

RURAL SUPPORT TRAINING

Farm Safety Development Program 1

If you're a business owner, manager or supervisor, a strong understanding of your obligations and responsibilities under the Workplace Health and Safety Act 2011 is essential. This five day program will help you to improve and implement workplace and farm safe work practices to reduce the risk of injuries and fatalities.

This non-accredited program will provide you with the skills and knowledge to enable you to fulfil the role of Health and Safety Representatives (HSR), as set out in the Work Health and Safety Act, 2011.

Fully funded under the Rural Support Training program. Eligibility criteria applies.
