

CSQ HIGHER QUALIFICATIONS PROGRAM

As a recipient of funding, TAFE Queensland is proud to support Construction Skills Queensland (CSQ) and their ongoing financial and professional contribution to the Queensland building and construction industry.

The CSQ Higher Qualifications program helps existing and unemployed workers in the civil construction and building and construction industries to gain new skills and knowledge to further their career. Certificate IV and higher level vocational training qualifications are available under this program.

HOW DOES IT WORK?

No more than 50% of the qualification can be obtained through Recognition of Prior Learning (RPL) or credit transfer. **Qualifications must be completed by the 30 April 2025.**
