

REGIONAL WORKFORCE TRANSITION SUPPORT

Building safe work practices - Program 3

For regional communities, working in a safe environment is a key responsibility. This program has been designed to provide the opportunity to build safe work practices in and around the workplace.

These accredited units will provide you with the skills and knowledge to:

- apply heavy vehicle chain of responsibility legislation
- apply fatigue management strategies
- plan and prepare for entry and exiting of confined spaces
- comply with current workplace health and safety legislation and work confidently at heights
- identifying and rectifying minor faults with vehicles
- identifying the correct techniques to load/unload cargo
