HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Live the ultimate tradie’s dream; work for yourself!

Gain the skills to design plumbing systems, inspect plumbing works, supervise others, and live the ultimate tradie’s dream; to work for yourself! On successful completion you’ll be able to satisfy the training requirements specified by the Plumbing Industry Council to undertake plumbing work related to your principal trade or daily scope of work. This course also satisfies the training requirements specified by the Department of Mines and Safety when seeking a Gas Work Authorisation.

FULL FEE | $8,265
This is the total cost of the course.

Got a question?
Enquire about your full fee study options

$ SUBSIDISED | $2,553
The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

$ CONCESSION | $1,410
You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans’ Affairs Pensioner Concession Card, or if you have a disability.

Units

Students seeking the open gas license only will be required to enrol into the following five (5) units only:

- CPCPCM4011A - Carry out work-based risk control processes
- CPCPCM4012A - Estimate and cost work
- CPCPGS4011C - Design and size consumer gas installations
- CPCPGS4022A - Service type A gas appliances
- BSBSMB401A - Establish legal and risk management requirements of small business

Students seeking the open plumbing and drainage licence will be required to enrol into the following eight (8) units only:

- CPCPCM4011A - Carry out work-based risk control processes
- CPCPCM4012A - Estimate and cost work
- CPCPDR4011B - Design and size sanitary drainage systems
- CPCPDR4012B - Design and size stormwater drainage systems
- CPCPDR4013B - Design and size domestic treatment plant disposal systems
- CPCPSN4011B - Design and size sanitary plumbing systems
- CPCPWT4011B - Design and size heated and cold water services and systems
- BSBSMB401A - Establish legal and risk management requirements of small business

Students seeking the open plumbing, drainage and gas licence will be required to enrol into the following ten (10) units only:

- CPCPCM4011A - Carry out work-based risk control processes
- CPCPCM4012A - Estimate and cost work
- CPCPGS4011C - Design and size consumer gas installations
- CPCPGS4022A - Service type A gas appliances
- CPCPDR4011B - Design and size sanitary drainage systems
- CPCPDR4012B - Design and size stormwater drainage systems
- CPCPDR4013B - Design and size domestic treatment plant disposal systems
- CPCPSN4011B - Design and size sanitary plumbing systems
- CPCPWT4011B - Design and size heated and cold water services and systems
- BSBSMB401A - Establish legal and risk management requirements of small business

Students seeking the full Certificate IV in Plumbing and Services will be required to enrol into all fifteen (15) units of competency (below) upfront.
