

CSQ HIGHER QUALIFICATIONS PROGRAM

As a recipient of funding, TAFE Queensland is proud to support Construction Skills Queensland (CSQ) and their ongoing financial and professional contribution to the Queensland building and construction industry.

The CSQ Higher Qualifications program helps existing and unemployed workers in the civil construction and building and construction industries to gain new skills and knowledge to further their career. Certificate IV and higher level vocational training qualifications are available under this program.

HOW DOES IT WORK?

CSQ funding is paid directly to TAFE Queensland. Where CSQ funding doesn't cover the full cost of your fees you will be required to contribute towards the remaining course fees.

If you are interested in a course, contact us to find out more.

ELIGIBILITY

To be eligible for funding, participants must be eligible workers (including relevant clerical, administration and professional staff), an eligible apprentice or trainee (who has completed 50% or more of their training) or unemployed eligible workers (i.e. unemployed for four years or less) in the civil construction or building and construction industries who are one of the following:

- > An Australian or New Zealand citizen
- > A permanent resident of Australia
- > A visa holder with the right to work in Australia (excluding student visa holders)

Eligible workers must be employed in Queensland. Additional eligibility requirements may apply. Please speak with your TAFE Queensland representative.

The Higher Qualifications program is an initiative of Construction Skills Queensland (CSQ). Eligibility criteria applies to all CSQ funded programs. For more information visit CSQ.org.au.
