
The focus of Health Education is the understanding of health in the context of society, and the mechanisms necessary to develop and promote health for individuals, groups, communities and nations. Health Education offers you the opportunity to develop the knowledge, attitudes, values and skills needed to help you reach your health potential and to participate effectively in the promotion of equitable health outcomes.

TOPICS COVERED
- The ecological interaction between human health and the environment
- The need for health to be considered at all levels
- Individual and collective participation in the maintenance and promotion of their own health

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- The health realities of living in contemporary Australia
- Increasing community capacity and individual empowerment
- How to develop and promote essential health initiatives.

DRAMA IN PRACTICE

DESCRIPTION
This is an exciting program if you are interested in the performing arts industry. It offers you hands-on experience in various styles of acting, through involvement in various plays, monologues, auditions, performances and events throughout the year.

This program is not just for ambitious actors but also for those of you who want to be involved in all areas of performing arts, film, entertainment and music.

TOPICS COVERED
- Arts management
- Performance principles
- Career pathways
- Acting (stage and screen)
- Stage and lighting

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- How to confidently perform on stage for an audience
- The business, marketing and administration that goes into funding and planning performances
- The intricacies of establishing a career in the performing arts.

HEALTH EDUCATION

DESCRIPTION
The focus of Health Education is the understanding of health in the context of society, and the mechanisms necessary to develop and promote health for individuals, groups, communities and nations. Health Education offers you the opportunity to develop the knowledge, attitudes, values and skills needed to help you reach your health potential and to participate effectively in the promotion of equitable health outcomes.

TOPICS COVERED
- The ecological interaction between human health and the environment
- The need for health to be considered at all levels
- Individual and collective participation in the maintenance and promotion of their own health

STUDENTS WILL GAIN AN UNDERSTANDING OF:
- The health realities of living in contemporary Australia
- Increasing community capacity and individual empowerment
- How to develop and promote essential health initiatives.
CHOOSE YOUR PATHWAY

Whether you have decided on an ATAR Pathway or QCE and/or Vocational Pathway, have a think about what subjects you would like to study. Bring this along with you to your interview.

**ATAR PATHWAY**
5 GENERAL SUBJECTS OR
4 GENERAL SUBJECTS + AN APPLIED SUBJECT OR COMPLETED CERTIFICATE III OR HIGHER.

**QCE AND/OR VOCATIONAL PATHWAY**
4 QCAA SUBJECTS + 1 VOCATIONAL CERTIFICATE OR 5 QCAA SUBJECTS

**ATAR AND QCE PATHWAY SUBJECTS**
- ENGLISH
- MATHEMATICS
- BUSINESS
- BIOLOGY
- LEGAL STUDIES
- HEALTH EDUCATION

**QCE AND/OR VOCATIONAL PATHWAY SUBJECTS**
- ESSENTIAL ENGLISH
- ESSENTIAL MATHEMATICS
- BUSINESS STUDIES
- INFORMATION AND COMMUNICATION TECHNOLOGY
- SOCIAL AND COMMUNITY STUDIES
- VISUAL ARTS IN PRACTICE
- HEALTH EDUCATION
- MUSIC IN PRACTICE
- DRAMA IN PRACTICE

Programs are subject to change and commencement is subject to sufficient student numbers.
While you study with us, our campuses will be your home away from home. While ‘Do Year 11 and 12 Differently’ program is only offered at Alexandra Hills Campus, we’ve made sure each location is welcoming, lively and perfect for productive learning. From purpose-built classrooms and studios, to simulated training settings, we have the right environment for you to learn the practical skills you need to be a job-ready graduate.

We regularly collaborate and consult with top industry groups and commercial businesses. As a result, we’re able to leverage our relationships with industry and business and provide you with workplace training opportunities, skills workshops, professional development events and business breakfasts. Real world assessments will harness your current knowledge and challenge you to excel.

TAFE QUEENSLAND LOCATIONS

TAFE Queensland campuses are spread over many locations across south-east of Queensland. We are perfectly placed to help you make the most of everything that Queensland has to offer educationally, socially and geographically.

Visit our website for detailed maps of each campus: tafeqld.edu.au
