Welcome

from the General Manager

TAFE Queensland offers a diverse range of courses covering 22 study areas that reflect national priorities and global workforce trends.

Our staff and students routinely win prestigious state and national awards. We enjoy a very high level of student and employer satisfaction in the 80-90% range.

You can be confident that our teachers are among the best in Australia all of whom have many years of professional experience and who return to industry service each year to refine their skills.

We pride ourselves in our purpose-built facilities where you will learn hands-on using the same tools and equipment used in industry. Put your theory into practice straight away in our clinical labs, salons, training restaurants, and creative spaces. Develop your skills, ability, and confidence and gain the practical experience you need to graduate job ready.

Our focus is on making your educational journey as rewarding and enjoyable as possible. We have a wonderful team of educational and support staff to help you feel welcome and keep you engaged and motivated.

Together we can Make Great Happen.
