

# HED004 Bachelor of Dental Prosthetics – Credit Precedent

## Credit Precedent – Vocational qualifications

This information is for **all applicants** applying for entry into the TAFE Queensland Bachelor of Dental Prosthetics course.

The following vocational qualifications have been granted advanced standing as follows:

Qualification	Name of Provider	Amount of credit to be granted	Exempted Units
Diploma of Dental Technology	Any Australian registered training organisation offering this course	2 units	DDB101, DDB105
Advanced Diploma of Dental Prosthetics	Any Australian registered training organisation offering this course	10 units	DDB101, DDB102, DDB103, DDB105, DDB106, DDB107, DDB202, DDB203, DDB206, DDB207

## Documentation

Applicants who acquired qualifications from a provider, other than TAFE Queensland, must include certified copies of academic transcripts and award certificates to help demonstrate their eligibility for advanced standing via credit transfer.

Applicants with a relevant TAFE Queensland vocational qualification will automatically have their advanced standing applied as per the above table.
