TAFE Queensland has a history of serving Queensland’s communities for more than 138 years as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 110,000 students each year at more than 50 locations across Queensland and we offer more than 500 practical, industry-relevant qualifications ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, we also offer a range of TAFE at School qualifications. The great thing about a TAFE at School qualification is that it fits around your studies and helps you kick start your career sooner. Completing a TAFE at School qualification also gives you direct entry into most TAFE Queensland qualifications, access to a variety of university pathways, and multiple ways to get started on your trade qualification.

From 2021 the Australian Tertiary Admission Rank (ATAR) will be used for entry to tertiary study in Queensland. Completing a Certificate III level or above TAFE at School qualification can contribute to your ATAR and provide pathways options that can get you started on your degree sooner.

This guide features a range of information about our TAFE at School program from qualifications to trade and university pathways, intakes to payment options and information tailored to your parents and schools. For further information you can also visit our website at tafeqld.edu.au/schoolstudents, call 1300 308 233, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. There is always an option and a pathway that is right for you, so see where TAFE can take you in 2021 and beyond.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

I really liked my TAFE at School training a lot and I enjoyed the break from my regular Year 11 timetable. Everything that I was learning through TAFE at School was very real-world focused, there were a lot of practical lessons as well as the theory side of things.

I submitted my resume to a salon and the owner was really impressed that I was already studying hairdressing. She told me that it was amazing that I was receiving hands-on experience and that the skills I had already gained would help me in the workplace.

ABOUT TAFE AT SCHOOL

BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)*
- Direct entry to any related TAFE Queensland course
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you’re still at school in a way that best suits you.

ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you’ll get a taste of what it’s like to study in a higher education setting. You’ll also learn from our highly qualified teachers and benefit from their vast experience.

AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at NO COST. The program allows students to experience the Trades industry by studying one unit of competency from different Trade areas.

INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you’re still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit training.qld.gov.au/apprenticeshipsinfo.

Enrolment into a TAFE at School course is subject to eligibility requirements. Talk to your school VET coordinator or guidance counsellor or contact your TAFE at School team on north.schools@tafe.qld.edu.au

*Eligibility conditions apply.

COSTS AND PAYMENT OPTIONS

Costs vary from course to course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to the VETiS section of training.qld.gov.au. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you’re under 18 you will need a guarantor. Applications will be subject to credit checks. For information about our withdrawal and refund policy, visit the TAFE Queensland website: tafeqld.edu.au.

STUDENT SUPPORT

At TAFE Queensland we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school’s student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE Queensland environment.
POST-SCHOOL OPTIONS

BECOME AN APPRENTICE OR TRAINEE
Learn hands-on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.
Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you’re actively interested in their industry.
The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.
For more information visit tafeqld.edu.au/apprentices.

GET READY FOR UNIVERSITY
If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.
With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.
Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.
For more information visit tafeqld.edu.au/atp.

GO TO UNIVERSITY
There’s more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.
In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.
Many of our diploma courses have formal articulation arrangements with some of Australia’s top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.
For more information visit tafeqld.edu.au/pathways.

APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA
After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.
It’s as simple as getting in contact with us and letting us know which course you want to study.
Check out our website to see our full range of courses, from certificates through to diplomas and degrees at tafeqld.edu.au/courses.
There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.
It’s tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure’s on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education is for everyone. Most careers need some form of education and training. But they don’t all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

BUSTING VET MYTHS

The 2017 Perceptions are Not Reality report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it’s 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child’s needs and help them kick start their career.

INFORMATION FOR SCHOOLS

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they’re tactile learners, VET may be where they will really shine.

HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit tafeqld.edu.au/advisors.

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland’s Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

IVET ONLINE PORTAL

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit tafeqld.edu.au/education-support or contact us today.

CONTACT US

For more information please contact your local TAFE at School team at north.schools@tafe.qld.edu.au.
While you study with us, our campuses will be your home away from home. That’s why we’ve made sure each location is welcoming, lively and perfect for productive learning.

TAFE Queensland campuses are spread over many locations across Queensland. We are perfectly placed to help you make the most of everything that Queensland has to offer educationally, socially and geographically.

The Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20318 qualification is issued by TAFE Queensland and will be awarded at the completion of successful study. However in order to actually “work” on a commercial vessel, students must obtain a Certificate of Competency from the Australian Maritime Safety Authority (AMSA).

Please note this Certificate of Competency is optional and only required if you wish to work in the maritime industry and it is the responsibility of the student as there are a number of components related to the application.

This application must be submitted to AMSA within 12 months of the issue date on your AMSA Mandated Practical Assessment (AMPA) issued by TAFE Queensland at the completion of successful studies.

Additional information will be provided on application.
