

2024

# Course Guide

Ipswich, Darling Downs,  
South Burnett, Fitzroy Region  
and South West Queensland

# Our locations

Refer to the back cover of this brochure for campus addresses. For detailed maps of each campus, visit [tafeqld.edu.au/locations](https://tafeqld.edu.au/locations)

A dark red silhouette of the state of Queensland is centered on the page. Overlaid on the map are several white dots representing TAFE locations, each with a label. A decorative horizontal band with a wavy line and circular patterns runs across the middle of the map. A large, faint wheel-like graphic is visible on the left side of the map.

graduates go on to  
work or further study

**500 +**  
short courses and  
micro-credentials to  
bachelor degrees

Anthea  
Nursing graduate

# Ways you can study

## On campus

You'll learn face-to-face with a teacher in one of our learning spaces like a classroom, workshop, laboratory or simulated learning environment. You can also interact with your teachers using live video or web conference programs. You may also need to access our learning management system, Connect, to access resources, assessment details or submit assessments.

## On campus with some online

You'll primarily learn face-to-face with a teacher in one of our learning spaces like a classroom, workshop, laboratory or simulated learning environment. In this study mode you will attend a TAFE Queensland campus most of the time, but some of your classes or training may be via video or web conference programs (like Zoom).

## Online self-directed

Our online self-directed courses are designed for individuals who want the flexibility to study at their own pace and cannot or prefer not to attend on campus or be locked into attending classes at specified times. You will access learning materials including documents, videos, assessments and more through Connect – our learning management system and will complete self-paced study.

## Online virtual classroom

Your course will be delivered online, but to a scheduled timetable. To complete your study you will interact with your teachers and other students using live video or web conference programs (like Zoom), and access learning materials through Connect – our learning management system.

## Recognition of prior learning (RPL)

If you've completed prior study or have significant work experience, applying for credit transfers or Recognition of Prior Learning (RPL) can reduce study time and costs.

## Online with on campus practical training

Your course is primarily online, however you will need to come into a campus to undertake face-to-face practical learning and assessment. As an online student you will access learning materials through Connect – our learning management system and may interact with your teachers and other students using live video or web conference programs.

## Residential blocks

Some of our courses are delivered via mixed mode in intensive blocks of training and distance education. You may be required to travel away from home to complete this type of study. Funding support may be available to assist students with travel, accommodation and meal costs. Students must provide evidence of ABSTUDY eligibility.

## Apprenticeship

Earn while you learn. Work and earn a wage with an employer while you complete hands-on training and a nationally-recognised qualification.

## Traineeship

Work and learn at the same time. Combine on-the-job training with an employer, while you study and get paid.

## TAFE at School

If you're a Year 10\*, 11 or 12 student, you can complete a range of certificate I and certificate II courses. TAFE at School courses work in with your existing high school studies and also count towards your Queensland Certificate of Education (QCE).

\*Subject to a letter of support from the school Principal.

# Support services

Everyone's journey is different and sometimes you need some extra support. We're here to help. Free and confidential support services are available to all students. [tafeqld.edu.au/student-support-services](https://tafeqld.edu.au/student-support-services)

## Learning support

The Learning Skills team is ready to assist you with:

- Basic Key Skills Builder (bksb) skills review
- Your digital, reading, writing and mathematic skills
- Succeeding in your course, whichever way you are studying
- Time management and preparing for exams
- Help with assignments, referencing and essay writing
- Studiosity: 24/7 on-demand, online study help for academic literacy skills and core subject support.

## Basic Key Skills Builder (bksb)

The bksb is an approved online skills review tool used by TAFE Queensland to determine your English and maths levels within the Australian Core Skills Framework (ACSF).

We want to make sure you have the right skills and support to be successful in your course. The bksb helps us identify any areas where you may need additional support to help you achieve your goals.

**We recommend all new students undertake a bksb assessment before starting any training, for some courses this may be an entry requirement.**

## AccessAbility support

If you identify with having a disability, our staff can work with you to develop a support plan. This may include:

- Communicating with your teacher on your behalf, if required
- Providing sign language interpreters, readers and scribes
- Loaning you assistive technology
- Coordinating alternative assessment arrangements.

## Counselling support

Short-term counselling is available for all students. Support services include:

- Deciding what career path to follow
- Choosing the right course
- General difficulties with student life
- Personal and complex issues
- Cross-cultural and special needs
- Service referrals for long-term support.

## Aboriginal and Torres Strait Islander student support

Indigenous Student Support Officers are available to assist Aboriginal and Torres Strait Islander students to reach their educational goals by providing support in a culturally sensitive manner. Indigenous Student Support Officers assist with:

- Enrolment processes
- Centrelink ABSTUDY enquiries
- Tutor support
- Referrals to other community service providers
- Enrolment into 'Away from Base' courses
- Personal support.

To talk to an Indigenous Student Support Officer call **4042 2595**.

## Internet/WiFi

WiFi hot spots are available at various campuses. Student computers are equipped with Internet access. To find out how to connect, visit [tafeqld.edu.au/wifi](https://tafeqld.edu.au/wifi)

## Libraries

All TAFE Queensland students receive automatic library membership which gives you access to our physical library services as well as an extensive range of digital resources that are available to use at any time.

Our library network allows both online and on-campus students to access information and borrow resources from across all TAFE Queensland libraries.

Our fully qualified library staff can help you:

- Use the library facilities including the library catalogue
- Access digital resources including eBooks, eJournals, streaming videos, and databases
- Reserve resources from other campuses
- Start to research your assignment topic
- Reference assignment sources to avoid copyright and plagiarism issues.

[library.tafeqld.edu.au](https://library.tafeqld.edu.au)

# Qualifications explained

We offer a full range of nationally-recognised qualifications from entry-level certificates through to advanced diplomas. We also offer comprehensive trade training from beginner to advanced levels.

## Certificates

### Certificate I

Certificate I courses cover base-level skills for entry into the workforce.

### Certificate II

Certificate II courses prepare you for entry-level positions or apprenticeships in a variety of industries.

### Certificate III

Certificate III qualifications are ideal for those wanting to gain a trade, change careers or move out of entry-level roles.

### Certificate IV

Certificate IV courses typically interest those who want to advance their careers in the industry they already work in, or further develop skills and knowledge acquired through previous study.

## Diplomas

### Diploma

Diploma courses develop broad and in-depth skills in professional, technical or creative fields.

### Advanced Diploma

An advanced diploma is ideal for ambitious professionals wanting to fast-track their career.

## University pathways

There's more than one way to get into your dream university course. We have a range of pathway options that can get you started on your university degree sooner.

Explore your options at: [tafeqld.edu.au/courses/pathways-to-university](https://tafeqld.edu.au/courses/pathways-to-university)

## Trade qualifications

### Pre-apprenticeship courses

Pre-apprenticeships are a great way to improve your prospects of gaining an apprenticeship, develop practical skills in your trade, and gain credit towards a full apprenticeship.

### Apprenticeships

Earn while you learn by undertaking an apprenticeship with TAFE Queensland. Completing an apprenticeship is essential if you want to become a qualified tradesperson.

### Traineeships

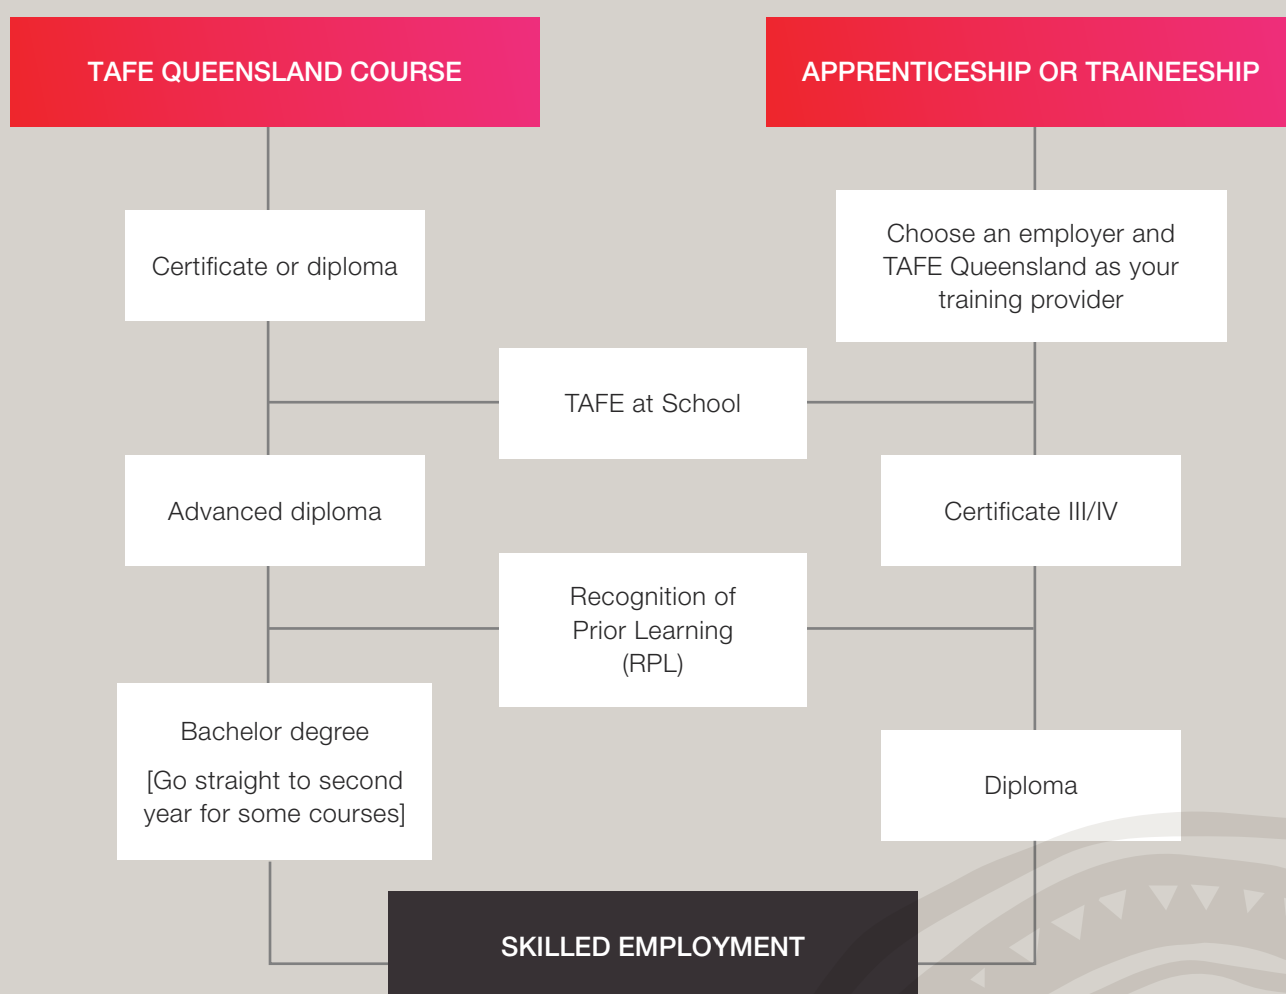

Much like apprenticeships, traineeships give you the opportunity to combine training with a paying job. Trainees are trained in vocational areas such as early childhood education and care, or business.

### Post-trade training

Post-trade training is great if you want to specialise, gain a specific trade licence, gain credit towards university, or expand your horizons after completing an apprenticeship.

# Pathways to your future

TAFE Queensland has a range of pathway options that can get you started on your university degree sooner. If you didn't finish Year 12, complete the required prerequisites, or get the ATAR you needed, TAFE Queensland can help you get into your preferred university degree.

# Subsidies and payment options

As a TAFE Queensland student, there are a range of subsidies, concessions, loans and scholarships you may be eligible for, to assist you with the cost of your study.\* For more information, visit [tafeqld.edu.au/what-it-costs](https://tafeqld.edu.au/what-it-costs)

## Payment plans

TAFE Queensland offers an interest free payment plan option to approved students allowing them to pay their fees in instalments over the duration of their study. Payment plans are available for both full fee paying students and students paying a subsidised tuition fee. Terms and conditions apply and payment plans are only offered through direct debit bank contracts. To find out if you're eligible for government and independent funding to help reduce the cost of your training, visit [tafeqld.edu.au/eligibility-calculator](https://tafeqld.edu.au/eligibility-calculator)

## Scholarships

Achieve your career goals with the help of a TAFE Queensland Scholarship. For further information, visit [scholarships.tafeqld.edu.au](https://scholarships.tafeqld.edu.au)

## VET Student Loans

If you are eligible, you may be able to apply for a VET Student Loan. You can view the fee schedules for the list of available courses that are eligible for a VET Student Loan at [tafeqld.edu.au/vsl-fee-schedules](https://tafeqld.edu.au/vsl-fee-schedules)

## Student portal

Through the portal, you can pay your fees, update your details, access your Statement of Account, check your academic results and submit electronic requests. For example: Credit Transfer application, change of name. [tafeqld.edu.au/student-portal](https://tafeqld.edu.au/student-portal)

\*Subsidies and payment options are subject to change.

# How to apply

## 1 Choose your course

Make sure you fully understand the course details and fees.

## 2 Entry requirements

Some courses don't have any entry requirements, however may require previous qualifications, skills or knowledge. You can find this information on all course pages on our website under Important Information.

## 3 Your rights and responsibilities as a student

It is important that you take the time to familiarise yourself with the TAFE Queensland Student Rules and Policies on our website. Visit [tafeqld.edu.au/student-rules](https://tafeqld.edu.au/student-rules)

## 4 Complete your application

- Go to [tafeqld.edu.au/eligibilitydocuments](https://tafeqld.edu.au/eligibilitydocuments) to view eligibility documents required.
- Gather and upload your eligibility documents to submit online via the Apply Now button on the course brochure, apply via the **Student Portal** or provide hard copies to a Customer Service Centre.
- Arrange payment and enrol.

# Apprenticeships and traineeships

Apprenticeships and traineeships combine paid work with structured training to gain a qualification. At TAFE Queensland, we work with your employer to help you successfully gain competence in a trade (apprenticeship) or a vocational area (traineeship).

Upon completion, you may find yourself in a great place to keep working, go on to future study or even start your own business!

Did you know you can start an apprenticeship or traineeship during high school, after school or if you've been in the workforce for a long time?

Traineeships vary in length from six months to three years, while apprenticeships generally take three to four years to complete. TAFE Queensland will assist you and your employer to get started and will provide ongoing support every step of the way!

## Four easy steps to become an apprentice or trainee

### 1 Choose the right apprenticeship or traineeship

- Think about what you enjoy doing and what your interests are.
- Speak to your family, friends or your school career counsellor or guidance officer.
- Get the facts at [apprenticeshipinfo.qld.gov.au](http://apprenticeshipinfo.qld.gov.au)

### 2 Find an employer

You can be employed directly by a business. The business will pay your wages and train you with the support of a training organisation

#### To find an employer:

- Contact businesses either in person or through a letter
- Apply for jobs advertised in the newspaper
- Search for jobs on websites: [workforceaustralia.gov.au](http://workforceaustralia.gov.au), [seek.com.au](http://seek.com.au) and [careerone.com.au](http://careerone.com.au)
- Using your personal networks – talk to family and friends to see if they know anyone who could employ you as an apprentice or trainee.
- Contact a Jobactive provider – these organisations can provide you with a list of job vacancies in your area. Visit [workforceaustralia.gov.au](http://workforceaustralia.gov.au)
- You can be employed by a group training organisation who will place you with different businesses to gain on-the-job experience, pay your wage and organise your training. To find a group training organisation visit [desbt.qld.gov.au/training/employers/gto](http://desbt.qld.gov.au/training/employers/gto)

### 3 Choose your training partners

- Work with an Australian Apprenticeship Support Network: They will work with you and your employer at this stage to help you complete the training contract.
- Choose a training organisation: You and your employer will choose a training organisation (TAFE) who will work with you throughout the apprenticeship or traineeship. Visit the Australian Apprenticeship Support Network at [australianapprenticeships.gov.au](http://australianapprenticeships.gov.au) for more information.

### 4 Get started

- Complete your paperwork: Speak to your employer and your training organisation to complete your paperwork and develop your training plan.
- Use the probationary period: Probation is a period when the apprentice or trainee works and trains with an employer before each decides whether to continue.

# Business and IT

Whether you're pursuing a career in management, human resources, marketing, accounting, or finance – we have a course to suit your business goals.

Discover a challenging and meaningful career in legal services, crime and justice, or government and public service, and ensure you're at the forefront of the latest developments with our industry-based IT courses.

Career outcomes include:

General manager • Human resources manager • Marketing coordinator  
Conveyancer • Corrective services officer • Customs officer • Law clerk  
Accountant • Auditor • Bookkeeper • Payroll officer • Franchisee

# Education and Community

Discover career opportunities within Australia and overseas with our range of education and community courses.

You can develop hands-on skills for a rewarding career in early childhood education and care, or education support, and give children a fun, safe and supportive environment to learn and grow. Or you can work to promote the safety and well-being of children, families, and at-risk people in community services.

If you want to develop or improve your English language skills, prepare to enter or re-enter the workforce, take the first step towards a vocational pathway, or teach others, TAFE Queensland has a course to get you there.

Vocational placement requirements may apply.

Career outcomes include:

Child protection officer • Community health worker • Counsellor

“

We had a really good, tight-knit group as a class and it was just always fun. We had a lot of meetings, group chats, and we just all got along really well, and because of that, I think we all succeeded in the course.

Thomas  
Certificate III in Individual Support  
– Disability (CHC33021)

# Environment and Animal Services

Whether you're looking for a career in the great outdoors, have a passion for conservation, or want to care for animals, we have a course for you.

Our practical courses will allow your skills to bloom and qualify you to work across a wide range of jobs in agriculture, horticulture and plant production. Or if working with creatures great and small is your goal, we'll give you the skills you need to launch your career in animal or veterinary services.

Career outcomes include:

# Infrastructure and Transport

TAFE Queensland's range of transport and logistics courses will get you moving in an exciting career. Develop specialist knowledge in transport and logistics planning, supply chain management, and operations and risk management with our advanced-level courses.

The logistics and warehousing industries involve the storage and distribution of goods and products between suppliers and customers. During your study, you'll gain valuable supply chain skills including receiving and dispatching goods, picking and processing orders, stocktaking, and managing transportation.

You can also learn how to transport your passengers or cargo safely between destinations and set yourself on the road to a career as a freight or bus driver.

Career outcomes include:

Bus driver • Freight handler • Logistics manager  
Warehouse supervisor

 ● Recognition of prior learning (RPL) ● Residential blocks ● Apprenticeship or traineeship ● TAFE at School ● Mixed mode

“

I've learnt different types of cuts, like how to chiffonade for example. I'm also discovering all the finer details involved with food preparation, including how to quickly navigate a commercial kitchen.

Plus, it's been great making friends.

---

Shakaya  
Certificate II in Cookery (SIT20421)

# Trades

Learn the tricks of the trade, develop lifelong skills and earn qualifications to open the door on a rewarding career across a wide range of industries.

Develop the practical skills to work across a wide range of trade areas and specialisations including electrotechnology and refrigeration, building and construction, engineering and manufacturing, automotive, and safety.

No matter what qualification you choose, at TAFE Queensland you will learn from experienced teachers using industry-standard equipment and technology in our purpose-built facilities. You'll graduate with the skills you need to establish a rewarding career.

Vocational placement requirements may apply.

Career outcomes include:

Light vehicle mechanic • Electrician • Carpenter • Joiner • Builder  
Civil construction supervisor • Structural designer • Project manager  
Site supervisor • Plumber • Hydraulic design consultant • Boilermaker  
Draftsperson • Engineering associate • Automotive electrical technician  
Painter • Locksmith • Welder

Course		Mode	Location
Automotive			
AUR20220	Certificate II in Automotive Air Conditioning Technology	●	Ipswich, Kingaroy, Toowoomba, Warwick
