TAFE at School
Course Guide

**Darling Downs, South Burnett
and South West Queensland**

tafe
Queensland

Welcome
from the CEO

For over 140 years TAFE Queensland has proudly served Queensland's communities as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 126,000 students each year at more than 60 locations across Queensland, and we offer more than 400 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 10, 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum, that fits around existing studies. Delivery of the TAFE at School program may be undertaken at a TAFE Queensland location, in selected schools, or in the workplace as a school-based apprentice or trainee.

Completing a qualification through our TAFE at School program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways by contributing to your ATAR, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at **tafeqld.edu.au/ schoolstudents**, call 1300 308 233, or visit your local campus customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2025 and beyond.

John Tucker
Chief Executive Officer
TAFE Queensland

Contents

Get more out of high school with TAFE at School

If you're a Year 10, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

ℹ How to apply

To submit an application for a TAFE at School course, visit **www.tafeapply.com**

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to **www.usi.gov.au** to get one. Applications open 15 July 2024.

Studying at TAFE

Why study at TAFE Queensland?

TAFE Queensland is the largest, most experienced training provider in the state, with a history of serving Queensland's communities for more than 140 years. We offer more than 400 practical, industry-relevant courses from entry-level certificates to bachelor degrees. Our training is delivered to over 126,000 students each year across more than 60 locations in Queensland.

In 2022-23 we trained

126,000 students

Over 550
university pathways are available

100%
of our diploma and higher-level courses have diploma-to-degree pathways

We have an
89.5% student satisfaction rating
(and we're working very hard on the other 10.5%)

We have a
92.1% employer satisfaction rating

Every $1 spent
by TAFE Queensland supports
$2.55 of added-value
in the Queensland economy

Over 60
locations

Over 85%
of our graduates go on to work or further study*

TAFE at School

Benefits of TAFE at School

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits
- May contribute to your Australian Tertiary Admissions Rank (ATAR)
- Direct entry to any related TAFE Queensland course
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

Flexible study options

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

On campus

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

At School

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

Industry experience

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

Year 10 taster

Year 10 school students have access to a Year 10 Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience an industry area without needing to commit to a full qualification or apprenticeship.

School-based apprenticeship or traineeship

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call **1800 210 210** or visit **desbt.qld.gov.au/training**.

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

Important information

Term dates 2025

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

		QUEENSLAND SCHOOLS		TAFE QUEENSLAND
TERM 1	START	Tuesday 28 January	START	Monday 3 February
	FINISH	Friday 4 April	FINISH	Friday 4 April
TERM 2	START	Tuesday 22 April	START	Tuesday 22 April
	FINISH	Friday 27 June	FINISH	Friday 27 June
TERM 3	START	Monday 14 July	START	Monday 14 July
	FINISH	Friday 19 September	FINISH	Friday 19 September
TERM 4	START	Tuesday 7 October	START	Tuesday 7 October
	FINISH	Friday 12 December	FINISH	Friday 31 October

Most TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12 so you can nail your final assignments and exams. Bonus: you're ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick start your career.

Student support

Everyone's journey is different and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at **tafeqld.edu.au/studentsupport**.

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

Cost and payment options

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to **desbt.qld.gov.au/training/providers/funded/vetis**. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: **tafeqld.edu.au/policies**.

Pathways to your future

TAFE Queensland has a range of pathway options that can get you started on your university degree sooner. If you didn't finish Year 12, complete the required prerequisites, or get the ATAR you needed, TAFE Queensland can help you get into your preferred university degree.
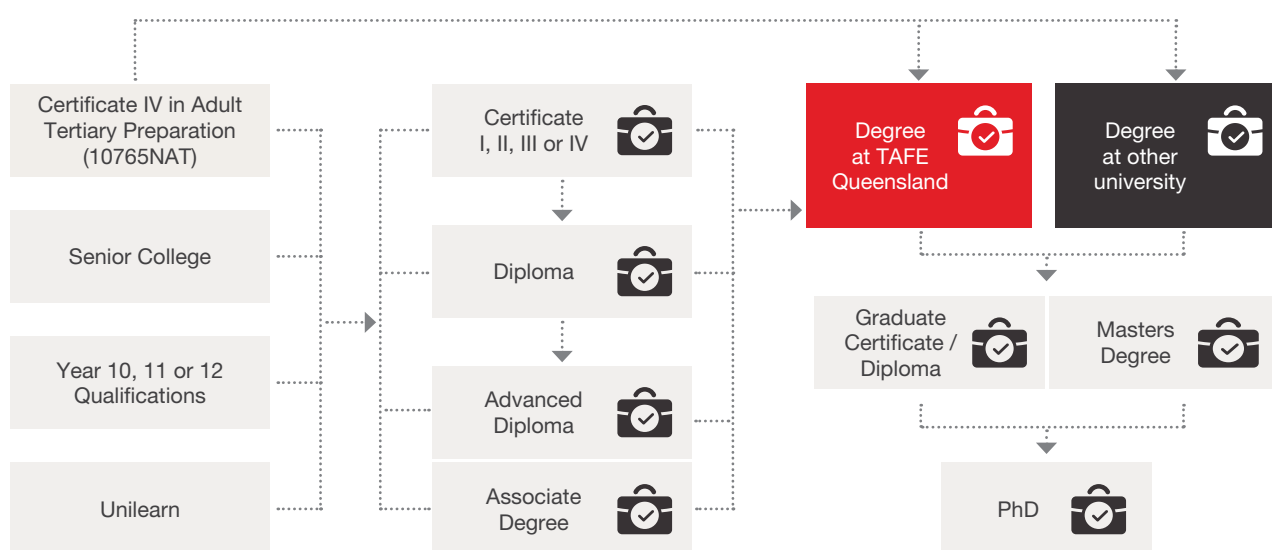

Our partner universities and higher education providers

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

Our locations

No other provider can match TAFE Queensland for scale and location options. With more than 60 locations across the state we have Queensland covered, no matter where you are.
To view all of our locations visit **tafeqld.edu.au/locations**.

Post-school options

Become an apprentice or trainee

Learn hands on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit **tafeqld.edu.au/apprentices**.

Apply for a TAFE Queensland certificate or diploma

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at **tafeqld.edu.au/courses**.

Get ready for university

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit **tafeqld.edu.au/atp**.

Go to university

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

For more information visit **tafeqld.edu.au/pathways**.

Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

How TAFE Queensland can help

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit **tafeqld.edu.au/advisors**.

Partnership with schools program

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

Training for school teachers

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

IVET online portal

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

Teacher Aide training

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit **tafeqld.edu.au/education-support** or contact us today.

ⓘ Contact us

For more information please contact your local TAFE at School team on **GOTAFE.SouthWest@tafeqld.edu.au**.

Information for parents

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

About vocational education and training

University is not for everyone. Vocational training is not for everyone. Education is for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

Why TAFE Queensland

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit **tafeqld.edu.au/parents**.

Busting VET myths

The 2017 Perceptions are Not Reality report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

Study areas

Whether you dream of a career in Nursing, Hospitality, Business, IT, Education, Community Services or a trade, TAFE Queensland has the course options to kick-start your career.

Business and IT

Whether you're pursuing a career in management, human resources, marketing, accounting, or finance – we have a course to suit your business goals.

Discover a challenging and meaningful career in legal services, crime and justice, or government and public service, and ensure you're at the forefront of the latest developments with our industry-based IT courses.

Education and Community

You can develop hands-on skills for a rewarding career in early childhood education and care or education support and give children a fun, safe and supportive environment to learn and grow. Or you can work to promote the safety and well-being of children, families, and at-risk people in community services.

Environment and animal services

Our practical courses will qualify you to work across a wide range of jobs in agriculture, horticulture and floristry. Or if working with creatures great and small is your goal, we'll give you the skills you need to launch your career in animal or veterinary services.

From our Rural Centre of Excellence and horticulture precincts, to fully equipped pet grooming salon and veterinary clinic, you'll graduate job ready with skills employers want.

Health and Science

TAFE Queensland offers practical, hands-on training that develops the skills you need to make a difference as a nurse, Aboriginal and Torres Strait Islander health care worker, pathology assistant, remedial massage therapist, and more.

Our purpose-built facilities feature industry-standard equipment and the latest in technology, so you can put theory into practice straight away. Combined with experienced teachers and vocational placements, you'll graduate with skills employers want.

Infrastructure and Transport

Infrastructure and transport are booming across the state, country and globe, opening the door for the next generation to create exciting careers in the industry.

Our courses will provide you with the high-level skills you need to apply for industry licences including Commercial Pilot Licence (CPL), Air Transport Pilot Licence (ATPL), CASA Remote Pilot Licence (RePL), as well as a range of Aircraft Maintenance Engineer licences.

As a qualified aviation professional you'll unlock an exciting career in an industry with strong demand.

Service Industries

Create an exciting and memorable career in events and travel, hair and beauty, hospitality and cookery, or the retail industry when you study one or more of our service industries courses.

At TAFE Queensland you'll not only learn the theory, but you'll develop hands-on skills and get real-world experience to give you the advantage in your industry of choice.

Learn using industry-standard equipment and technology in our purpose-built facilities. Get the skills, knowledge and confidence to work with clients and bring your career to life.

Trades

Develop the practical skills to work across a wide range of trade areas and specialisations including electrotechnology and refrigeration, building and construction, engineering and manufacturing, automotive, and safety.

No matter what qualification you choose, at TAFE Queensland you will learn from experienced teachers using industry-standard equipment and technology in our purpose-built facilities. You'll graduate with the skills you need to establish a rewarding career.

This course provides foundation knowledge in software, hardware and supporting frameworks required for autonomous environments, including innovative thinking, networking and programming.

Students will learn to understand Python (programming language) and use some of the coding, programming, and simulator technologies from MicroMelon Robotics.

Core units	
ACMGEN201	Work in the animal care industry
BSBCMM211	Apply communication skills
ACMGEN202	Complete animal care hygiene routines
ACMGEN203	Feed and water animals
ACMGEN204	Assist in health care of animals
ACMSUS201	Participate in environmentally sustainable work practices
ACMWHS201	Participate in workplace health and safety processes

Elective units	
ACMGEN205	Source and provide information for animal care needs
ACMBEH302	Provide enrichment for animals
ACMGEN309	Provide basic animal first aid
ACMSPE314	Provide general care of birds
ACMINF201	Handle companion animals safely and follow infection control guidelines

Pathway options

Pathway options	Career outcomes
• Certificate III in Animal Care Services ACM30122	Animal attendant, vet nursing assistant, pet groomer, doggie day care assistant, dog training, kennel or shelter attendant
• Certificate III in Wildlife and Exhibited Animal Care ACM30321	Wildlife ranger, zookeeper, assistant keeper, animal care attendant, wildlife animal care
• Certificate IV in Veterinary Nursing ACM40418	Veterinary nurse

University Pathways

- Bachelor of Veterinary Technology – Charles Stuart University
- Bachelor of Science – University of Southern Queensland

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* Students will be required to complete up to 100 hours of compulsory Vocational Placement in industry.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

CAMPUS
Toowoomba

DURATION
4 terms

STUDY MODE
Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 4 credits

Kick-start your career in the animal care industry with this entry-level course. Learn to assist with general animal care and monitor basic health and First Aid. This qualification will qualify you to provide care for animals in kennels, catteries, animal shelters, sanctuaries and veterinary clinics.

ABOUT ENVIRONMENT AND ANIMAL SERVICES

Certificate II in Rural Operations

COURSE CODE: AHC21216

☑ VETIS FUNDED*

Core units	
AHCWRK209	Participate in environmentally sustainable work practices
AHCWRK204	Work effectively in the industry
AHCWHS201	Participate in work health and safety processes

Elective units	
AHCCHM201	Apply chemicals under supervision
AHCIRG221	Assist with pressurised irrigation operations (Toowoomba)
AHCSOL203	Assist with soil or growing media sampling and testing (Toowoomba)
AHCINF205	Carry out basic electric fencing operations (Kingaroy, Roma)
AHCLSK204	Carry out regular livestock observation
AHCLSK205	Handle livestock using basic techniques (Kingaroy, Roma)
AHCINF206	Install, maintain and repair farm fencing (Kingaroy, Roma)
AHCINF207	Maintain properties and structures (Toowoomba)
AHCLSK209	Monitor water supplies (Kingaroy, Roma)
AHCMOM203	Operate basic machinery and equipment
AHCMOM217	Operate quad bikes (Kingaroy)
AHCMOM202	Operate tractors
AHCWRK213	Participate in workplace communications (Kingaroy, Roma)
AHCPGD207	Plant trees and shrubs (Toowoomba)
AHCLSK211	Provide feed for livestock
AHCPGD209	Prune shrubs and small trees
AHCPMG201	Treat weeds
AHCMOM204	Undertake operational maintenance of machinery

Pathway options

Career outcomes

Pathway options	Career outcomes
• Certificate III in Rural Operations AHC32822	Rural sales assistant, rural operations worker, senior rural operations farmhand
• Diploma of Agribusiness Management AHC51422	Property manager, production unit manager/administrator, farm manager/administrator, station manager, agribusiness manager/administrator
• Certificate IV in Veterinary Nursing ACM40418	Veterinary nurse

University Pathways

• Bachelor of Agricultural Technology and Management – University of Southern Queensland	

* Electives may differ across locations. Students will complete 12 elective units from the list above.

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

Certificate II in Health Support Services

COURSE CODE: HLT23221

☑ VETIS FUNDED*

Core units	
CHCCOM005	Communicate and work in health or community services
CHCDIV001	Work with diverse people
HLTINF006	Apply basic principles and practices of infection prevention and control
HLTWHS001	Participate in workplace health and safety

Elective units	
CHCCCS010	Maintain a high standard of service
HLTAID011	Provide First Aid
CHCCCS012	Prepare and maintain beds
CHCCCS026	Transport individuals
CHCCCS020	Respond effectively to behaviours of concern
BSBPEF202	Plan and apply time management
BSBMED301	Interpret and apply medical terminology appropriately
HLTWHS005	Conduct manual tasks safely

Pathway options

	Career outcomes
• Certificate III in Health Services Assistance HLT33115	Administration assistant, ward/hospital assistant, orderly, pathology courier, support service worker
• Diploma of Nursing HLT54121	Enrolled nurse

University Pathways

- Bachelor of Nursing HED007 - TAFE Queensland
- Bachelor of Nursing – Griffith University
- Bachelor of Nursing – University of Southern Queensland
- Bachelor of Nursing – Australian Catholic University
- Bachelor of Midwifery – Australian Catholic University
- Bachelor of Nursing Science – University of the Sunshine Coast
- Bachelor of Nursing – Queensland University of Technology

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

CAMPUS
Kingaroy, Toowoomba, Warwick, Roma

DURATION
4 terms

STUDY MODE
Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 4 credits

This qualification will give you the introductory skills to work in hospitals and the healthcare sector. Students will learn to recognise healthy body systems, comprehend basic medical terminology, understand infection control, provide client services and manage challenging behaviour.

This course was developed to reflect the role of workers who provide support for the effective functioning of health services, such as ward/hospital assistants and orderlies and support services workers.

Up to 4 credits

This qualification will provide you with the introductory technical skills and basic scientific knowledge for a career in a laboratory environment.

Students will learn how to collect, handle, and transport samples and develop basic testing and laboratory skills, gaining skills complementary to those of the mining, pharmaceutical, biological, and environmental science industries.

Certificate II in Sampling and Measurement

COURSE CODE: MSL20122

☑ VETIS FUNDED*

Core units	
MSL912002	Work within a laboratory or field workplace
MSL922002	Record and present data
MSL943004	Participate in laboratory or field workplace safety

Elective units	
MSL952003	Collect routine site samples
MSL972002	Take routine site measurements
MSL973025	Perform basic tests
MSL973026	Prepare working solutions
MSMENV272	Participate in environmentally sustainable work practices

Pathway options	Career outcomes
• Certificate III in Laboratory Skills MSL30122	Laboratory technicians, instrument operators, laboratory assistant
• Certificate III in Pathology Assistance HLT37415	Pathology specimen collector, pathology laboratory assistant
• Certificate III in Pathology Collection HLT37215	Pathology specimen collector, pathology assistant
• Certificate IV in Laboratory Techniques MSL40122	Biological technical assistant, food testing technical assistant, technical assistant (mineral assay), environmental technician, laboratory technician
• Diploma of Laboratory Technology MSL50122	Technical officer, laboratory, technician, analyst

University Pathways

- Bachelor of Medical Laboratory Science – Griffith University
- Bachelor of Science – Queensland University of Technology
- Bachelor of Biomedical Science – Australian Catholic University
- Bachelor of Biomedical Science – University of the Sunshine Coast
- Bachelor of Biomedical Sciences – University of Southern Queensland

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

HEALTH AND SCIENCE**

Enrolled Nurse Foundation Program

STUDY CONTRIBUTES TO HLT54121 DIPLOMA OF NURSING
COURSE CODE: HLT54121

Core units	
HLTAAP002	Confirm physical health status
HLTENN036	Apply communication skills in nursing practice
HLTAAP003	Analyse and respond to client health information
HLTWHS002	Follow safe work practices for direct client care
HLTINF006	Apply basic principles and practices of infection prevention and control
HLTENN037	Perform clinical assessment and contribute to planning nursing care
HLTENN038	Implement, monitor and evaluate nursing care plans
HLTENN045	Implement and monitor care of the older person
HLTENN041	Apply legal and ethical parameters to nursing practice

Elective units	
HLTAID011	Provide First Aid

Pathway options

- Nursing Foundation Program (Successful completion will allow direct entry into the Diploma of Nursing HLT54121 mainstream program with South West region, in the year immediately following completion of Year 12.)

Career outcomes

Enrolled nurse

University Pathways

- Bachelor of Nursing HED007 - TAFE Queensland
- Bachelor of Nursing – Griffith University
- Bachelor of Nursing – University of Southern Queensland
- Bachelor of Nursing – Australian Catholic University
- Bachelor of Midwifery – Australian Catholic University

ACADEMY OF SPORT

TAFE AT SCHOOL PROGRAM

Learn in an active sporting environment

Taught by sporting experts

Develop your skills and lead practice sessions

Meet top-level athletes and club reps

Connect with athletes from other schools

Advance your coaching skills

Conduct athlete testing

Track and achieve your goals

The Academy of Sport TAFE at School program promotes excellence by equipping senior high school sports enthusiasts with the right tools to pursue success in and outside the sporting arena. Various sporting codes and locations are available in 2025, with students undertaking regular practical sessions, guest speaker workshops and building athlete development knowledge throughout the program. Sessions are split between theory and hands-on delivery to advance the learning experience.

This innovative program partners with peak Queensland sporting clubs and bodies, allowing students to develop the skills and knowledge in a sport-specific learning environment one (1) day per week. Providing them with a valuable behind-the-scenes experience they would no get anywhere else.

Latest school report card, Queensland residency (at the time of enrolment) and Australian or New Zealand citizenship or permanent residency.

The Certificate II in Aircraft Line Maintenance (MEA20518) provides the basic level knowledge and skills required to perform a range of specified maintenance tasks on aircraft on a flight line or at the departure gate. After finishing the course, students will be well prepared for further study or vocational training, including aircraft maintenance engineering.

This course is delivered by Aviation Australia (RTO 30770) at the Toowoomba TAFE campus. All Aviation Australia programs are designed with a balanced focus on knowledge, skills, values and experience, ensuring that graduates enter employment with strong skills and a thorough understanding of aviation quality, safety and environmental standards.

// LEARN MORE

Certificate II in Aircraft Line Maintenance

COURSE CODE: MEA20518

☑ VETIS FUNDED*

Core units	
MEA107	Interpret and use aviation maintenance industry manuals and specifications
MEA117	Apply self in the aviation maintenance environment
MEA119	Perform administrative processes to prepare for certification of civil aircraft A level line maintenance
MEA154	Apply work health and safety practices in aviation maintenance
MEA155	Plan and organise aviation maintenance work activities
MEA156	Apply quality standards during aviation maintenance activities
MEA157	Complete aviation maintenance industry documentation
MEA158	Perform basic hand skills, standard trade practices and fundamentals in aviation maintenance
MEA264	Remove and install aircraft electrical/avionic components during line maintenance
MEA265	Remove and install general aircraft electrical hardware
MEA295	Use electrical test equipment to perform basic electrical tests on aircraft components
MEA344	Remove and install aircraft components
MEA418	Perform basic repair of aircraft internal fittings during line maintenance
MSMENV272	Participate in environmentally sustainable work practices

Elective units	
MEA345	Perform scheduled line maintenance activities on gas turbine engine fixed wing aircraft

Pathway options	**Career outcomes**
• Apprenticeship	Aircraft Maintenance Engineer (AME), Licenced Aircraft Maintenance Engineer (LAME)

AEROSCIENCE AVIATION THEORY COURSE

Your path to an exciting career in aviation

TAFE Queensland has partnered with CBT Systems Pty Ltd to bring the Aeroscience Aviation Theory course to Australian students. Set yourself apart from the crowd and gain the specialised knowledge required to excel in an aviation tertiary-level course or to gain your Private Pilot Licence (PPL) with the Civil Aviation Safety Authority (CASA).

Delivered entirely online, this non-accredited course is two (2) modules, each with four (4) subjects comprised of easy-to-follow videos and quizzes. Gain the knowledge you need to pursue careers in aviation such as a pilot, aeronautical engineer, air traffic controller, and many more.

NONAC03203 Aeroscience Aviation Theory 1
Subject name
Aerodynamics
General aeronautical knowledge
Human factors
Meteorology

NONAC03204 Aeroscience Aviation Theory 2
Subject name
Air law
Flight radio
Air navigation
Air operations performance and planning

* Students must successfully complete Module 1 before enrolling in Module 2.

WORKLOAD
1.5 days per fortnight

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 6 credits

ENTRY REQUIREMENTS
Year 9 Mathematics and English (with minimum C grade or higher).

In this course, students will experience real-life job tasks in workplace scenarios under the guidance of experienced unmanned pilots. These scenarios will take the student from initial flight and risk management planning to flying the task and reviewing the quality of their work after landing.

This course introduces aerial photography and mapping techniques, which an ordinary remote pilot course doesn't cover. There is also a strong focus on developing the student's non-technical skills, such as communication, teamwork, decision making and situational awareness. In addition to the Certificate III in Aviation (Remote Pilot) (AVI30419) vocational qualification, students will be offered the opportunity to gain their Civil Aviation Safety Authority (CASA) licences – the Remote Pilot Licence (RePL) and Aeronautical Radio Operator Certificate (AROC)*

This course is delivered by Aviation Australia (RTO 30770) at their Brisbane campus located at the Brisbane Airport. All Aviation Australia programs are designed with a balanced focus on knowledge, skills, values and experience, ensuring that graduates enter employment with strong skills and a thorough understanding of aviation quality, safety and environmental standards.

// LEARN MORE

Certificate III in Aviation (Remote Pilot)

COURSE CODE: AVI30419

☑ VETIS FUNDED*

Core units	
AVIF0021	Manage human factors in remote pilot aircraft systems operations
AVIH0006	Navigate remote pilot aircraft systems
AVIW0004	Perform operational inspections on remote operated systems
AVIW0028	Operate and manage remote pilot aircraft systems
AVIY0023	Launch, control and recover a remotely piloted aircraft
AVIY0031	Apply the principles of air law to remote pilot aircraft systems operations
AVIY0052	Control remote pilot aircraft systems on the ground
AVIY0053	Manage remote pilot aircraft systems energy source requirements
AVIZ0005	Apply situational awareness in remote pilot aircraft systems operations

Elective units	
AVIE0003	Operate aeronautical radio
AVIG0003	Work effectively in the aviation industry
AVIY0027	Operate multi-rotor remote pilot aircraft systems
AVIW0006	Perform infrastructure inspections using remote operated systems
AVIW0007	Perform aerial mapping and modelling using remote pilot aircraft systems

* Students will need to bring their own laptop and 32GB USB.

* Aeronautical Radio Operator Certificate (AROC) is a CASA requirement to use aviation VHF radios, which are needed when flying near aerodromes and helipads (will be issued when a student is 17 years of age, subject to CASA approval).

Pathway options	Career outcomes
• Certificate III in Aviation (Remote Pilot) AVI30419 • Remote Pilot Licence (RePL)	Inspection, monitoring, photography and filming, design and engineering, aerial mapping, agriculture, disaster management
• Aeronautical Radio Operator Certificate (AROC)	A CASA requirement to use aviation VHF radios, which are needed when flying near aerodromes and helipads

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

Certificate II in Retail Cosmetics

COURSE CODE: SHB20121

☑ VETIS FUNDED*

Core units	
SHBBCCS004	Demonstrate retail skin care products
SHBBMUP009	Design and apply make-up
SHBXIND003	Comply with organisational requirements within a personal services environment
SHBXIND005	Communicate as part of a salon team
SHBXWHS003	Apply safe hygiene, health and work practices
SIRXIND003	Organise personal work requirements
SIRXOSM002	Maintain ethical and professional standards when using social media and online platforms
SHBBCCS005	Advise on beauty products and services
SHBXCCS007	Conduct salon financial transactions

Elective units	
SHBBINF002	Maintain infection control standards
SHBBRES003	Research and apply beauty industry information
SIRRINV001	Receive and handle retail stock
SIRRMER001	Produce visual merchandise displays
SHBBFAS004	Provide lash and brow services
SHBBMUP010	Design and apply make-up for photography

Pathway options

Pathway options	Career outcomes
• Certificate III in Beauty Services SHB30121	Hair and beauty salon assistant, make-up artist
• Diploma of Beauty Therapy SHB50121	Beauty therapist, spa therapist

Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10 and 11

QCE CREDITS
Up to 8 credits

In this course, students will learn core industry skills, including lash and brow services, how to design and apply make-up, manicure and pedicare services, and how to provide salon services to clients. This course is a minimum requirement for working as a beautician or cosmetician.

Certificate III in Beauty Services

COURSE CODE: SHB30121

Core units	
SHBBHRS010	Provide waxing services
SHBBRES003	Research and apply beauty industry information
SHBXIND003	Comply with organisational requirements within a personal services environment
SHBXWHS003	Apply safe hygiene, health and work practices
SIRXOSM002	Maintain ethical and professional standards when using social media and online platforms
SHBBBOS007	Apply cosmetic tanning products
SHBBNLS007	Provide manicure and pedicare services
SHBBNLS011	Use electric file equipment for nail services
SHBBCCS005	Advise on beauty products and services
SHBBFAS004	Provide lash and brow services
SHBBMUP009	Design and apply make-up
SHBXCCS007	Conduct salon financial transactions
SHBXCCS008	Provide salon services to clients
SIRXSLS001	Sell to the retail customer

Elective units	
SHBXCCS005	Maintain health and wellbeing in a personal services setting
SHBBINF002	Maintain infection control standards
SHBBMUP008	Apply eyelash extensions
SHBBMUP010	Design and apply make-up for photography

Pathway options

- Diploma of Beauty Therapy SHB50121

Career outcomes

Beauty therapist, spa therapist

University Pathways

- Bachelor of Health Science (Aesthetics) – Torrens University

* Please note that uniforms, towels and kits are a requirement of this course and additional costs will apply.

ABOUT SERVICE INDUSTRIES

Certificate II in Hospitality

COURSE CODE: SIT20322

☑ VETIS FUNDED*

Core units	
BSBTWK201	Work effectively with others
SITHIND006	Source and use information on the hospitality industry
SITHIND007	Use hospitality skills effectively
SITXCCS011	Interact with customers
SITXCOM007	Show social and cultural sensitivity
SITXWHS005	Participate in safe work practices

Elective units	
SITHFAB021	Provide responsible service of alcohol
SITHFAB022	Clean and tidy bar areas
SITHFAB024	Prepare and serve non-alcoholic beverages
SITHFAB025	Prepare and serve espresso coffee
SITXFIN007	Process financial transactions
SITXFSA005	Use hygienic practices for food safety

Pathway options | Career outcomes

Pathway options	Career outcomes
• Certificate III in Hospitality (Food and Beverage) SIT30622	Espresso coffee machine operator, food and beverage attendant, function attendant, function host, restaurant host, senior bar attendant, waiter
• Diploma of Hospitality Management SIT50422	Motel manager, restaurant manager, banquet manager, functions manager, cafe or restaurant manager, bar manager

University Pathways

- Bachelor of International Tourism and Hotel Management – Griffith University

- Bachelor of Business – University of the Sunshine Coast

- Bachelor of International Tourism and Hotel Management – Griffith University

* **Toowoomba students**: uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* *No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

CAMPUS
Toowoomba, Roma

DURATION
4 terms

STUDY MODE
Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 4 credits

Kick-start your career by learning the basic skills and knowledge required to begin your journey in the hospitality industry. Collaborate in group work to become employment-ready or continue with further study.

ABOUT SERVICE INDUSTRIES

CAMPUS
Kingaroy, Toowoomba

DURATION
4 terms

STUDY MODE
Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 4 credits

This course provides a pathway to work back of house in organisations such as restaurants, hotels, catering operations, clubs, pubs, cafes, coffee shops and institutions such as aged care facilities, hospitals and schools.

Certificate II in Cookery

COURSE CODE: SIT20421

☑ VETIS FUNDED*

Core units

SITHCCC023	Use food preparation equipment
SITHCCC027	Prepare dishes using basic methods of cookery
SITHCCC034	Work effectively in a commercial kitchen
SITHKOP009	Clean kitchen premises and equipment
SITXFSA005	Use hygienic practices for food safety
SITXINV006	Receive, store and maintain stock
SITXWHS005	Participate in safe work practices

Elective units

SITHCCC024	Prepare and present simple dishes
SITHCCC025	Prepare and present sandwiches
SITHCCC026	Package prepared foodstuffs
SITHCCC028	Prepare appetisers and salads
SITXCOM007	Show social and cultural sensitivity
SITXFSA006	Participate in safe food handling practices

Apprenticeships	Career outcomes
• Certificate III in Commercial Cookery (full-time or school-based Apprenticeship) SIT30821	Cook, commercial cook, bistro cook
• Certificate IV in Kitchen Management SIT40521	Chef, chef de partie, kitchen manager
• Diploma of Hospitality Management SIT50422	Motel manager, sous chef, restaurant manager, banquet manager, functions manager, cafe or restaurant manager, bar manager

University Pathways

• Bachelor of International Tourism and Hotel Management – Griffith University

• Bachelor of Business – University of the Sunshine Coast

• Bachelor of Tourism and Hospitality Management – Southern Cross University

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

ABOUT SERVICE INDUSTRIES

Certificate II in Automotive Electrical Technology

COURSE CODE: AUR20420

☑ VETIS FUNDED*

Core units	
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR112	Test and repair basic electrical circuits
AURETR115	Inspect, test and service batteries

Elective units	
AURETR010	Repair wiring harnesses and looms
AURETR013	Inspect, test and service charging systems
AURETR014	Inspect, test and service starting systems
AURETR116	Read and apply vehicle wiring schematics and drawings
AURAFA103	Communicate effectively in an automotive workplace
AURTTK102	Use and maintain tools and equipment in an automotive workplace

Apprenticeships

- Certificate III in Automotive Electrical Technology AUR30320
- Certificate III in Heavy Commercial Vehicle Mechanical Technology AUR31120
- Certificate III in Light Vehicle Mechanical Technology AUR30620

Career outcomes

Automotive electrician, automotive electrical technician, diesel motor mechanic, heavy commercial vehicle technician, heavy vehicle mechanic, light vehicle mechanic

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

Learn the skills to perform a range of tasks related to the service and repair of electrical and mechanical systems in light or heavy vehicles. Gain hands-on experience in the servicing of engines, building and soldering electric circuits, balancing wheels and tyres, installing electrical accessories and performing other electrical and mechanical tasks.

This course will equip you with skills to enter an apprenticeship in either automotive mechanical or automotive electrical.

// LEARN MORE

ABOUT TRADES

In this course, you will become familiar with electrical and mechanical components and systems. Learn how to use appropriate tools and equipment to complete basic removal, inspection and refitting of automotive components.

Certificate II in Automotive Vocational Preparation

COURSE CODE: AUR20720

☑ VETIS FUNDED*

Core units	
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAFA103	Communicate effectively in an automotive workplace
AURAFA104	Resolve routine problems in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETR103	Identify automotive electrical systems and components
AURLTA101	Identify automotive mechanical systems and components
AURTTK102	Use and maintain tools and equipment in an automotive workplace

Elective units	
AURTTA105	Select and use bearings, seals, gaskets, sealants and adhesives
AURETR006	Solder electrical wiring and circuits
AURETR115	Inspect, test and service batteries
AURTTA127	Carry out basic vehicle servicing operations
AURTTJ011	Balance wheels and tyres

Pathway options

- Certificate III in Automotive Electrical Technology AUR30320
- Certificate III in Heavy Commercial Vehicle Mechanical Technology AUR31120
- Certificate III in Light Vehicle Mechanical Technology AUR30620

Career outcomes

Automotive electrician, automotive electrical technician, diesel motor mechanic, heavy commercial vehicle technician, heavy vehicle mechanic, light vehicle mechanic

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis..

ABOUT TRADES

Certificate II in Plumbing Services

COURSE CODE: 11054NAT

☑ VETIS FUNDED*

Core units	
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCCM2008	Erect and dismantle restricted height scaffolding
CPCCCM2012	Work safely at heights
CPCWHS1001	Prepare to work safely in the construction industry
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCPCM2039	Carry out interactive workplace communication
CPCPCM2041	Work effectively in the plumbing services sector
CPCPCM2043	Carry out WHS requirements
CPCPCM2045	Handle and store plumbing materials
CPCPCM2046	Use plumbing hand and power tools
CPCPCM2047	Carry out levelling
CPCPCM2048	Cut and join sheet metal
CPCPCM2055	Work safely on roofs
CPCCOM1015	Carry out measurements and calculations
ASBAWA201	Practice asbestos awareness in the construction industry
HLTAID011	Provide First Aid

Elective units	
CPCPCM2054	Carry out simple concreting and rendering under it

Pathway options

Pathway options	Career outcomes
• Certificate III in Plumbing CPC32420 • Certificate III in Roof Plumbing CPC32620 • Certificate III in Gas Fitting CPC32720	Plumber, roof plumber, gas, fitter, plumber (mechanical)
• Certificate IV in Plumbing and Services CPC40920 • Certificate IV in Building and Construction CPC40120 • Certificate IV in Building Project Support CPC40320	Plumbing contractor, fire services, supervisor, specialist hydraulic, designer, site supervisor – low, rise, building estimator
• Diploma of Hydraulic Services Design CPC50620 • Diploma of Building Design CPP50921 • Diploma of Building and Construction (Building) CPC50220 • Diploma of Building and Construction (Management) CPC50320	Builder, building designer, site, supervisor – medium and low, rise, construction manager,, project manager, consultant
• Advanced Diploma of Building and Construction (Management) CPC60220	Builder, site supervisor, senior, office manager

University Pathways

• Bachelor of Construction Management – Griffith University
• Bachelor of Urban Development (Honours) – Queensland University of Technology

* Students will be required to do a compulsory 80 hours of Vocational Placement during school holidays.
* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.
* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

CAMPUS
Toowoomba

DURATION
4 terms

STUDY MODE
Face-to-face

WORKLOAD
1 day per week

YEAR LEVEL
10, 11 and 12

QCE CREDITS
Up to 4 credits

Increase your prospects for a career in the plumbing industry with this pre-apprenticeship course. With a strong focus on safe plumbing practices, you will learn how to operate hand and power tools, read plans and perform plumbing installation techniques. You will also receive training for your General Safety Induction (White Card), which is an industry requirement to work on a construction site in Queensland.

// LEARN MORE

ABOUT TRADES

Develop basic skills in carpentry. Learn to read and interpret plans and specifications, measure and perform calculations, handle construction materials, use construction tools and equipment and undertake a basic construction project. A General Safety Induction (White Card) is also delivered in this course, which is an industry requirement for you to work on a Queensland construction site.

ABOUT TRADES

Certificate I in Construction

COURSE CODE: CPC10120

☑ VETIS FUNDED*

Core units	
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCCM2005	Use construction tools and equipment
CPCCVE1011	Undertake a basic construction project
CPCWHS1001	Prepare to work safely in the construction industry
CPCCCM2004	Handle construction materials
CMCCCM1011	Undertake basic estimation and costing
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry

Elective units	
CPCCOM1015	Carry out measurements and calculations
CPCCCM2006	Apply basic levelling procedures
CPCCOM1014	Conduct workplace communication

Pathway options / Career outcomes

Pathway options	Career outcomes
• Certificate III in Carpentry CPC30220 • Certificate III in Joinery CPC31920 • Certificate III in Shopfitting CPC30120 • Certificate III in Bricklaying and Blocklaying CPC33020 • Certificate III in Painting and Decorating CPC30620 • Certificate III in Solid Plastering CPC31020 • Certificate III in Roof Tiling CPC30820 • Certificate III in Stonemasonry CPC32320 • Certificate III in Wall and Ceiling Lining CPC31220 • Certificate III in Flooring Technology MSF30822 • Certificate III in Wall and Floor Tiling CPC31320	Carpenter, joiner, shopfitter, bricklayer, painter, roof tiler, stonemason, plasterer, flooring technician, tiler
• Certificate IV in Building and Construction CPC40120 • Certificate IV in Building Project Support CPC40320	Trade contractor, estimator, builder – low rise, site supervisor – low rise
• Diploma of Building Design CPP50921 • Diploma of Building and Construction (Building) CPC50220 • Diploma of Building and Construction (Management) CPC50320	Construction project manager, sales manager, office manager, estimating manager or construction site manager
• Advanced Diploma of Building and Construction (Management) CPC60220	Builder – open, site supervisor – open, senior office manager

University Pathways

• Bachelor of Construction Management – Griffith University

• Bachelor of Urban Development (Honours) – Queensland University of Technology

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

* No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETiS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis.

Certificate II in Engineering Pathways

COURSE CODE: MEM20422

☑ VETIS FUNDED*

Core units	
MEM13015	Work safely and effectively in manufacturing and engineering
MEMPE005	Develop a career plan for the engineering and manufacturing industry
MEMPE006	Undertake a basic engineering project
MSMENV272	Participate in environmentally sustainable work practices

Elective units	
MEM11011	Undertake manual handling
MEM16006	Organise and communicate information
MEM16008	Interact with computing technology
MEM18002	Use power tools/hand held operations
MEMPE001	Use engineering workshop machines
MEMPE002	Use electric welding machines
MEMPE003	Use oxy-acetylene and soldering equipment
MEMPE004	Use fabrication equipment

Pathway options / Career outcomes

Pathway options	Career outcomes
• Certificate III in Engineering – Fabrication Trade MEM31922 • Certificate III in Engineering – Mechanical Trade MEM30219 • Certificate III in Locksmithing MEM30819 • Certificate III in Marine Craft Construction MEM30719	Fitter and turner, metal fabricator, welder, machinist, patternmaker, moulder, locksmith, boat builder
• Certificate III in Engineering – Technical MEM30522	Entry level draftsperson
• Certificate IV in Engineering MEM40119 • Certificate IV in Engineering Drafting MEM40422	Higher engineering tradesperson, special class tradesperson, draftsperson
• Diploma of Engineering – Technical MEM50222	Senior draftsperson, advanced engineering tradesperson

University Pathways

• Bachelor of Engineering Science – University of Southern Queensland

• Bachelor of Engineering (Honours) – Queensland University of Technology

• Bachelor of Engineering (Honours) – Griffith University

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

ATAR
This program may contribute to your ATAR eligibility upon successful completion of the certificate III qualification.

This program is designed to give students an introduction to the manufacturing and engineering industry. Students will gain skills and knowledge in the areas of 2D and 3D detail drawings, AS1100 drawing standards and bills of material, print (paper and 3D), plot and email data and manage CAD (Computer-Aided Design) symbol libraries.

Certificate III in Engineering - Technical

COURSE CODE: MEM30522

Core units	
MEM16006	Organise and communicate information
MEM16008	Interact with computing technology
MEM30012	Apply mathematical techniques in a manufacturing engineering or related environment

Elective units	
MEM09202	Produce freehand sketches
MEM09229	Read and interpret technical engineering drawings
MEM12023	Perform engineering measurements
MEM13015	Work safely and effectively in manufacturing and engineering
MEM30031	Operate computer-aided design (CAD) system to produce basic drawing elements
MEM30032	Produce basic engineering drawings
MEM30033	Use computer-aided design (CAD) to create and display 3D models

Pathway options

- Certificate IV in Engineering MEM40119
- Certificate IV in Engineering Drafting MEM40422

- Diploma of Engineering – Technical MEM50222

Career outcomes

Higher engineering tradesperson, special class tradesperson, draftsperson

Senior draftsperson, advanced engineering tradesperson

University Pathways

- Associate Degree in Civil Engineering HED001 – TAFE Queensland

- Bachelor of Engineering Science – University of Southern Queensland

- Bachelor of Engineering (Honours) – Queensland University of Technology

- Bachelor of Engineering (Honours) – Griffith University

* Students must have access to a reliable internet connection to access TAFE Queensland's online learning system Connect, and a computer with up-to-date software, including Microsoft Office and Adobe Acrobat Reader.

* Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student..

ABOUT TRADES

ⓘ How to apply

To submit an application for a TAFE at School course, visit **www.tafeapply.com**

You'll need the application code for the course in the location you want to apply for. These can be found on the following two pages of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to **www.usi.gov.au** to get one. Applications open 15 July 2024.

Delivery modes

(B) **Block training:** Training is delivered in study blocks from three days to six weeks at our training facilities.

(D) **Day release:** Training is scheduled one day a week at our training facility.

(DD) **Drop in day:** Students can drop in to campus to train with a teacher. Please contact us to enquire about available days.

(MV) **Mobile van:** We understand that running your own business can be demanding, that's why we can bring our tools and equipment to you in our mobile training van.

(O) **Online:** May include access to online elements such as learning materials as well as practical training, and for some courses, training may be via video or web conferencing programs.

(W) **Workplace:** Students are trained and assessed by our workplace training officers in their own workplace.

> "
> **Meeting different people, seeing how they work, it's something that I find quite interesting. Everybody works differently, learns differently. It's amazing how we all work together and finish together and TAFE Queensland is pretty flexible with workload. It's great!**
