

Scholarships for International Students

2026

Degrees made greater.

Scholarships now available for 2026!

Go further with practical, flexible and industry-aligned degree and higher-level courses. Study in our signature hands-on style and get a job-ready edge in industries that demand it.

Scholarships are now available for the Bachelor of Nursing and Master of Cyber Security courses starting in 2026.

Bachelor of Nursing Scholarship (HED007 | 114595J)

Make a genuine difference in people's lives and advance your career with a Bachelor of Nursing. This degree is ideal for enrolled nurses seeking to build on their professional experience and previous study to seek registration to become a registered nurse.

- \$3,000 off your **FINAL** semester's fee
- For students starting in Semester 2, 2026 (continuing from Diploma of Nursing) *
- Apply before 24/05/2026

**Eligible for new applications only*

Master of Cyber Security (Advanced) (HED008 | 117453K)

Become a recognised leader in Cyber Security, equipped with advanced Cyber Security skills and knowledge to meet the security challenges of the future. This degree is designed to nurture Cyber Security professionals who are not only technically skilled but policy and governance informed, generating a class of Cyber Security experts who can effectively navigate and shape the field.

- \$3,000 off your **FIRST** semester's fee
- For students starting Semester 2, 2026
- Apply before 24/05/2026

CONDITIONS

- Eligible applicants will automatically receive the scholarship
- Open to all nationalities
- Must hold a Student Visa (500)
- Must maintain continuous, full-time enrolment in either HED007 or HED008
- One semester extension allowed (conditions apply)
- Academic or behavioural misconduct will void scholarship
- Non-refundable, non-transferable
