- Interior design technician

University Pathways

If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas will give you a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

Our pathway partners include:

Before you apply to study at TAFE Queensland, you should check what documents and evidence you will need to provide to the Department of Home Affairs (HA) to support your visa application.

How to check what evidence you will need to provide to obtain a visa:

- Visit the Student Visa (subclass 500) page on the HA website
- Scroll down to the Document Checklist Tool
- Select the country listed on your passport
- Enter 03020E in the Education Provider CRICOS code field
- Answer the final question: I am one of the following
- Click the Display Evidence button
- Read through the Documentary Evidence List to find out what you will need to submit with your visa application

2. Review Admissions criteria and key dates

- English Language Entry Requirements
- Academic Entry Requirements
- Key Dates

Some courses require you to meet additional entry requirements eg. Submit a portfolio or artwork with your application. Please check individual course requirements via the Course page.

3. Prepare your certified supporting documents

If you are an international student applying directly to TAFE Queensland, you will need to include certified copies of the following documents to support your application:

- Copy of passport
- Educational certificate and academic records
- English language test results

4. Applying as a mature aged student

Mature age students (at least 21 years of age and with work experience/other qualifications) may be admitted into a program without meeting the formal academic requirements. The following documentation is required to support your application:

- Current CV
- References on company letterhead from current or previous employers

Where previous study/employment was conducted in English, submit a certified letter from the educational institution/employer confirming the language of instruction/employment was English.

5. Under 18 students

International student visa applicants under the age of 18 will only be accepted where they demonstrate that they will be accompanied by a parent, legal custodian or a suitable relative who is aged 21 or over. For more information visit Department of Home Affairs website.

Submit your application
