Virtual campus tours

World-class facilities

TAFE Queensland has invested in world-class purpose built facilities where students gain the hands-on practical skills they need to enter the workforce.

There will be plenty of opportunities to put theory into practice in our state-of-the-art: clinical labs, hairdressing and beauty salons, fully functional kitchens, gyms, trade areas and creative spaces.

Combined with our passionate and knowledgeable teachers, you will gain the skills, knowledge and confidence you need to graduate job-ready.

STUDY AREAS

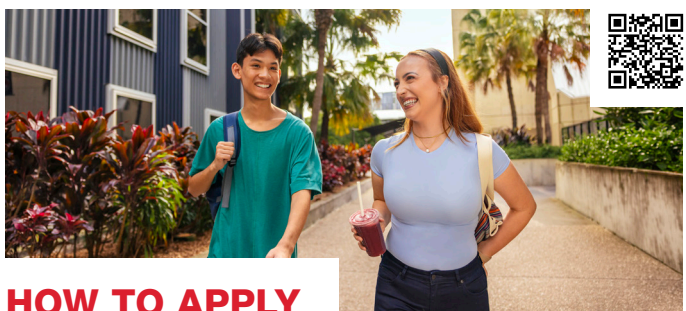

Whether you want to enhance your English language skills, get trade qualified, or complete a professional-level qualification, we have the courses that can get you into your dream job sooner. (**Our international study areas:** Business and IT, Creative industries, Education and community, Environment and animal services, Health and science, Service industries, Trades).

DEGREE PATHWAYS

TAFE Queensland has partnerships with some of Australia's top universities and institutes of higher education. TAFE Queensland graduates are eligible for credit transfer that can save up to a full year of their degree*. Get a head start with your career and graduate from your diploma job-ready, with real world skills.

* Students need to confirm the credit transfers and other eligibility required by their chosen university or institute of higher education.

HOW TO APPLY

You can find out more information on how you can apply to TAFE Queensland on the QR code above.

There are some handy step-by-step videos, if you find you get a little bit stuck while preparing your application to study.

TESTIMONIALS

Hear from past students about how their experience at TAFE Queensland gave them: new friendships and a home away from home, up-to-date skills and knowledge relevant to industry, opportunities and the support they needed to help them succeed during their studies.
