

REGIONAL WORKFORCE TRANSITION SUPPORT

Gaining skills for employment - Program 5

With a range of pre-employment skills and competencies in the construction, infrastructure and resource fields, this program offers the opportunity to build skills to help you gain employment. If you're working at heights or in confined spaces these programs can assist in improving safe work practices, and you'll gain the skills to test and tag electrical equipment.

These accredited units of competency will provide you with the skills and knowledge to:

- enter and work on a construction site in Queensland
- comply with current workplace health and safety legislation and work confidently at heights
- plan and prepare for entry and exiting of confined spaces
- inspect, test and tag electrical equipment

DURATION: 5 Days

Fully funded under the Workforce Transition Support program. Eligibility criteria applies.

Monday	Tuesday	Wednesday	Thursday	Friday
Restricted - Electrical safety testing of electrical cord connected equipment and cord assemblies (Test and Tag) (UEESS00098)	Work Safely at Heights (SSRII0006)	Enter and work in confined spaces (SSRII0005)	Construction Industry White Card (AUC) (SSPC00001)	

When

From Monday 13th June to Friday 17th June
From 8:00am to 4:00pm each day for Test & Tag
